

(j) The employer has not laid off and will not lay off any similarly employed U.S. worker in the occupation that is the subject of the *Application for Temporary Employment Certification* in the area of intended employment except for lawful, job related reasons within 60 days of the date of need, or if the employer has laid off such workers, it has offered the job opportunity that is the subject of the application to those laid-off U.S. worker(s) and the U.S. worker(s) either refused the job opportunity or was rejected for the job opportunity for lawful, job-related reasons.

(k) The employer has not and will not intimidate, threaten, restrain, coerce, blacklist, or in any manner discriminate against, and has not and will not cause any person to intimidate, threaten, restrain, coerce, blacklist, or in any manner discriminate against, any person who has with just cause:

(1) Filed a complaint under or related to sec. 218 of the INA at 8 U.S.C. 1188, or this subpart or any other Department regulation promulgated under sec. 218 of the INA;

(2) Instituted or caused to be instituted any proceeding under or related to sec. 218 of the INA, or this subpart or any other Department regulation promulgated under sec. 218 of the INA;

(3) Testified or is about to testify in any proceeding under or related to sec. 218 of the INA or this subpart or any other Department regulation promulgated under sec. 218 of the INA;

(4) Consulted with an employee of a legal assistance program or an attorney on matters related to sec. 218 of the INA or this subpart or any other Department regulation promulgated under sec. 218 of the INA; or

(5) Exercised or asserted on behalf of himself/herself or others any right or protection afforded by sec. 218 of the INA, or this subpart or any other Department regulation promulgated under sec. 218 of the INA.

(l) The employer shall not discharge any person because of that person's taking any action listed in paragraphs (k)(1) through (k)(5) of this section.

(m) All fees associated with processing the temporary labor certification will be paid in a timely manner.

(n) The employer will inform H-2A workers of the requirement that they

leave the U.S. at the end of the period certified by the Department or separation from the employer, whichever is earlier, as required under §655.111, unless the H-2A worker is being sponsored by another subsequent employer.

(o) The employer and its agents have not sought or received payment of any kind from the employee for any activity related to obtaining labor certification, including payment of the employer's attorneys' fees, application fees, or recruitment costs. For purposes of this paragraph, payment includes, but is not limited to, monetary payments, wage concessions (including deductions from wages, salary, or benefits), kickbacks, bribes, tributes, in kind payments, and free labor. This provision does not prohibit employers or their agents from receiving reimbursement for costs that are the responsibility of the worker, such as government required passport or visa fees.

(p) The employer has contractually forbidden any foreign labor contractor or recruiter whom the employer engages in international recruitment of H-2A workers to seek or receive payments from prospective employees, except as provided for in DHS regulations at 8 CFR 214.2(h)(5)(xi)(A).

(q) The applicant is either a fixed-site employer, an agent or recruiter, an H-2ALC (as defined in these regulations), or an association.

§ 655.1306 Assurances and obligations of H-2A Labor Contractors.

(a) The pre-filing activity requirements set forth in §655.102 are modified as follows for H-2ALCs:

(1) The job order for an H-2ALC may contain work locations in multiple areas of intended employment, and may be submitted to any one of the SWAs having jurisdiction over the anticipated work areas. The SWA receiving the job order shall promptly transmit, on behalf of the employer, a copy of its active job order to all States listed in the application as anticipated worksites, as well as those States, if any, designated by the Secretary as traditional or expected labor supply States for each area in which the employer's work is to be performed. Each SWA shall keep the H-2ALC's job order posted until the end of the recruitment

period, as set forth in § 655.102(f)(3), for the area of intended employment that is covered by the SWA. SWAs in States that have been designated as traditional or expected labor supply States for more than one area of intended employment that are listed on an application shall keep the H-2ALC's job order posted until the end of the applicable recruitment period that is last in time, and may make referrals for job opportunities in any area of intended employment that is still in an active recruitment period, as defined by § 655.102(f)(3).

(2) The H-2ALC must conduct separate positive recruitment under § 655.102(g) through (i) for each area of intended employment in which the H-2ALC intends to perform work, but need not conduct separate recruitment for each work location within a single area of intended employment. The positive recruitment for each area of intended employment must list the name and location of each fixed-site agricultural business to which the H-2ALC expects to provide H-2A workers, the expected beginning and ending dates when the H-2ALC will be providing the workers to each fixed site, and a description of the crops and activities the workers are expected to perform at such fixed site. Such positive recruitment must be conducted pre-filing for the first area of intended employment, but must be started no more than 75 and no fewer than 60 days before the listed arrival date (or the amended date, if applicable) for each subsequent area of intended employment. For each area of intended employment, the advertising that must be placed in any applicable States designated as traditional or expected labor supply States must be placed at the same time as the placement of other positive recruitment for the area of intended employment in accordance with § 655.102(i)(2).

(3) The job order and the positive recruitment in each area of intended employment may require that workers complete the remainder of the H-2ALC's itinerary.

(4) An H-2ALC who hires U.S. workers during the course of its itinerary, and accordingly releases one or more of its H-2A workers, is eligible for the re-

lease from the three-quarters guarantee with respect to the released H-2A workers that is provided for in § 655.104(i)(4).

(5) An H-2ALC may amend its application subsequent to submission in accordance with § 655.107(d)(3) to account for new or changed worksites or areas of intended employment during the course of the itinerary in the following manner:

(i) If the additional worksite(s) are in the same area(s) of intended employment as represented on the *Application for Temporary Employment Certification*, the H-2ALC is not required to re-recruit in those areas of intended employment if that recruitment has been completed and if the job duties at the new work sites are similar to those already covered by the application.

(ii) If the additional worksite(s) are outside the area(s) of intended employment represented on the *Application for Temporary Employment Certification*, the H-2ALC must submit in writing the new area(s) of intended employment and explain the reasons for the amendment of the labor certification itinerary. The CO will order additional recruitment in accordance with § 655.102(d).

(iii) For any additional worksite not included on the original application that necessitates a change in housing of H-2A workers, the H-2ALC must secure the statement of housing as described in paragraph (b)(6) of this section and obtain an inspection of such housing from the SWA in the area of intended employment.

(iv) Where additional recruitment is required under paragraphs (a)(5)(i) or (a)(5)(ii) of this section, the CO shall allow it to take place on an expedited basis, where possible, so as to allow the amended dates of need to be met.

(6) Consistent with paragraph (a)(5) of this section, no later than 30 days prior to the commencement of employment in each area of intended employment in the itinerary of an H-2ALC, the SWA having jurisdiction over that area of intended employment must complete the housing inspections for any employer-provided housing to be used by the employees of the H-2ALC.

(7) To satisfy the requirements of § 655.102(h), the H-2ALC must contact

all U.S. employees that worked for the H-2ALC during the previous season, except those excluded by that section, before filing its application, and must advise those workers that a separate job opportunity exists for each area of intended employment that is covered by the application. The employer may advise contacted employees that for any given job opportunity, workers may be required to complete the remainder of the H-2ALC's itinerary.

(b) In addition to the assurances and obligations listed in § 655.105, H-2ALC applicants are also required to:

(1) Provide the MSPA Farm Labor Contractor (FLC) certificate of registration number and expiration date if required under MSPA at 29 U.S.C. 1801 *et seq.*, to have such a certificate;

(2) Identify the farm labor contracting activities the H-2ALC is authorized to perform as an FLC under MSPA as shown on the FLC certificate of registration, if required under MSPA at 29 U.S.C. 1801 *et seq.*, to have such a certificate of registration;

(3) List the name and location of each fixed-site agricultural business to which the H-2A Labor Contractor expects to provide H-2A workers, the expected beginning and ending dates when the H-2ALC will be providing the workers to each fixed site, and a description of the crops and activities the workers are expected to perform at such fixed site;

(4) Provide proof of its ability to discharge financial obligations under the H-2A program by attesting that it has obtained a surety bond as required by 29 CFR 501.8, stating on the application the name, address, phone number, and contact person for the surety, and providing the amount of the bond (as calculated pursuant to 29 CFR 501.8) and any identifying designation utilized by the surety for the bond;

(5) Attest that it has engaged in, or will engage in within the timeframes required by § 655.102 as modified by § 655.106(a), recruitment efforts in each area of intended employment in which it has listed a fixed-site agricultural business; and

(6) Attest that it will be providing housing and transportation that complies with the applicable housing standards in § 655.104(d) or that it has

obtained from each fixed-site agricultural business that will provide housing or transportation to the workers a written statement stating that:

(i) All housing used by workers and owned, operated or secured by the fixed-site agricultural business complies with the applicable housing standards in § 655.104(d); and

(ii) All transportation between the worksite and the workers' living quarters that is provided by the fixed-site agricultural business complies with all applicable Federal, State, or local laws and regulations and will provide, at a minimum, the same vehicle safety standards, driver licensure, and vehicle insurance as required under 29 U.S.C. 1841 and 29 CFR part 500, subpart D, except where workers' compensation is used to cover such transportation as described in § 655.104(h)(3).

§ 655.1307 Processing of applications.

(a) *Processing.* (1) Upon receipt of the application, the CO will promptly review the application for completeness and an absence of errors that would prevent certification, and for compliance with the criteria for certification. The CO will make a determination to certify, deny, or issue a Notice of Deficiency prior to making a Final Determination on the application. Applications requesting that zero job opportunities be certified for H-2A employment because the employer has been able to recruit a sufficient number of U.S. workers must comply with other requirements for H-2A applications and must be supported by a recruitment report, in which case the application will be accepted but will then be denied. Criteria for certification, as used in this subpart, include, but are not limited to, whether the employer has established the need for the agricultural services or labor to be performed on a temporary or seasonal basis; made all the assurances and met all the obligations required by § 655.105, and/or, if an H-2ALC, by § 655.106; complied with the timeliness requirements in § 655.102; and complied with the recruitment obligations required by §§ 655.102 and 655.103.

(2) Unless otherwise noted, any notice or request sent by the CO or OFLC to an applicant requiring a response
