(ii) For the employer whose country was at some time on the non-reciprocity list, but was subsequently removed from the non-reciprocity list and then restored to the non-reciprocity list (on one or more occasions), the period is the last continuous 12-month period during which the employer's country was not under the reciprocity exception (that is, was listed on the non-reciprocity list).

(2) *Documentation.* In assembling the documentation described in paragraph (b)(1) of this section, the employer may consult with the port authority which has jurisdiction over the local port, the collective bargaining representative(s) of longshore workers at the local port, other employers, or any other entity which is familiar with the practices at the port. The documentation shall include a written summary of a survey of the experience of shipmasters who entered the local port in the previous year; or a letter, affidavit, or other written statement from an appropriate local port authority regarding the use of alien crewmembers to perform the longshore activity at the port in the previous year; or other documentation of comparable weight. Written statements from collective bargaining representatives and/or shipping agents with direct knowledge of practices regarding the use of alien crewmembers may also be pertinent. Such documentation shall accompany the Form ETA 9033, and any underlying documentation which supports the employer's burden of proof shall be maintained in the employer's records at the office of the U.S. agent as required under § 655.510(c)(1) of this part.

ALASKA EXCEPTION

§ 655.530 Special provisions regarding the performance of longshore activities at locations in the State of Alaska.

Applicability. Section § 655.510 of this part shall not apply to longshore work performed at locations in the State of Alaska. The performance of longshore work by alien crewmembers at locations in the State of Alaska shall instead be governed by §§ 655.530 through 655.541. The use of alien crewmembers to perform longshore work in Alaska consisting of the use of an automated self-unloading conveyor belt or vacuum-actuated system on a vessel shall continue to be governed by the provisions of § 655.520 of this part, except that, if the Administrator finds, based on a preponderance of the evidence which may be submitted by any interested party, that an attestation is required because the performance of the particular activity of longshore work is not the prevailing practice at the location in the State of Alaska, or was during a strike or lockout or intended to influence an election of a bargaining representative for workers at that location, or if the Administrator issues a cease and desist order against use of the automated equipment without such an attestation, the required attestation shall be filed pursuant to the Alaska exception at §§ 655.530 through 655.541 and not the prevailing practice exception at § 655.510.

§ 655.531 Who may submit attestations for locations in Alaska?

In order to use alien crewmembers to perform longshore activities at a particular location in the State of Alaska an employer shall submit an attestation on Form ETA 9033-A. As noted at § 655.502, "Definitions," for purposes of §§ 655.530 through 655.541, which govern the performance of longshore activities by alien crewmembers under the Alaska exception, "employer" includes any agent or representative designated by the employer. An employer may file a single attestation for multiple locations in the State of Alaska.
