

share requirement). However section 502(e) grantees may choose to provide a non-Federal share and are encouraged to do so.

(d) The Department may enter directly into agreements with private businesses for section 502(e) activities.

(e) Grantees may fund private-for-profit and other organizations that do not have the IRS 501(c)(3) designation or are not public agencies to conduct section 502(e) activities if provided for in their grant or contract agreement with the Department.

§ 641.650 Does the requirement that not less than 75 percent of the funds be used to pay participant wages and fringe benefits apply to section 502(e) activities?

Yes, under section 502(c)(6)(B) of the OAA, 75 percent of SCSEP funds made available through a grant must be used to pay for the wages and fringe benefits of participants employed under SCSEP projects. This requirement applies to the total grant, and not necessarily to individual components of the grant. For entities that receive an SCSEP grant for both community service projects and section 502(e) projects, the requirement applies to the total grant. For entities that receive only a section 502(e) grant, the requirement applies to that grant.

§ 641.660 Who is eligible to participate in section 502(e) private sector training activities?

The same eligibility criteria used in the community service portion of the program apply for participation in the private sector training activities. (See subpart E, §§ 641.500, 641.510, 641.520, 641.525, and 641.530).

§ 641.665 When is eligibility determined?

Eligibility is determined at the time individuals apply to participate in the SCSEP. Grantees may also verify an individual's eligibility as circumstances require.

§ 641.670 May an eligible individual be enrolled simultaneously in section 502(e) private sector training activities operated by one grantee and a community service SCSEP project operated by a different SCSEP grantee?

Yes, an eligible individual must be enrolled simultaneously in section 502(e) private sector training activities and a community service SCSEP project, operated by two different SCSEP grantees. This is known as co-enrollment.

§ 641.680 How should grantees report on participants who are co-enrolled?

Referrals from a regular SCSEP grantee to a 502(e) only grantee that result in an unsubsidized placement may also be credited to the referring SCSEP grantee. However, if the SCSEP grantee is also a 502(e) grantee, the unsubsidized placement of the participant may only be counted once. The Department will issue administrative guidance on additional requirements.

§ 641.690 How is the performance of section 502(e) grantees measured?

(a) The following performance measures apply to section 502(e) grantees. The common performance measures that apply to this program are:

- (1) Entered employment;
- (2) Retention in employment; and
- (3) Earnings.

(b) These measures are defined in and governed by subpart G of this part and the applicable provisions of administrative issuances implementing the SCSEP performance standards.

(c) If a section 502(e) grantee fails to meet its performance standards, the Department may require corrective action, may provide technical assistance, or may decline to fund the grantee in the next Program Year.
