

§ 641.480

All parties must agree to the provisions of this paragraph as a condition of being an SCSEP grantee.

§ 641.480 May the Governor make recommendations to the Department on grant applications?

(a) Yes, each Governor will have a reasonable opportunity to make comments on any application to operate a SCSEP project located in the Governor's State before the Department makes a final decision on a grant award. The Governor's comments should be directed to the Department and may include the anticipated effect of the proposal on the overall distribution of program positions within the State; recommendations for redistribution of positions to underserved areas as vacancies occur in previously encumbered positions in other areas; and recommendations for distributing any new positions that may become available as a result of an increase in funding for the State. The Governor's recommendations should be consistent with the State Plan.

(b) Under noncompetitive conditions, the Governor may make the authorized recommendations on all applications. However, under competitive conditions, the Governor has the option of making the authorized recommendations on all applications or only on those applications proposed for award following the rating process. It is incumbent on each Governor to inform the Department of his or her intent to review the applications before or after the rating process.

§ 641.490 When may SCSEP grants be awarded competitively?

(a) The Department must hold a competition for SCSEP funds when a grantee (national grantee, national grantee in a State, or State grantee) fails to meet its performance measures; the eligibility requirements; or the responsibility tests established by section 514 of the OAA.

(b) The Department may hold a full and open competition before the beginning of a new grant period, or if additional grantees are funded. The details of the competition will be provided in a Solicitation for Grant Applications published in the FEDERAL REGISTER or

20 CFR Ch. V (4–1–10 Edition)

in another medium. The Department believes that full and open competition is the best way to assure the highest quality of services to eligible participants.
