

and training activities are limited, priority for intensive and training services funded with title I adult funds must be given to recipients of public assistance and other low-income individuals in the local area.

(b) Since funding is generally limited, States and local areas must establish criteria by which local areas can determine the availability of funds and the process by which any priority will be applied under WIA section 134(d)(2)(E). Such criteria may include the availability of other funds for providing employment and training-related services in the local area, the needs of the specific groups within the local area, and other appropriate factors.

(c) States and local areas must give priority for adult intensive and training services to recipients of public assistance and other low-income individuals, unless the local area has determined that funds are not limited under the criteria established under paragraph (b) of this section.

(d) The process for determining whether to apply the priority established under paragraph (b) of this section does not necessarily mean that only the recipients of public assistance and other low income individuals may receive WIA adult funded intensive and training services when funds are determined to be limited in a local area. The Local Board and the Governor may establish a process that gives priority for services to the recipients of public assistance and other low income individuals and that also serves other individuals meeting eligibility requirements.

§ 663.610 Does the statutory priority for use of adult funds also apply to dislocated worker funds?

No, the statutory priority applies to adult funds for intensive and training services only. Funds allocated for dislocated workers are not subject to this requirement.

§ 663.620 How do the Welfare-to-Work program and the TANF program relate to the One-Stop delivery system?

(a) The local Welfare-to-Work (WtW) program operator is a required partner in the One-Stop delivery system. 20 CFR part 662 describes the roles of such

partners in the One-Stop delivery system and applies to the Welfare-to-Work program operator. WtW programs serve individuals who may also be served by the WIA programs and, through appropriate linkages and referrals, these customers will have access to a broader range of services through the cooperation of the WtW program in the One-Stop system. WtW participants, who are determined to be WIA eligible, and who need occupational skills training may be referred through the One-Stop system to receive WIA training, when WtW grant and other grant funds are not available in accordance with § 663.320(a). WIA participants who are also determined WtW eligible, may be referred to the WtW operator for job placement and other WtW assistance.

(b) The local TANF agency is specifically suggested under WIA as an additional partner in the One-Stop system. TANF recipients will have access to more information about employment opportunities and services when the TANF agency participates in the One-Stop delivery system. The Governor and Local Board should encourage the TANF agency to become a One-Stop partner to improve the quality of services to the WtW and TANF-eligible populations. In addition, becoming a One-Stop partner will ensure that the TANF agency is represented on the Local Board and participates in developing workforce investment strategies that help cash assistance recipients secure lasting employment.

§ 663.700 What are the requirements for on-the-job training (OJT)?

(a) On-the-job training (OJT) is defined at WIA section 101(31). OJT is provided under a contract with an employer in the public, private non-profit, or private sector. Through the OJT contract, occupational training is provided for the WIA participant in exchange for the reimbursement of up to 50 percent of the wage rate to compensate for the employer's extraordinary costs. (WIA sec. 101(31)(B).)

(b) The local program must not contract with an employer who has previously exhibited a pattern of failing to provide OJT participants with continued long-term employment with wages, benefits, and working conditions that are equal to those provided to regular employees who have worked a similar length of time and are doing the same type of work. (WIA sec. 195(4).)

(c) An OJT contract must be limited to the period of time required for a participant to become proficient in the occupation for which the training is being provided. In determining the appropriate length of the contract, consideration should be given to the skill requirements of the occupation, the academic and occupational skill level of the participant, prior work experi-

ence, and the participant's individual employment plan. (WIA sec. 101(31)(C).)

§ 663.705 What are the requirements for OJT contracts for employed workers?

- (b) The requirements in § 663.700 are met; and
- (c) The OJT relates to the introduction of new technologies, introduction to new production or service procedures, upgrading to new jobs that require additional skills, workplace literacy, or other appropriate purposes identified by the Local Board.

§ 663.710 What conditions govern OJT payments to employers?

(a) On-the-job training payments to employers are deemed to be compensation for the extraordinary costs associated with training participants and the costs associated with the lower productivity of the participants.

(b) Employers may be reimbursed up to 50 percent of the wage rate of an OJT participant for the extraordinary costs of providing the training and additional supervision related to the OJT. (WIA sec. 101(31)(B).)

(c) Employers are not required to document such extraordinary costs.

§ 663.715 What is customized training?

Customized training is training:

- (a) That is designed to meet the special requirements of an employer (including a group of employers);
- (b) That is conducted with a commitment by the employer to employ, or in the case of incumbent workers, continue to employ, an individual on successful completion of the training; and
