(f) The Department of State, in its sole discretion, may condition its approval of self-insurance or the acceptance of full financial responsibility by the non-governmental sponsor by requiring such sponsor to secure a payment bond in favor of the Department of State guaranteeing the sponsor’s obligations hereunder.

(g) An accompanying spouse or dependent of an exchange visitor is required to be covered by insurance in the amounts set forth in paragraph (a) of this section. Sponsors shall inform exchange visitors of this requirement, in writing, in advance of the exchange visitor’s arrival in the United States.

Subpart B—Specific Program Provisions

§ 62.20 Professors and research scholars.

(a) **Introduction.** These regulations govern Exchange Visitor Program participants in the categories of professor and research scholar, except:

1. Alien physicians in graduate medical education or training, who are governed by regulations set forth at §62.27; and
2. Short-term scholars, who are governed by regulations set forth at §62.21.

(b) **Purpose.** The purpose of the Exchange Visitor Program, in part, is to foster the exchange of ideas between Americans and foreign nationals and to stimulate international collaborative teaching, lecturing and research efforts. The exchange of professors and
research scholars promotes the exchange of ideas, research, mutual enrichment, and linkages between research and educational institutions in the United States and foreign countries. It does so by providing foreign professors and research scholars the opportunity to engage in research, teaching and lecturing with their American colleagues, to participate actively in cross-cultural activities with Americans, and ultimately to share with their countrymen their experiences and increased knowledge of the United States and their substantive fields.

(c) **Designation.** The Department of State may, in its sole discretion, designate *bona fide* exchange visitor programs, which offer foreign nationals the opportunity to engage in research, teaching, lecturing, observing, or consulting at research institutions, corporate research facilities, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions in the United States.

(d) **Visitor eligibility.** An individual may be selected for participation in the Exchange Visitor Program as a professor or research scholar subject to the following conditions:

(1) The participant must not be a candidate for a tenure track position;

(2) The participant has not been physically present in the United States as a nonimmigrant pursuant to the provisions of 8 U.S.C. 1101(a)(15)(J) for all or part of the twelve-month period immediately proceeding the date of program commencement set forth on his or her Form DS–2019, unless:

(i) The participant is transferring to the sponsor’s program pursuant to provisions set forth in §62.42;

(ii) The participant’s presence in the United States was of less than six months duration; or

(iii) The participant’s presence in the United States was pursuant to a short-term scholar exchange activity as authorized by §62.21;

(3) The participant is not subject to the prohibition against repeat participation set forth at §62.20(i)(2).

(e) **Issuance of Form DS–2019.** The Form DS–2019 must be issued only after the professor or research scholar has been accepted by the institution where he or she will participate in an exchange visitor program.

(f) **Location of the exchange.** Professors or research scholars must conduct their exchange activity at the site(s) of activity identified in SEVIS, which may be either the location of the exchange visitor program sponsor or the site of a third party facilitating the exchange with permission of the Responsible Officer. An exchange visitor may also engage in activities at other locations if such activities constitute occasional lectures or consultations permitted by paragraph (g) of this section. All such sites of activity must be entered into SEVIS while the exchange visitor’s SEVIS record is in Initial or Active status.

(g) **Occasional lectures or consultations.** Professors and research scholars may participate in occasional lectures and short-term consultations, if authorized to do so by his or her sponsor. Such lectures and consultations must be incidental to the exchange visitor’s primary program activities. If wages or other remuneration are received by the exchange visitor for such activities, the exchange visitor must act as an independent contractor, as such term is defined in 8 CFR 274a.1(j), and the following criteria and procedures must be satisfied:

(1) **Criteria.** The occasional lectures or short-term consultations must:

(i) Be directly related to the objectives of the exchange visitor’s program;

(ii) Be incidental to the exchange visitor’s primary program activities;

(iii) Not delay the completion date of the exchange visitor’s program; and

(iv) Be documented in SEVIS.

(2) **Procedures.** (i) To obtain authorization to engage in occasional lectures or short-term consultations involving wages or other remuneration, the exchange visitor must present to the responsible officer:

(A) A letter from the offeror setting forth the terms and conditions of the offer to lecture or consult, including the duration, number of hours, field or subject, amount of compensation, and description of such activity; and

(B) A letter from the exchange visitor’s department head or supervisor
recommending such activity and explaining how the activity would enhance the exchange visitor’s program.

(ii) The responsible officer must review the letters required in paragraph (g)(2)(i) of this section and make a written determination whether such activity is warranted, will not interrupt the exchange visitor’s original objective, and satisfies the criteria set forth in paragraph (g)(1) of this section.

(h) **Change of activity.** At the discretion and approval of the responsible officer, professors may freely engage in research and research scholars may freely engage in teaching and lecturing. Because these activities are intertwined, such a change of activity is not considered a change of category necessitating formal approval by the Department of State and does not require the issuance of a new Form DS–2019 to reflect a change in category. Such change in activity does not extend the exchange visitor’s maximum duration of program participation.

(i) **Duration of participation.** The permitted duration of program participation for a professor or research scholar is as follows:

1. **General limitation.** A professor or research scholar may be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete his or her program, provided such time does not exceed five years. The five-year period of permitted program participation is continuous and begins with the initial program begin date documented in SEVIS or the date such status was acquired via a petition submitted and approved by the Department of Homeland Security (DHS) as documented in SEVIS and ends five years from such date.

2. **Repeat participation.** Exchange participants who have entered the United States under the Exchange Visitor Program as a professor or research scholar, or who have acquired such status while in the United States, and who have completed his or her program are not eligible for participation as a professor or research scholar for a period of two years following the end date of such program participation as identified in SEVIS.

3. **Extensions.** A responsible officer may not extend the period of program duration beyond the five-year period of maximum program duration authorized for professor and research scholar participants. The Department may, in its sole discretion, authorize an extension beyond the permitted five-year period, as submitted by a “G–7” program sponsor, upon successful demonstration of the following:

   (i) The participant for whom an extension is requested is engaged in a research project under the direct sponsorship of a Federally Funded National Research and Development Center (“FFNRDC”) or a U.S. Federal Laboratory;

   (ii) The FFNRDC or U.S. Federal Laboratory requesting the extension on behalf of the participant has determined, through peer review, that the participant’s continued involvement in the project is beneficial to its successful conclusion; and

   (iii) The Secretary of the Department of Homeland Security has determined in his/her discretion that the extension may be approved;

   (iv) The extension request is for not more than five years.

[70 FR 28817, May 19, 2005; 70 FR 36344, June 23, 2005]

§ 62.21 **Short-term scholars.**

(a) **Introduction.** These regulations govern scholars coming to the United States for a period of up to four months to lecture, observe, consult, and to participate in seminars, workshops, conferences, study tours, professional meetings, or similar types of educational and professional activities.

(b) **Purpose.** The Exchange Visitor Program promotes the interchange of knowledge and skills among foreign and American scholars. It does so by providing foreign scholars the opportunity to exchange ideas with their American colleagues, participate in educational and professional programs, confer on common problems and projects, and promote professional relationships and communications.

(c) **Designation.** The Department of State may, in its sole discretion, designate bona fide programs which offer foreign nationals the opportunity to engage in short-term visits for the purpose of lecturing, observing, consulting, training, or demonstrating
§ 62.22 Trainees and interns.

(a) Introduction. These regulations govern Exchange Visitor Programs under which foreign nationals have the opportunity to receive training in the United States. These regulations also establish a new internship program under which foreign nationals who:

(1) Are currently enrolled in and pursuing studies at a degree- or certificate-granting post-secondary academic institution outside the United States or

(2) Graduated from such an institution no more than 12 months prior to their exchange visitor program begin date may enter the United States to obtain work-based learning to build on their academic experience by developing practical skills. Regulations dealing with training opportunities for certain foreign students who are studying at post-secondary accredited educational institutions in the United States are located at §62.23 ("College and University Students"). Regulations governing alien physicians in graduate medical education or training are located at §62.27 ("Alien Physicians").

(b) Purpose. (1)(i) The primary objectives of the programs offered under these regulations are to enhance the skills and expertise of exchange visitors in their academic or occupational fields through participation in structured and guided work-based training and internship programs and to improve participants’ knowledge of American techniques, methodologies, and expertise. Such training and internship programs are also intended to increase participants’ understanding of American culture and society and to enhance Americans’ knowledge of foreign cultures and skills through an open interchange of ideas between participants and their American associates. A key goal of the Fulbright-Hays Act, which authorizes these programs, is that participants will return to their home countries and share their experiences with their countrymen.

(ii) Exchange Visitor Program training and internship programs must not be used as substitutes for ordinary employment or work purposes; nor may they be used under any circumstances to displace American workers. The requirements in these regulations for trainees are designed to distinguish between bona fide training, which is permitted, and merely gaining additional work experience, which is not permitted. The requirements in these regulations for interns are designed to distinguish between a period of work-based learning in the intern’s academic field, which is permitted, and unskilled labor, which is not.
(2) In addition, a specific objective of the new internship program is to provide foreign nationals who are currently enrolled in and pursuing studies at a degree- or certificate-granting post-secondary academic institution or graduated from such an institution no more than 12 months prior to their exchange visitor program begin date a period of work-based learning to allow them to develop practical skills that will enhance their future careers. Bridging the gap between formal education and practical work experience and gaining substantive cross-cultural experience are major goals in educational institutions around the world. By providing training opportunities for current foreign students and recent foreign graduates at formative stages of their development, the U.S. Government will build partnerships, promote mutual understanding, and develop networks for relationships that will last through generations as these foreign nationals move into leadership roles in a broad range of occupational fields in their own societies. These results are closely tied to the goals, themes, and spirit of the Fulbright-Hays Act.

(c) Designation. (1) The Department may, in its sole discretion, designate as sponsors entities meeting the eligibility requirements set forth in Subpart A of 22 CFR Part 62 and satisfying the Department that they have the organizational capacity successfully to administer and facilitate training and internship programs.

(2) Sponsors must provide training and internship programs only in the occupational category or categories for which the Department has designated them as sponsors. The Department will designate training and internship programs in any of the following occupational categories:

(i) Agriculture, Forestry, and Fishing;
(ii) Arts and Culture;
(iii) Aviation;
(iv) Construction and Building Trades;
(v) Education, Social Sciences, Library Science, Counseling and Social Services;
(vi) Health Related Occupations;
(vii) Hospitality and Tourism;
(viii) Information Media and Communications;
(iv) Management, Business, Commerce and Finance;
(x) Public Administration and Law;

(d) Selection criteria. (1) In addition to satisfying the general requirements set forth in §62(10)(a), sponsors must ensure that trainees and interns have verifiable English language skills sufficient to function on a day-to-day basis in their training environment. English language proficiency must be verified by a recognized English language test, by signed documentation from an academic institution or English language school, or through an interview conducted by the sponsor, or an in-person, by videoconference, or by web camera.

(2) Sponsors of training programs must verify that all potential trainees are foreign nationals who have either a degree or professional certificate from a foreign post-secondary academic institution and at least one year of prior related work experience in their occupational field acquired outside the United States or five years of work experience outside the United States in their occupational field.

(3) Sponsors of internship programs must verify that all potential interns are foreign nationals who are currently enrolled in and pursuing studies at a degree-or certificate-granting post-secondary academic institution outside the United States or graduated from such an institution no more than 12 months prior to their exchange visitor program begin date.

(e) Issuance of Forms DS–2019. In addition to the requirements set forth in Subpart A, sponsors must ensure that:

(1) They do not issue Forms DS–2019 to potential participants in training and internship programs until they secure placements for trainees or interns and complete and secure requisite signatures on Form DS–7002, Training/Internship Placement Plan (T/IPP or Forms DS–7002);

(2) Trainees and interns have sufficient finances to support themselves for their entire stay in the United States.
States, including housing and living expenses; and

(3) The training and internship programs expose participants to American techniques, methodologies, and expertise and expand upon the participants’ existing knowledge and skills. Programs must not duplicate the participants’ prior work experience or training received elsewhere.

(f) Obligations of training and internship program sponsors. (1) Sponsors designated by the Department to administer training and internship programs must:

(i) Ensure that trainees and interns are appropriately selected, placed, oriented, supervised, and evaluated;

(ii) Be available to trainees and interns (and host organizations, as appropriate) to assist as facilitators, counselors, and information resources;

(iii) Ensure that training and internship programs provide a balance between the trainees’ and interns’ learning opportunities and their contributions to the organizations in which they are placed;

(iv) Ensure that the training and internship programs are full-time (minimum of 32 hours a week); and

(v) Ensure that any host organizations and third parties involved in the recruitment, selection, screening, placement, orientation, evaluation for, or the provision of training and internship programs are sufficiently educated on the goals, objectives, and regulations of the Exchange Visitor Program and adhere to all regulations set forth in this Part as well as all additional terms and conditions governing the Exchange Visitor Program administration that the Department may from time to time impose.

(2) Sponsors must ensure that they or any host organization acting on the sponsor’s behalf:

(i) Have sufficient resources, plant, equipment, and trained personnel available to provide the specified training and internship program;

(ii) Provide continuous on-site supervision and mentoring of trainees and interns by experienced and knowledgeable staff;

(iii) Ensure that trainees and interns obtain skills, knowledge, and competencies through structured and guided activities such as classroom training, seminars, rotation through several departments, on-the-job training, attendance at conferences, and similar learning activities, as appropriate in specific circumstances;

(iv) Conduct periodic evaluations of trainees and interns, as set forth in §62.22(1);

(v) Do not displace full- or part-time or temporary or permanent American workers or serve to fill a labor need and ensure that the positions that trainees and interns fill exist solely to assist trainees and interns in achieving the objectives of their participation in training and internship programs; and

(vi) Certify that training and internship programs in the field of agriculture meet all the requirements of the Fair Labor Standards Act, as amended (29 U.S.C. 201 et seq.) and the Migrant and Seasonal Agricultural Worker Protection Act, as amended (29 U.S.C. 1801 et seq.).

(3) Sponsors or any third parties acting on their behalf must conduct a thorough screening of potential trainees or interns, including a documented interview in-person, by videoconference, or by web camera.

(4) Sponsors must retain all documents referred to in §62.22(f) for at least three years following the completion of all training and internship programs. Documents and any requisite signatures may be retained in either hard copy or electronic format.

(g) Use of third parties—(1) Sponsors use of third parties. Sponsors may engage third parties (including, but not limited to host organizations, partners, local businesses, governmental entities, academic institutions, and other foreign or domestic agents) to assist them in the conduct of their designated training and internship programs. Such third parties must have an executed written agreement with the sponsor to act on behalf of the sponsor in the conduct of the sponsor’s program. This agreement must outline the full relationship between the sponsor and third party on all matters involving the administration of their exchange visitor program. A sponsor’s use of a third party does not relieve the sponsor of its obligations to comply with and to
ensure third party compliance with Exchange Visitor Program regulations. Any failure by any third party to comply with the regulations set forth in this Part or with any additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose will be imputed to the sponsor.

(2) Screening and vetting third parties operating outside the United States. U.S. sponsors must ascertain that third parties operating outside the United States are legitimate entities within the context of their home country environment. For third parties that operate as businesses, sponsors must obtain relevant home country documentation, such as business registration or certification, and Dun & Bradstreet identification numbers. Written agreements between sponsors and third parties operating outside the United States must include an annually updated price list for training and internship programs offered by each third party, and must ensure that such overseas third parties are sufficiently trained in all aspects of the programs they represent, including the regulations set forth in this Part.

(3) Screening and vetting host organizations. Sponsors must adequately screen all potential host organizations at which a trainee or intern will be placed by obtaining the following information:

(i) The Dun & Bradstreet identification number (unless the host organization is an academic institution, government entity, or family farm);
(ii) Employer Identification Number (EIN) used for tax purposes;
(iii) Verification of telephone number, address, and professional activities via advertising, brochures, Web site, and/or feedback from prior participants; and
(iv) Verification of Workman’s Compensation Insurance Policy.

(4) Site visits of host organizations. Sponsors must conduct site visits of host organizations that have not previously participated successfully in the sponsor’s training and internship programs and that have fewer than 25 employees or less than three million dollars in annual revenue. Placements at academic institutions or at federal, state, or local government offices are specifically excluded from this requirement. The purpose of the site visits is for the sponsors to ensure that host organizations possess and maintain the ability and resources to provide structured and guided work-based learning experiences according to the individualized T/IPP and that host organizations understand and meet their obligations set forth in this Part.

(h) Host organization obligations. Sponsors must ensure that:

(i) Host organizations sign a completed Form DS–7002 to verify that all placements are appropriate and consistent with the objectives of the trainees or interns as outlined in their program applications and as set forth in their T/IPP. All parties involved in internship programs should recognize that interns are seeking entry-level training and experience. Accordingly, all placements must be tailored to the skills and experience level of the individual intern;

(ii) Host organizations notify sponsors promptly of any concerns about, changes in, or deviations from T/IPP during training and internship programs and contact sponsors immediately in the event of any emergency involving trainees or interns;

(iii) Host organizations abide by all Federal, State, and Local occupational health and safety laws; and

(iv) Host organizations abide by all program rules and regulations set forth by the sponsor, including the completion of all mandatory program evaluations.

(2) [Reserved]

(i) Training/internship placement plan (Form DS–7002). (1) Sponsors must fully complete and obtain requisite signatures for a Form DS–7002 for each trainee or intern before issuing a Form DS–2019. Sponsors must provide each signatory an executed copy of the Form DS–7002. Upon request, trainees and interns must present their fully executed Form DS–7002 to a Consular Official during their visa interview.

(2) To further distinguish between bona fide training for trainees or work-based learning for interns, which are permitted, and ordinary employment or unskilled labor which are not, all T/IPP must
(i) State the specific goals and objectives of the training and internship program (for each phase or component, if applicable);

(ii) Detail the knowledge, skills, or techniques to be imparted to the trainee or intern (for each phase or component, if applicable); and

(iii) Describe the methods of performance evaluation and the supervision for each phase or component, if applicable.

(3) A T/IPP for trainees must be divided into specific and various phases or components, and for each phase or component must

(i) Describe the methodology of training and

(ii) Provide a chronology or syllabus.

(4) A T/IPP for interns must:

(i) Describe the role of the intern in the organization and, if applicable, identify various departments or functional areas in which the intern will work and

(ii) Identify the specific tasks and activities the intern will complete.

(j) Program exclusions. Sponsors designated by the Department to administer training and internship programs must not:

(1) Place trainees or interns in unskilled or casual labor positions, in positions that require or involve child care or elder care, or in clinical or any other kind of work that involves patient care or contact, including any work that would require trainees or interns to provide therapy, medication, or other clinical or medical care (e.g., sports or physical therapy, psychological counseling, nursing, dentistry, veterinary medicine, social work, speech therapy, or early childhood education);

(2) Place trainees or interns in positions, occupations, or businesses that could bring the Exchange Visitor Program or the Department into notoriety or disrepute; or

(3) Engage or otherwise cooperate or contract with a Staffing/Employment Agency to recruit, screen, orient, place, evaluate, or train trainees or interns, or in any other way involve such agencies in an Exchange Visitor Program training and internship program.

(4) Use of third parties. A sponsor may engage a third party (including, but not limited to a host organization, partner, local business, governmental entity, academic institution, or any other foreign or domestic agent) to assist it in the conduct of its designated student internship program. (7) Training/Internship Placement Plan (Form DS–7002). (i) A sponsor must fully complete and obtain requisite signatures for a Form DS–7002 for each student intern before issuing a Form DS–2019. A sponsor must provide to each signatory an executed copy of the Form DS–7002. Upon request, a student intern must present his or her fully executed Form DS–7002 to a Consular Official during the visa interview.

(ii) To further distinguish between work-based learning for student interns, which is permitted, and ordinary employment or unskilled labor which is not, a T/IPP must:

§ 62.24 Teachers.

(a) Purpose. These regulations govern exchange visitors who teach full-time in primary and secondary accredited educational institutions. Programs under this section promote the interchange of American and foreign teachers in public and private schools and the enhancement of mutual understanding between people of the United States and other countries. They do so by providing foreign teachers opportunities to teach in primary and secondary accredited educational institutions in the United States, to participate actively in cross-cultural activities with Americans in schools and communities, and to return home ultimately to share their experiences and their increased knowledge of the United States. Such exchanges enable visitors to understand better American culture, society, and teaching practices at the primary and secondary levels, and enhance American knowledge of foreign cultures, customs, and teaching approaches.

(b) Designation. The Department of State may, in its discretion, designate bona fide programs satisfying the objectives in section (a) above as exchange visitor programs in the teacher category.

(3) Is of good reputation and character;

(4) Seeks to come to the United States for the purpose of full-time teaching at a primary or secondary accredited educational institution in the United States; and

(5) Has a minimum of three years of teaching or related professional experience.

(e) Teaching position. Prior to issuance of the Form DS–2019, the exchange visitor shall receive a written offer and accept in writing of a teaching position from the primary or secondary accredited educational institution in which he or she is to teach. Such position shall be in compliance with any applicable collective bargaining agreement, where one exists. The exchange visitor’s appointment to a position at a primary or secondary accredited educational institution shall be temporary, even if the teaching position is permanent.

(f) Program disclosure. Before the program begins, the sponsor shall provide the teacher, in addition to what is required in § 62.10(b), with:

(1) Information on the length and location(s) of his or her exchange visitor program;

(2) A summary of the significant components of the program, including a written statement of the teaching requirements and related professional obligations; and

(3) A written statement which clearly states the compensation, if any, to be paid to the teacher and any other financial arrangements in regards to the exchange visitor program.

Exchange students may begin in the second semester of a U.S. academic year if specifically permitted to do so, in writing, by the school in which the exchange visitor is enrolled. Both the host family and school must be notified prior to the exchange student’s arrival in the United States that the placement is for either an academic semester or year, or calendar year program.

(b) Purpose. The Exchange Visitor Program promotes the interchange of
knowledge and skills among foreign and American specialists, who are defined as experts in a field of specialized knowledge or skills, and who visit the United States for the purpose of observing, consulting, or demonstrating their special skills. It does so by providing foreign specialists the opportunity to observe American institutions and methods of practice in their professional fields, and to share their specialized knowledge with their American colleagues. The exchange of specialists promotes mutual enrichment, and furthers linkages among scientific institutions, government agencies, museums, corporations, libraries, and similar types of institutions. Such exchanges also enable visitors to better understand American culture and society and enhance American knowledge of foreign cultures and skills. This category is intended for exchanges with experts in such areas, for example, as mass media communication, environmental science, youth leadership, international educational exchange, museum exhibitions, labor law, public administration, and library science. This category is not intended for experts covered by the exchange visitor categories listed in paragraphs (a) (1) through (3) of this section.

(c) Designation. The Department of State may, in its discretion, designate bona fide programs satisfying the objectives in section (b) above as an exchange visitor program in the specialist category.

(h) Location of the exchange. The specialist shall participate in an exchange visitor program at the location(s) listed on his or her Form DS–2019.

(i) Duration of participation. The specialist shall be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete the program, which shall not exceed one year.

§62.30 Camp counselors.

(a) Introduction. In order to promote diverse opportunities for participation in educational and cultural exchange programs, the Department of State designates exchange sponsors to facilitate the entry of foreign nationals to serve as counselors in U.S. summer camps. These programs promote international understanding by improving American knowledge of foreign cultures while enabling foreign participants to increase their knowledge of American culture. The foreign participants are best able to carry out this objective by serving as counselors per se, that is, having direct responsibility for supervision of groups of American youth and of activities that bring them into interaction with their charges. While it is recognized that some non-counseling chores are an essential part of camp life for all counselors, this program is not intended to assist American camps in bringing in foreign nationals to serve as administrative personnel, cooks, or menial laborers, such as dishwashers or janitors.

(b) Participant eligibility. Participation in camp counselor exchange programs is limited to foreign nationals who:

(1) Are at least 18 years of age;

(2) Are bona fide youth workers, students, teachers, or individuals with specialized skills; and

(2) Not facilitate the entry of any participant for a program of more than four months duration; and

(3) Under no circumstance facilitate the entry into the United States of a participant for whom a camp placement has not been pre-arranged.

(i) Placement report. In lieu of listing the name and address of the camp facility at which the participant is placed on Form DS–2019, sponsors shall submit to the Department of State, no later than July 1st of each year, a report of all participant placements. Such report shall reflect the participant’s name, camp placement, and the number of times the participant has previously participated in a camp counselor exchange.

(j) In order to ensure that as many different individuals as possible are recruited for participation in camp counselor programs, sponsors shall limit the number of participants who have previously participated more than once in any camp counselor exchange to not more than ten percent of the total number of participants that the sponsor placed in the immediately preceding year.

Fails or failed maintain valid program status means the status of an exchange visitor who has completed, concluded, ceased, interrupted, graduated from, or otherwise terminated the exchange visitor’s participation in the exchange program, or who remains in the United States beyond the end date on the exchange visitor’s current Form DS–2019.

Unauthorized employment means any employment not properly authorized by you or by the Attorney General, i.e., the Immigration and Naturalization Service, prior to commencement of employment. Unauthorized employment does not include activities that are normally approvable, as described in paragraph (c)(3) of this section.

We, our, or us means the office of Exchange Visitor Program Services of the Department of State.

(b) Who is authorized to correct minor or technical infractions of the Exchange Visitor Program regulations? (1) If the exchange visitor committed a technical or minor infraction of the regulations, you are authorized to correct the exchange visitor’s records with respect to such technical or minor infractions of the regulations in this part. Your correction of such an infraction(s) returns the exchange visitor to the status quo ante, i.e., it is as if the infraction never occurred.

(2) You may only correct the exchange visitor’s record with respect to a technical or minor infraction of the regulations in this part if the exchange visitor is pursuing or intending to pursue the exchange visitor’s original program objective.

(3) You may not correct the exchange visitor’s records with respect to a technical or minor infraction of the regulations in this part if the exchange visitor has willfully failed to maintain insurance coverage during the period for which the record is being corrected; if the exchange visitor has engaged in unauthorized employment during that period, as defined in paragraph (a) of this section, or if the exchange visitor was involuntarily suspended or terminated from his or her program during the period.

(4) If the exchange visitor has failed to maintain valid program status because of a substantive violation of the regulations in this part, you must apply to us for reinstatement.

(c) What violations or infractions of the regulations in this part do we consider to be technical or minor ones, and how do you correct the record? We consider the following to be examples of technical or minor infractions which you are authorized to correct:

(1) Failure to extend the Form DS–2019 in a timely manner (i.e., prior to the end date on the current Form DS–2019) due to inadvertence or neglect on your part or on the part of the exchange visitor.

(2) Failure on the part of the exchange visitor to conclude a transfer of program prior to the end date on the current Form DS–2019 due to inadvertence or neglect on your part or on the part of the exchange visitor.

(3) Failure to receive your prior approval and/or an amended Form DS–2019 before accepting an honorarium or other type of payment for engaging in a normally approvable and appropriate activity. Example, a lecture, consultation, or other activity appropriate to the category which is provided by a
professor, research scholar, short-term scholar or specialist without prior approval or an amended Form DS-2019 issued prior to the occurrence of the activity.

(4) You correct the record status quo ante by issuing a Form DS-2019 or by writing an authorization letter to reflect the continuity in the program or the permission to engage in the activity that a timely issued document would have reflected.

(i) Forms DS–2019 should be:
(A) Issued to show continued authorized stay without interruption;
(B) Marked in the “purpose” box with the appropriate purpose (i.e., extension, transfer, etc.) and with the additional notation of “correct the record” typed in;
(C) Dated as of the date the Form was actually executed; and,
(D) Submitted to the Department of State in the same way as any other notification.

(ii) Letters or other authorization documents should be:
(A) Issued according to the regulations in this part appropriate to the category and the activity;

(C) Dated as of the date the letter or document was actually executed; and,
(D) Attached to the exchange visitor’s Form DS–2019 and/or retained in the sponsor’s file as required by the regulations in this part for that particular type of letter or document.

(d) How do you determine if an infraction, other than those examples listed above is a technical or minor infraction? It is impossible to list every example of a technical or minor infraction. To guide you in making a determination, you are to examine the following criteria:

(1) Regardless of the reason, has the exchange visitor failed to maintain valid program status for more than 120 calendar days after the end date on the current Form DS–2019?

(2) Has the exchange visitor, by his or her actions, failed to maintain, at all relevant times, his or her original program objective?

(3) Has the exchange visitor willfully failed to comply with our insurance coverage requirements (§62.14)?

(4) Has the exchange visitor engaged in unauthorized employment, as that term is defined in paragraph (a) of this section?

(5) Has the exchange visitor category been involuntarily suspended or terminated from his or her program?

(6) Has an exchange visitor in the student category failed to maintain a full course of study (as defined in §62.2) without prior consultation with you and the exchange visitor’s academic advisor?

(7) Has the exchange visitor failed to pay the fee mandated by Public Law 104–208 (the “CIPRIS” fee)?

(8) If the answer to any of the above questions is “yes,” then the infraction is not a technical or minor one and you are not authorized to reinstate the exchange visitor to valid program status.

(e) Which violations or infractions do we consider to be substantive ones requiring you to apply to us for reinstatement? The following are substantive violations or infractions of the regulations in this part by the exchange visitor which require you to apply to us for reinstatement to valid program status:

(1) Failure to maintain valid program status for more than 120 days after the end date on the current Form DS–2019;

(2) If a student, failure to maintain a full course of study (as defined in §62.2) without prior consultation with you and the exchange visitor’s academic advisor.

(f) Which, if any, violations of the regulations in this part or other conditions preclude reinstatement and will result in a denial if application is made? We will not consider requests for reinstatement (nor should you) when an exchange visitor has:

(1) Knowingly or willfully failed to obtain or maintain the required health insurance (§62.14) at all times while in the United States;

(2) Engaged in unauthorized employment, as that term is defined in paragraph (a) of this section;

(3) Been suspended or terminated from the most recent exchange visitor program;

(4) Failed to maintain valid program status for more than 270 calendar days;

(5) Received a favorable recommendation from the Department of State on an application for waiver of section

212(e) of the Immigration and Nationality Act [8 U.S.C. 1182(e)]; or,

(6) Failed to pay the fee mandated by Public Law 104–208 (the “CIPRIS” fee).

(g) What if you cannot determine which category (technical, substantive, or non-reinstatable) the violation or infraction falls within? If you cannot determine which category the violation or condition falls within, then you must, on behalf of the exchange visitor, apply to us for reinstatement.

(h) If you determine that the exchange visitor’s violation of the regulations in this part is a substantive one, how do you apply for a reinstatement to valid program status?

(1) If you determine that the violation of the regulations in this part is a substantive one, and that the exchange visitor has failed to maintain valid program status for 120 days or less, you must apply to us for reinstatement of the exchange visitor to valid program status. Your application must include:

(i) All copies of the exchange visitor’s Forms DS–2019 issued to date;

(ii) A new, completed Form DS–2019, showing in Block 3 the date for which reinstatement is sought, i.e., the new program end date;

(iii) A copy of the receipt showing that the Public Law 104–208 fee has been paid; and,

(iv) A written statement (and documentary information supporting such statement):

(A) Declaring that the exchange visitor is pursuing or was at all times intending to pursue the original exchange visitor program activity for which the exchange visitor was admitted to the United States; and,

(C) Showing that it would be an unusual hardship to the exchange visitor if we do not grant the reinstatement to valid program status.

(2) If you determine that the violation of the regulations is a substantive one, and that the exchange visitor has failed to maintain valid program status for more than 120 days, then you must apply to us for reinstatement of the exchange visitor to valid program status. Your application must include:

(i) Copies of all the exchange visitor’s Forms DS–2019 issued to date;

(ii) A new, completed Form DS–2019, showing in Block 3 the date for which reinstatement is sought, i.e., the new program end date;

(iii) A copy of the receipt showing that the Pub. L. 104–208 fee has been paid; and,

(iv) A written statement (together with documentary evidence supporting such statement):

(A) Declaring that the exchange visitor is pursuing or was at all times intending to pursue the exchange visitor program activity for which the exchange visitor was admitted to the United States; and,

(B) Showing that the exchange visitor failed to maintain valid program status due to circumstances beyond the control of the exchange visitor, or from administrative delay or oversight, inadvertence, or excusable neglect on your part or the exchange visitor’s part; and,

(C) Showing that it would be an unusual hardship to the exchange visitor if we do not grant the reinstatement to valid program status.

(i) How will we notify you of our decision on your request for reinstatement? (1) If we deny your request for reinstatement, we will notify you by letter.

(2) If we approve your request for reinstatement, we will notify you:

(i) By stamping Box 6 on the new Form DS–2019 to show that reinstatement was granted, effective as of the date on which the application for reinstatement was received by the Exchange Visitor Program Services office; and

20 CFR Ch. I (4–1–10 Edition) § 62.50

2019 to the Department of State serves as notice that a record has been corrected. Following the regulations in this part in issuing a letter or document serves as correction in the sponsor’s file for those items not normally sent to the Department of State under existing notification procedures.

Subpart D—Sanctions

§ 62.50 Sanctions.

(a) Reasons for sanctions. The Department of State (Department) may impose sanctions against a sponsor upon a finding by its Office of Exchange Coordination and Designation (Office) that the sponsor has:

(1) Violated one or more provisions of this Part;

(2) Evidenced a pattern of failure to comply with one or more provisions of this Part;

(3) Committed an act of omission or commission, which has or could have the effect of endangering the health, safety, or welfare of an exchange visitor; or

(4) Otherwise conducted its program in such a way as to undermine the foreign policy objectives of the United States, compromise the national security interests of the United States, or bring the Department or the Exchange Visitor Program into notoriety or disrepute.

(b) Lesser sanctions. (1) In order to ensure full compliance with the regulations in this Part, the Department, in its discretion and depending on the nature and seriousness of the violation, may impose any or all of the following sanctions (“lesser sanctions”) on a sponsor upon a finding that the sponsor engaged in any of the acts or omissions set forth in paragraph (a) of this section:

(i) A written reprimand to the sponsor, with a warning that repeated or persistent violations of the regulations in this Part may result in suspension or revocation of the sponsor’s Exchange Visitor Program designation, or other sanctions as set forth herein;

(ii) A corrective action plan designed to cure the sponsor’s violations; or

(iv) Up to a 15 percent (15%) reduction in the authorized number of exchange visitors in the sponsor’s program or in the geographic area of its recruitment or activity. If the sponsor continues to violate the regulations in this Part, the Department may impose subsequent additional reductions, in ten-percent (10%) increments, in the authorized number of exchange visitors in the sponsor’s program or in the geographic area of its recruitment or activity.

(2) Within ten (10) days after service of the written notice to the sponsor imposing any of the sanctions set forth in paragraph (b)(1) of this section, the sponsor may submit to the Office a statement in opposition to or mitigation of the sanction. Such statement may not exceed 20 pages in length, double-spaced and, if appropriate, may include additional documentary material. Sponsors shall include with all documentary material an index of the documents and a summary of the relevance of each document presented. Upon review and consideration of such submission, the Office may, in its discretion, modify, withdraw, or confirm such sanction. All materials the sponsor submits will become a part of the sponsor’s file with the Office.

(3) The decision of the Office is the final Department decision with regard to lesser sanctions in paragraphs (b)(1)(i) through (iv) of this section.

(c) Suspension. (1) Upon a finding that a sponsor has committed a serious act of omission or commission which has or could have the effect of endangering the health, safety, or welfare of an exchange visitor, or of damaging the national security interests of the United States, the Office may serve the sponsor with written notice of its decision to suspend the designation of the sponsor’s program for a period not to exceed one hundred twenty (120) days.
Such notice must specify the grounds for the sanction and the effective date thereof, advise the sponsor of its right to oppose the suspension, and identify the procedures for submitting a statement of opposition thereto. Suspension under this paragraph need not be preceded by the imposition of any other sanction or notice.

(2)(i) Within five (5) days after service of such notice, the sponsor may submit to the Principal Deputy Assistant Secretary for Educational and Cultural Affairs (Principal Deputy Assistant Secretary, or PDAS) a statement in opposition to the Office’s decision. Such statement may not exceed 20 pages in length, double-spaced and, if appropriate, may include additional documentary material. A sponsor shall include with all documentary material an index of the documents and a summary of the relevance of each document presented. The submission of a statement in opposition to the Office’s decision will not serve to stay the effective date of the suspension.

(ii) Within five (5) days after receipt of, and upon consideration of, such opposition, the Principal Deputy Assistant Secretary shall confirm, modify, or withdraw the suspension by serving the sponsor with a written decision. Such decision must specify the grounds therefore, and advise the sponsor of the procedures for requesting review of the decision.

(iii) All materials the sponsor submits will become a part of the sponsor’s file with the Office.

(3) The procedures for review of the decision of the Principal Deputy Assistant Secretary are set forth in paragraphs (d)(3) and (4), (g), and (h) of this section, except that the submission of a request for review will not serve to stay the suspension.

(d) Revocation of designation. (1) Upon a finding of any act or omission set forth at paragraph (a) of this section, the Office may serve a sponsor with not less than thirty (30) days’ written notice of its intent to revoke the sponsor’s Exchange Visitor Program designation. Such notice must specify the grounds for the proposed sanction and its effective date, advise the sponsor of its right to oppose the proposed sanction, and identify the procedures for submitting a statement of opposition thereto. Revocation of designation under this paragraph need not be preceded by the imposition of any other sanction or notice.

(2)(i) Within ten (10) days after service of such written notice of intent to revoke designation, the sponsor may submit to the Principal Deputy Assistant Secretary a statement in opposition to or mitigation of the proposed sanction, which may include a request for a meeting.

(ii) The submission of such statement will serve to stay the effective date of the proposed sanction pending the decision of the Principal Deputy Assistant Secretary.

(iii) The Principal Deputy Assistant Secretary shall provide a copy of the statement in opposition to or mitigation of the proposed sanction to the Office. The Office shall submit a statement in response, and shall provide the sponsor with a copy thereof.

(iv) A statement in opposition to or mitigation of the proposed sanction, or statement in response thereto, may not exceed 25 pages in length, double-spaced and, if appropriate, may include additional documentary material. Any additional documentary material may include an index of the documents and a summary of the relevance of each document presented.

(v) Upon consideration of such statements, the Principal Deputy Assistant Secretary shall modify, withdraw, or confirm the proposed sanction by serving the sponsor with a written decision. Such decision shall specify the grounds therefore, identify its effective date, advise the sponsor of its right to request a review, and identify the procedures for requesting such review.

(vi) All materials the sponsor submits will become a part of the sponsor’s file with the Office.

(3) Within ten (10) days after service of such written notice of the decision of the Principal Deputy Assistant Secretary, the sponsor may submit a request for review with the Principal Deputy Assistant Secretary. The submission of such request for review will serve to stay the effective date of the decision pending the outcome of the review.
(4) Within ten (10) days after receipt of such request for review, the Department shall designate a panel of three Review Officers pursuant to paragraph (g) of this section, and the Principal Deputy Assistant Secretary shall forward to each panel member all notices, statements, and decisions submitted or provided pursuant to the preceding paragraphs of paragraph (d) of this section. Thereafter, the review will be conducted pursuant to paragraphs (g) and (h) of this section.

(e) Denial of application for redesignation. Upon a finding of any act or omission set forth at paragraph (a) of this section, the Office may serve a sponsor with not less than thirty (30) days’ written notice of its intent to deny the sponsor’s application for redesignation. Such notice must specify the grounds for the proposed sanction and its effective date, advise the sponsor of its right to oppose the proposed sanction, and identify the procedures for submitting a statement of opposition thereto. Denial of redesignation under this section need not be preceded by the imposition of any other sanction or notice. The procedures for opposing a proposed denial of redesignation are set forth in paragraphs (d)(2), (d)(3), (d)(4), (g), and (h) of this section.

(f) Responsible officers. The Office may direct a sponsor to suspend or revoke the appointment of a responsible officer or alternate responsible officer for any of the reasons set forth in paragraph (a) of this section. The procedures for suspending or revoking a responsible officer or alternate responsible officer are set forth at paragraphs (d), (g), and (h) of this section.

(g) Review officers. A panel of three Review Officers shall hear a sponsor’s request for review pursuant to paragraphs (c), (d), (e), and (f) of this section. The Under Secretary of State for Public Diplomacy and Public Affairs shall designate one senior official from an office reporting to him/her, other than from the Bureau of Educational and Cultural Affairs, as a member of the Panel. The Assistant Secretary of State for Consular Affairs and the Legal Adviser shall each designate one senior official from their bureaus as members of the Panel.

(h) Review. The Review Officers may affirm, modify, or reverse the sanction imposed by the Principal Deputy Assistant Secretary. The following procedures shall apply to the review:

(1) Upon its designation, the panel of Review Officers shall promptly notify the Principal Deputy Assistant Secretary and the sponsor in writing of the identity of the Review Officers and the address to which all communications with the Review Officers shall be directed.

(2) Within fifteen (15) days after service of such notice, the sponsor may submit to the Review Officers four (4) copies of a statement identifying the grounds on which the sponsor asserts that the decision of the Principal Deputy Assistant Secretary should be reversed or modified. Any such statement may not exceed 25 pages in length, double-spaced; and any attachments thereto shall not exceed 50 pages. A sponsor shall include with all attachments an index of the documents and a summary of the relevance of each document presented. The Review Officers shall transmit one (1) copy of any such statement to the Principal Deputy Assistant Secretary, who shall, within fifteen (15) days after receipt of such statement, submit four (4) copies of a statement in response. Any such statement may not exceed 25 pages in length, double-spaced; and any attachments thereto shall not exceed 50 pages. The Principal Deputy Assistant Secretary shall include with all attachments an index of the documents and a summary of the relevance of each document presented. The Review Officers shall transmit one (1) copy of any such statement to the sponsor. No other submissions may be made unless specifically authorized by the Review Officers.

(3) If the Review Officers determine, in their sole discretion, that a meeting for the purpose of clarification of the written submissions should be held, they shall schedule a meeting to be held within twenty (20) days after the receipt of the last written submission. The meeting will be limited to no more than two (2) hours. The purpose of the meeting will be limited to the clarification of the written submissions. No
transcript may be taken and no evidence, either through documents or by witnesses, will be received. The sponsor and the representative of the Principal Deputy Assistant Secretary may attend the meeting on their own behalf and may be accompanied by counsel.

(4) Following the conclusion of the meeting, or the submission of the last written submission if no meeting is held, the Review Officers shall promptly review the submissions of the sponsor and the Principal Deputy Assistant Secretary, and shall issue a signed written decision within thirty (30) days, stating the basis for their decision. A copy of the decision will be delivered to the Principal Deputy Assistant Secretary and the sponsor.

(5) If the Review Officers decide to affirm or modify the sanction, a copy of their decision shall also be delivered to the Department of Homeland Security and to the Bureau of Consular Affairs of the Department of State. The Office, at its discretion, may further distribute the decision.

(6) Unless otherwise indicated, the sanction, if affirmed or modified, is effective as of the date of the Review Officers’ written decision, except in the case of suspension of program designation, which is effective as of the date specified pursuant to paragraph (c) of this section.

(i) Effect of suspension, revocation, or denial of redesignation. A sponsor against which an order of suspension, revocation, or denial of redesignation has become effective may not thereafter issue any Certificate of Eligibility for Exchange Visitor (J–1) Status (Form DS–2019) or advertise, recruit for, or otherwise promote its program. Under no circumstances shall the sponsor facilitate the entry of an exchange visitor into the United States. An order of suspension, revocation, or denial of redesignation will not in any way diminish or restrict the sponsor’s legal or financial responsibilities to existing program applicants or participants.

(j) Miscellaneous—(1) Computation of time. In computing any period of time prescribed or allowed by these regulations, the day of the act or event from which the designated period of time begins to run is not included. The last day of the period so computed is included unless it is a Saturday, a Sunday, or a Federal legal holiday, in which event the period runs until the end of the next day which is not one of the aforementioned days. When the period of time prescribed or allowed is fewer than eleven (11) days, intermediate Saturdays, Sundays, or Federal legal holidays are excluded in the computation.

(2) Service of notice to sponsor. Service of notice to a sponsor pursuant to this section may be accomplished through written notice by mail, delivery, or facsimile, upon the president, chief executive officer, managing director, General Counsel, responsible officer, or alternate responsible officer of the sponsor.

§ 62.60 Termination of designation

Designation will be terminated upon the occurrence of any of the circumstances set forth in this section.

(a) Voluntary termination. A sponsor notifies the Department of its intent to terminate its designation voluntarily and withdraws its program in SEVIS via submission of a “cancel program” request. The sponsor’s designation shall terminate upon submission of such notification. Such sponsor may apply for a new program designation.

(b) Inactivity. A sponsor fails to comply with the minimum program size or duration requirements, as specified in §62.8 (a) and (b), in any 12-month period. Such sponsor may apply for a new program designation.

§ 62.62 Termination of, or denial of re-designation for, a class of designated programs.

The Department may, in its sole discretion, determine that a class of designated programs compromises the national security of the United States or no longer furthers the public diplomacy mission of the Department of State. Upon such a determination, the Office shall:

(a) Give all sponsors of such class of designated programs not less than thirty (30) days’ written notice of the revocation of Exchange Visitor Program designsations for such programs, specifying therein the grounds and effective date for such revocations; or

(b) Give any sponsor of such class of designated programs not less than thirty (30) days’ written notice of its denial of the sponsor’s application for redesignation, specifying therein the grounds for such denial and effective date of such denial. Revocation of designation or denial of redesignation on the above-specified grounds for a class of designated programs is the final decision of the Department.

§ 62.63 Responsibilities of the sponsor upon termination or revocation.

Upon termination or revocation of its program designation, a sponsor must:

(a) Fulfill its responsibilities to all exchange visitors who are in the United States at the time of the termination or revocation; and

Subpart F—Student and Exchange Visitor Information System (SEVIS)

§ 62.70 SEVIS reporting requirements.

(a) Enrollment and initial use of SEVIS. Sponsors shall apply for enrollment in SEVIS no later than December 16, 2002. Upon notification that they have been successfully enrolled in SEVIS, sponsors shall:

(1) Create a SEVIS record for any program participant seeking visa issuance or for whom an extension, transfer, change of category, or reinstatement request is sought;

(2) Create a SEVIS record to replace a previously issued but lost or stolen
copy of a participant’s Form IAP–66 or Form DS–2019;
(3) Create a SEVIS record if an amendment or change is made in the start or end date of a program participant’s program;
(4) Create a SEVIS record for a program participant’s accompanying spouse and all accompanying dependent children if a SEVIS record has been created for the participant;
(5) Utilize SEVIS to up-date information on any participant, spouse, or dependent child for whom a SEVIS record has been created; and
(6) No later than August 1, 2003, create a separate SEVIS record for each participant, accompanying spouse and dependent child that will continue to have Exchange Visitor Program participant status after August 1, 2003.

(b) **Current U.S. address.** Sponsors shall ensure that the actual and current U.S. address of all sponsored participants is reported to SEVIS. Sponsors shall update the actual and current U.S. address information for participants within 21 days of being notified by a participant of a change in his or her address. A sponsor’s failure to update the actual and current U.S. address information within 21 days of receipt may be grounds for revocation of their Exchange Visitor Program status. Sponsors shall report a U.S. mailing address, i.e., P.O. box address, in those limited circumstances where mail cannot be delivered to the current and actual U.S. address. If a U.S. mailing address is reported to SEVIS, sponsors shall also maintain a record of the actual and current U.S. address, e.g., dorm, building and room number, for that exchange visitor.

(c) **Notification to program participants.** Sponsors shall notify all participants in their exchange visitor program and accompanying spouse and dependent children that any change in the U.S. address must be reported to the sponsor within 10 days of such change. (d) **Validation of program participation.** Sponsors shall within 30 calendar days of a program participant’s start date verify that the participant has begun their program participation.

§ 62.73 **Academic training.**

(b) The responsible officer or alternate responsible officer shall update the exchange visitor’s SEVIS record to reflect the details of such employment pursuant to §62.23(g)(1). An update of the SEVIS record constitutes compliance with §62.23(g)(2)(iv).

§ 62.75 Extension of program participation.

(a) A sponsor may extend an exchange visitor’s participation in the Exchange Visitor Program up to the limit of the permissible period of participation authorized for the specified program category by entering a new end program date and an optional comment—all other information collected on a DS–2019 will be automatically completed by SEVIS.

(1) A sponsor extending the program of an exchange visitor who is not currently listed in the SEVIS database is required to create a record for the exchange visitor. In creating the exchange visitor’s SEVIS record, the sponsor shall issue the exchange visitor (and accompanying spouse and any dependent children) a duly executed Form DS–2019 reflecting such extension.

(2) When creating a SEVIS record for a “continuing exchange visitor,” the initial program start date and Form number taken from the non-SEVIS Form IAP–66 or DS–2019 issued to begin new program.

(b) Current sponsor and transfer sponsor shall communicate appropriately to ensure an uninterrupted transfer, continuous status of the exchange visitor and proper change of address reporting and shall utilize the provisions of this section to effect such transfer.

(1) SEVIS-to-SEVIS transfer. When both the transfer and current sponsors are enrolled in SEVIS, a transfer is enacted as follows:

(i) The nonimmigrant shall notify the current sponsor of the intention to transfer.

(ii) Upon verification of the current status and eligibility to transfer by the transfer sponsor, the current sponsor shall update the exchange visitor’s record by processing a “transfer out” in SEVIS. The current sponsor must enter the name and program number of the transfer sponsor and the effective date of transfer. The “transfer out” process gives the transfer sponsor access to the SEVIS record of the exchange visitor (and accompanying spouse and any dependent children).

(iii) The transfer sponsor shall initiate a “transfer in,” issue a Form DS–2019 for the exchange visitor (and accompanying spouse and any dependent children).
children), and advise the exchange visitor of the effective date of transfer.

(iv) The exchange visitor shall report to the transfer sponsor in a manner and at a time specified by the transfer sponsor, and shall provide updated U.S. address information.

(v) The transfer sponsor shall validate the exchange visitor’s participation in its program within 30 calendar days of the effective date of transfer and update the exchange visitor’s current U.S. address.

(2) Non-SEVIS to SEVIS transfer: When the transfer sponsor is enrolled in SEVIS but the current sponsor is not, the transfer is enacted as follows:

(i) The nonimmigrant shall notify the current sponsor of the intention to transfer.

(ii) Upon verification of current status and eligibility to transfer, the transfer sponsor shall create a non-SEVIS Form DS–2019 and submit it to the transfer sponsor for the release of the exchange visitor by acquiring a signature in Section 8 of the Form.

(iii) The transfer is required to update the exchange visitor’s SEVIS record by recording the effective date of transfer; name and program number of the transfer sponsor; and, name of the responsible officer/alternate responsible officer of the transfer (non-SEVIS) sponsor requesting the transfer as noted on the four-color, four-page paper Form DS–2019.

(iv) The transfer sponsor will provide the exchange visitor with the pink copy of the Form DS–2019 and submit the yellow copy of the form to the Department.

§ 62.77 Reinstatement.

(1) The responsible officer must submit an electronic request for reinstatement to the Department through SEVIS.

(2) The responsible officer must print a copy of the reinstatement request (draft copy of the Form DS–2019) from the SEVIS system.

(3) The responsible officer must submit the official request along with the required supporting documentation justifying the reinstatement and the required, non-reimbursable fee (refer to §62.90-Fee) to the Department within 30 calendar days of the SEVIS submission date.

(4) The Department will review the request. If approved, the Department will enter the approval in SEVIS, thereby opening the file so that the responsible officer may print a Form DS–2019. How is the sponsor going to know they received an answer to their request? The Department’s approval is required before a Form DS–2019 can be printed. What happens if the request is denied?

(b) An exchange visitor (and the accompanying spouse and any dependent children) who failed to submit a change of current U.S. address as required under §62.63 is in violation of the Exchange Visitor Program regulations.
and is not eligible for reinstatement. The Department will deny any such application for reinstatement.

(c) An exchange visitor (and accompanying spouse and any dependent children) who is ineligible for reinstatement or whose request for reinstatement has been denied is no longer an Exchange Visitor Program participant. He or she cannot remain in the United States unless another lawful immigration status is obtained.

§ 62.78 Termination.

(c) Advance of funds. Advance of funds including per diem.

(d) Maintenance allowance. A maintenance allowance at a rate to be specified in each grant.

(e) Tuition. Tuition and related fees for approved courses of study.

(f) Books and educational materials allowance. A reasonable allowance for books and educational materials.

(g) Tutoring assistance. Special tutoring assistance in connection with approved courses of study.

§ 63.9 General provisions.

The following provisions shall apply to the foregoing regulations:

(a) Health and accident insurance. Payment for the costs of health and accident insurance for United States and foreign participants while such participants are enroute or absent from their homes for purposes of participation in the program when authorized by the Agency.

(b) Transportation of remains. Payments for the actual expenses of preparing and transporting to their former homes the remains of persons not United States Government employees, who may die away from their homes while participating in the program are authorized.

(c) Maxima not controlling. Payments and allowances may be made at the rate or in the amount provided in the regulations in this part unless an individual grant or travel order specifies that less than the maximum will be allowed under any part of the regulation in this part. In such case, the grant or travel order will control.

(d) Individual authorization. Where the regulations in this part provide for compensation, allowance, or other payment, no payment shall be made therefor unless a definite amount or basis of payment is authorized in the individual case, or is approved as provided in paragraph (f) of this section.

(e) Computation of per diem and allowance. In computing per diem and allowance payable while on a duty assignment, except for travel performed under the Federal Travel Regulations, fractional days shall be counted as full days, the status at the end of the calendar day determining the status for the entire day.
(f) Subsequent approval. Whenever without prior authority expense has been incurred by a participant, or an individual has commenced his or her participation in the program as contemplated by the regulations in this part, the voucher for payments in connection therewith may be approved by an official designated for this purpose, such approval constituting the authority for such participation or the incurring of such expense.

(g) Additional authorization. Any emergency, unusual or additional payment deemed necessary under the program if allowable under existing authority, may be authorized whether or not specifically provided for by this part.

(h) Biweekly payment. Unless otherwise specified in the grant, all compensation and allowance for United States participants shall be payable biweekly and shall be computed as follows: An annual rate shall be derived by multiplying a monthly rate by 12; a biweekly rate shall be derived by dividing an annual rate by 26; and a calendar day rate shall be derived by dividing an annual rate by 364. If any maximum compensation or allowance authorized by these regulations or by the terms of any grant is exceeded by this method of computation and payment, such excess payment is hereby authorized. This paragraph may apply to payments made to participants from funds administered as provided in § 515.2(a) and (b) in the discretion of the department, agency, independent establishment, institution, facility, or organization concerned.

(i) Payments. Payments of benefits authorized under any part of the regulations in this part may be made either by the Department of State or by such department, agency, institution, or facility as may be designated by the Agency.

(j) Duration. The duration of the grant shall be specified in each case.

(k) Cancellation. If a recipient of a grant under this program fails to maintain a satisfactory record or demonstrates unsuitability for furthering the purposes of the program as stated in §515.1(a), his or her grant shall, in the discretion of the Secretary of State of the Department of State or such officer as he or she may designate, be subject to cancellation.

(l) Outstanding grant authorization. Grants and other authorizations which are outstanding and in effect on the date the present regulations become effective, and which do not conform to this part, shall nevertheless remain in effect and be governed by the regulations under which they were originally issued, unless such grants or other authorizations are specifically amended and made subject to the present regulations in which case the individual concerned will be notified.

This part sets forth the procedures for the application for approval of a cultural exchange program of a foreign government, so that Federal employees may participate in such program; the grant and termination of such approval; and related procedures.

§ 64.2 Definitions.

For the purpose of this part:
(a) **Federal employee** means: (1) An employee as defined by section 2105 of title 5, United States Code; (2) an individual employed by, or occupying an office or position in, the government of a territory or possession of the United States or the District of Columbia; (3) a member of a uniformed service; (4) the President and Vice President; and (5) a Member of the Senate or the House of Representatives, a Delegate from the District of Columbia in Congress, and the Resident Commissioner from Puerto Rico in Congress.

(b) A **foreign government** means a foreign government and an official agent or representative thereof; a group of governments and an official agent or representative thereof; an international organization composed of governments, and an official agent or representative thereof.

(c) A program of the type described in section 102(a)(2)(i) of the Act means a cultural exchange program involving “visits and interchanges between the United States and other countries of leaders, experts in fields of specialized knowledge or skill, and other influential or distinguished persons.”

(d) The “purpose stated in section 101 of the Act” is “to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of the other countries by means of educational and cultural exchange; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations, and the contributions being made toward a peaceful and more fruitful life for people throughout the world; to promote international cooperation for educational and cultural advancement; and thus to assist in the development of friendly, sympathetic, and peaceful relations between the United States and the other countries of the world.”

(e) **Secretary of State** means the Secretary of State of the Department of State.

(f) **Department of State** means the Department of State.

(g) **Act** means the Mutual Educational Cultural Exchange Act of 1961, as amended (22 U.S.C. 2451 et seq.).

(h) **Member of the family or household** of a Federal employee means a relative of the employee by blood, marriage, or adoption or any person who is a resident of the household of the employee.

§ 64.3 Submission of application.

A foreign government intending to provide grants or other assistance to facilitate the participation of Federal employees in a program of cultural exchange shall submit to the Department of State an application for approval of the program through its embassy, mission, or office at Washington, D.C. If there is no embassy, mission, or office at Washington, D.C., of the foreign government the application may be submitted by the home office or headquarters of the foreign government. The application shall be addressed to the Secretary of State.

§ 64.4 Contents of application.

The foreign government shall provide information in the application showing that its program meets the criteria set forth in §518.5, and shall include in such application the following:

(a) Name and description of the program and the provisions of legislation or regulation authorizing the program;

(b) Number of annual U.S. citizen participants expected, including the number of U.S. Federal employees;

(c) Average duration of stay abroad;

(d) Department of State of the foreign government responsible for the program;

(e) Name and address of contact in the United States with whom communication may be made with respect to the program; in the absence of such a contact in the United States, the name and address of a contact in the home office or headquarters of the foreign government.

§ 64.5 Criteria for approval of program.

To obtain approval of its program of cultural exchanges, a foreign government is required to show that:
(a) The cultural exchange program is of the type described in section 102(a)(2)(i) of the Act;  
(b) The cultural exchange program is conducted for a purpose comparable to the purpose stated in section 101 of the Act; and  
(c) A grant under such program will not provide assistance with respect to any expenses incurred by or for any member of the family or household of such Federal employee.

§ 64.6 Request for further information.

The Department of State may request the foreign government to supply additional information.

§ 64.7 Approval of application.

The Secretary of State shall review the application and if satisfied that the criteria of § 516.5 are met shall inform the foreign government of the approval of its program.

§ 64.8 Obligation of employee to advise agency.

Any Federal employee receiving any offer of a grant or other assistance under a cultural exchange program approved by the Secretary of State shall advise the employee’s agency of such offer and shall not accept such offer unless the employee’s agency states that it has no objection to such acceptance. In the case of the Department, an employee shall advise the DAEO who may, after consultation with appropriate officials of the Department, furnish a “no objection” statement.

§ 64.9 Termination of approval.

If, at any time, it appears to the Secretary of State that the purpose of a program which has been approved has been changed so that it no longer meets the criteria of § 516.5 or that the program is being misused, the Secretary of State may terminate such approval, or suspend such approval pending the supplying of additional information. However, a termination or suspension shall not affect a grant which has been made under a previously approved program.

§ 64.10 Grant not to constitute a gift.

A grant made under an approved program shall not constitute a gift for purposes of 22 CFR 10.735-203 and section 7342 of title 5, United States Code.

PART 65—FOREIGN STUDENTS

§ 65.1 Regulations to be drafted.

Subject to the provisions and requirements of this part, appropriate administrative regulations shall be drafted by each executive department or agency of the Government which maintains and administers educational institutions and schools coming within the scope of the legislation. Such regulations shall carefully observe the limitations imposed by the Act of June 24, 1938, and shall in each case include:

(a) A list of the institutions and courses in the department or agency concerned in which instruction is available under the terms of the legislation.  
(b) A statement of the maximum number of students of the other American republics who may be accommodated in each such institution or course at any one time.  
(c) A statement of the qualifications to be required of students of the other American republics for admission, including examinations, if any, to be passed.  
(d) Provisions to safeguard information that may be vital to the national defense or other interests of the United States.
§ 65.2 Applications.

Applications for citizens of the other American republics to receive the instruction contemplated by the Act of June 24, 1938, shall be made formally through diplomatic channels to the Secretary of State of the Department of State by the foreign governments concerned.

§ 65.3 Reference of applications.

The Secretary of State of the Department of State shall refer the applications to the proper department or agency of the Government for advice as to what reply should be made to the application.

§ 65.4 Copies of regulations to Department of State.

In order to enable the Secretary of State of the Department of State to reply to inquiries received from the governments of the other American republics, the Department of State shall be promptly supplied with copies of the regulations drafted by the other departments and agencies of the Government and of subsequent amendments thereto.

§ 65.5 Granting of application.

Upon receipt of a reply from another department or agency of the Government, as contemplated by § 517.3, in which it is recommended that an application be granted, the Secretary of State of the Department of State shall notify the government of the American republic concerned, through diplomatic channels, that permission to receive the instruction requested in the application is granted, provided the applicant complies with the terms of this part and with the terms of the administrative regulations of the department or agency concerned.

PART 66—AVAILABILITY OF THE RECORDS OF THE NATIONAL ENDOWMENT FOR DEMOCRACY

§ 66.3 Places at which forms and instructions for use by the public may be obtained.

§ 66.4 Availability of final opinions, orders, policies, interpretations, manuals and instructions.

§ 66.5 Availability of NED records.

§ 66.6 Exemptions.

§ 66.7 Limitation of exemptions.

§ 66.8 Reports.

§ 66.1 Introduction.

These regulations amend the Code of Federal Regulations to conform with Pub. L. 99-93. Pub. L. 99-93 amended the National Endowment for Democracy Act (22 U.S.C. 4411, et. seq.) to require the National Endowment for Democracy (hereinafter “NED”) to comply fully with the provisions of the Freedom of Information Act (5 U.S.C. 552) (hereinafter “FOIA”), notwithstanding that NED is not an agency or establishment of the United States Government. NED will make information about its operation, organization, procedures and records available to the public in accordance with the provisions of FOIA.

§ 66.2 Location of description of organization and substantive rules of general applicability adopted as authorized by law, and statements of general applicability formulated and adopted by NED.

See 22 CFR part 527 for a description of the organization of NED and substantive rules of general applicability formulated and adopted by NED.

§ 66.3 Places at which forms and instructions for use by the public may be obtained.

(a) All forms and instructions pertaining to procedures under FOIA may be obtained from the FOIA officer of the National Endowment for Democracy, 1101 15th St., NW; Suite 700, Washington, D.C. 20005-5000.

(b) Grant guidelines may be obtained from the Program Office of NED to the
§ 66.4 Availability of final opinions, orders, policies, interpretations, manuals and instructions.

NED is not an adjudicatory organization and therefore does not issue final opinions and orders made in the adjudication of cases. NED will, however, in accordance with the rules in this section and §526.7, make available for public inspection and copying those statements of policy and interpretation that have been adopted by NED and are not published in the Federal Register, and administrative staff manuals and instructions to staff that affect any member of the public.

(a) Deletion to protect privacy. To the extent required to prevent a clearly unwarranted invasion of personal privacy, NED may delete identifying details when it makes available or publishes a statement of policy, interpretation, or staff manual or instruction. Whenever NED finds any such deletion necessary, the responsible officer or employee must fully explain the justification therefor in writing.

(b) Current index. NED will maintain and make available on its premises for public inspection and copying a current index providing identifying information for the public as to any matter issued, adopted or promulgated after July 4, 1967, and required by this section to be made available or published. NED will provide copies on request at a cost of $0.15 per page.

§ 66.5 Availability of NED records.

Except with respect to the records made available under §526.4, NED will, upon request that reasonably describes records in accordance with the requirements of this section, and subject to the exemptions listed in 5 U.S.C. 552(b), make such records promptly available to any person.

(a) Requests for records—How made and addressed. (1) Requesters seeking access to NED records under FOIA should direct all requests in writing to: Freedom of Information Act Officer, National Endowment for Democracy, 1101 15th St., NW; Suite 700, Washington, D.C. 20005–5000.

Although requesters are encouraged to make their requests for access to NED records directly to NED, requests for access to NED records also may be submitted to Department of State’s Office of General Counsel and Congressional Liaison at the following address: Freedom of Information/Privacy Acts Coordinator, U.S. Information Agency, Room M–04, 301 Fourth Street SW., Washington, DC 20547.

(2) Appeals of denials of initial requests must be addressed to NED in the same manner or to the Department of State pursuant to the procedures set forth at part 171 of this Title, with the addition of the word “APPEAL” preceding the address on the envelope. Appeals addressed directly to the Department of State will not be deemed to have been received by NED for purposes of the time period set forth in 5 U.S.C. 552(a)(6)(A)(1) until actually received by NED. The Department of State shall forward any appeal received by it to NED within 2 working days from the actual day of receipt by the Department of State.

(3) The request letter should contain all available data concerning the desired records, including a description of the material, dates, titles, authors, and other information that may help identify the records. The first paragraph of a request letter should state whether it is an initial request or an appeal.

(b) Administrative time limits. (1) Within 10 working days after NED’s receipt of any request for access to NED records in compliance with paragraph (a) of this section, NED shall make an initial determination whether to provide the requested information and NED shall notify the requester in writing of its initial determination. In the event of an adverse determination, notification shall include the reasons for the adverse determination, the officials responsible for such determination, the right of the requester to appeal within NED, and that the final determination by NED to deny a request for records in whole or in part shall be submitted to the Secretary of State of Department of State.
Department of State § 66.5

of State for review. NED shall also provide Department of State a copy of its response as soon as practicable after it responds to the requester.

(2) When a request for records has been denied in whole or in part, the requester may, within 30 days of the date of receipt by the requester of the adverse determination from NED, appeal the denial to the President of NED or his designee, who will make a determination whether to grant or deny such appeal within 20 working days of receipt thereof. All appeals should be addressed in compliance with paragraph (a) of this section. If on appeal, the denial of the request for records is upheld, in whole or in part, NED shall notify the requester in writing of such determination, the reasons therefor, the officials responsible for such determination, the right of the requester to judicial review, and that the final determination by NED whether to deny a request for records in whole or in part shall be submitted to the Secretary of State of Department of State for review.

(3) If the requester elects not to appeal to the President of NED or his designee within the appeal period specified above, NED’s initial determination will become the final NED determination upon expiration of said appeal period or receipt by NED of notice from the requester that he does not elect to appeal, whichever is earlier. If the requester chooses to appeal NED’s initial determination within NED, the decision on appeal will become NED’s final determination.

(4)(i) Once NED’s determination to deny a request in whole or in part becomes final, NED shall submit a report to the Secretary of State of Department of State explaining the reasons for such denial no later than 5 working days thereafter.

(ii) The Secretary of State of Department of State shall review NED’s final determination within 20 working days. If the Secretary of State or his designee approves NED’s denial in whole or in part, Department of State shall inform the requester and NED in writing of such determination, the reasons therefor, the officials responsible for such determination, and the right of the requester to judicial review of NED’s determination. In the event of such a determination, Department of State shall assume full responsibility, including financial responsibility, for defending NED in any litigation relating to such request.

(iii) If the Secretary of State of Department of State or his designee disapproves NED’s denial in whole or in part, Department of State shall promptly notify NED and thereafter NED shall promptly comply with the request for the pertinent records.

(iv) Because review by the Secretary of State of Department of State may resolve any dispute over access to NED records in the requester’s favor, the requester is encouraged (but not required) to wait for the determination on review by the Secretary of State of Department of State before seeking judicial review of NED’s final determination.

(5) In unusual circumstances as defined in 5 U.S.C. 552(a)(6)(B), the time limit provisions noted in paragraphs (b)(1) and (b)(2) of this section may be extended by written notice to the requester setting forth the reasons for such extension and the date on which a determination can be expected. Such extensions of the time limits may not exceed 10 working days in the aggregate.

(6) Any person making a request for records pursuant to §526.5 may consider administrative remedies exhausted if NED fails to comply within the applicable time limits set forth in this section. When no determination can be dispatched within the applicable time limits set forth in this section, NED shall nevertheless continue to process the request. On the expiration of the time limit, NED shall inform the requester of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of the requester’s right to treat the delay as a denial and of the requester’s right to appeal. NED may ask the requester to forego appeal until a determination is made. A copy of any such notice of delay will be sent to the Secretary of State of Department of State or to his designee no later than 2 working days after it has been sent to the requester. A court may retain jurisdiction and
allow NED additional time to complete its review of the records, if it can be determined that exceptional circumstances exist and that NED is exercising due diligence in responding to the request.

(c) Definitions governing schedule of standard fees and fee waivers. For purposes of these regulations governing fees and fee waivers:

1. All of the terms defined in FOIA apply;

2. A statute specifically providing for setting the level of fees for particular types of records means any statute that specifically requires the NED to set the level of fees for particular types of records;

3. The term direct costs means those expenditures that NED actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents, photographs, drawings or any other material to respond to a FOIA request. [Direct costs include the salary of the employee performing the work (the basic rate of pay for the employee plus 16% of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, any heating or lighting, the facility in which the records are stored];

4. The term search includes all time spent looking for material that is responsive to a request, including page by page or line by line identification of material within documents. Searches shall be conducted to ensure that they are undertaken in the most efficient and least expensive manner so as to minimize costs for both NED and the requester. "Search" is distinguished from "review" of material in order to determine whether the material is exempt from disclosure (see subparagraph (c)(6) below);

5. The term duplication refers to the process of making a copy of a document, drawing, photograph, or any other material necessary to respond to a FOIA request. The copy provided by NED will be in a form that is reasonably usable by requesters;

6. The term review refers to the process of examining documents that are located in response to a request that is for a commercial use (see subparagraph (c)(7) below) to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions;

7. The term 'commercial use' requests refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, NED will determine the use to which a requester will put the documents requested. Where NED has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, NED will seek additional clarification before assigning the request to a specific category;

8. The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, that operates a program or programs of scholarly study and/or research;

9. The term non-commercial scientific institution refers to an institution that is not operated on a "commercial" basis as that term is referenced in paragraph (c)(7) of this section and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry;

10. The term representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations that broadcast to the public at large,
Department of State

§ 66.5

and publishers of periodicals (but only in those instances when they can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. In the case of "free-lance" journalists, such journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization even though they are not actually employed by a news organization. A publication contract would be the clearest proof, but NED will also look to the past publication record of a requester in making this determination.

(d) Fees to be charged—general. NED shall charge fees that recoup the full allowable direct costs it incurs. NED shall use the most efficient and least costly methods to comply with requests for documents, drawings, photographs, and any other materials made under the FOIA.

(e) Specific fees. The specific fees for which NED shall charge the requester when so required by the FOIA are as follows:

(1) Manual searches for records—$8.00 per hour for clerical personnel; $15.00 per hour for supervisory personnel;

(2) Computer searches for records—In any case where a computer search is possible and the most efficient means by which to conduct a search, NED will charge the cost of operating the central processing unit for that portion of operating time that is directly attributable to searching for records responsive to a FOIA request and the operator-programmer salary apportionable to the search. The charge for the cost of operator-programmer time shall be based on the salary of the operator-programmer plus 16 percent;

(3) Review of records—Requesters who seek documents for commercial use shall be charged for the time NED spends reviewing records to determine whether such records are exempt from mandatory disclosure. These charges shall be assessed only for the initial review; i.e., the review undertaken the first time NED analyzes the applicability of a specific exemption to a particular record or portion of a record. Neither NED nor the Department of State will charge for review at the administrative appeal level for an exemption already applied. However, NED will charge for review of records or portions of records withheld in full under an exemption that is subsequently determined not to apply. The fee for review as that term is used in these regulations shall be $15.00 per hour;

(4) Duplication of records—(i) making photocopies—15¢ per page; (ii) for copies prepared by computer, such as tapes or printouts, NED shall charge the actual cost, including operator time, of production of the tape or printout; (iii) for other methods of reproduction or duplication, NED shall charge the actual direct costs of producing the document(s);

(5) Other charges—(i) there shall be no fee for a signed statement of non-availability of a record; (ii) NED will not incur expenses arising out of sending records by special methods such as express mail;

(f) Fees to be charged—categories of requesters. There are four categories of FOIA requesters: commercial use requesters; educational and non-commercial scientific institutions; representatives of the news media; and all other
requesters. The fees to be charged each of these categories of requesters are as follows:

(1) Commercial use requesters—when NED receives a request for documents for commercial use, it shall assess charges that recover the full direct costs of searching for, reviewing for release, and duplicating the records sought. Commercial use requesters are entitled to neither two hours of free search time nor 100 free pages of reproduction of documents. NED shall recover the cost of searching for and reviewing records even if there is ultimately no disclosure of records. Requesters must reasonably describe the records sought;

(2) Educational and non-commercial scientific institution requesters—NED shall provide documents to educational and non-commercial scientific institution requesters for the cost of reproduction alone, excluding charges for the first 100 pages of duplication. To be eligible for inclusion in this category, requesters must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. Requesters must reasonably describe the records sought;

(3) Requesters who are representatives of the news media—NED shall provide documents to requesters who are representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must meet the criteria in subsection (c)(10) above, and the request must not be made for a commercial use. A request for records supporting the news-dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters must reasonably describe the records sought;

(4) All other requesters—NED shall charge requesters who do not fit into any of the above categories those fees that recover the full reasonable direct costs of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Requesters must reasonably describe the records sought.

(g) Assessment and collection of fees. (1) NED shall assess interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. The fact that the fee has been received by NED, even if not processed, will suffice to stay the accrual of interest. Interest will be at the rate prescribed in section 3717 of title 31 of the United States Code and will accrue from the date of the billing.

(2) Charges for unsuccessful searches—If NED estimates that search charges are likely to exceed $25.00, it shall notify the requester of the estimated amount of fees unless the requester has indicated in advance a willingness to pay fees as high as those anticipated. Such notice shall offer the requester the opportunity to confer with agency personnel with the object of reformulating the request to meet the requester's needs at a lower cost. Dispatch of such a notice of request shall suspend the running of the period for response by NED until a reply is received from the requester.

(3) Aggregating requests—Except for requests that are for a commercial use, NED shall not charge for the first two hours of search time or for the first 100 pages of reproduction. However, a requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When NED reasonably believes that a requester or a group of requesters acting in concert are attempting to divide a request into a series of requests for the purpose of evading the assessment of fees, NED shall aggregate any such requests and charge accordingly. One element to be considered in determining whether a belief would be reasonable is the time period in which the requests have been made. Before aggregating requests from more than one requester, NED must have a concrete basis on which to conclude that the requesters are acting in concert and are acting specifically to avoid payment of fees. In no case shall
NED aggregate multiple requests on unrelated subjects from one requester.

(4) Advance payments—NED shall not require payment for fees before work has commenced or continued on a request unless:

(i) NED estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250.00. In this event, NED shall notify the requester of the likely cost and may require an advance payment of an amount up to the full amount of estimated charges; or

(ii) A requester has previously failed to pay a fee charged within 30 days of the date of billing.

In this event, NED shall require the requester to pay the full amount owed plus any applicable interest as provided above or demonstrate that he or she has, in fact, paid the fee, and to make an advance payment of the full amount of the estimated fee before NED begins to process a new request or a pending request from that requester.

(iii) When NED acts under paragraphs (g)(4)(i) or (ii) above, the administrative time limits prescribed in subsection (a)(6) of the FOIA will begin only after NED has received fee payments described above.

(5) Form of payment—Remittances shall be in the form of a personal check or bank draft drawn on any bank in the United States, a postal money order, or cash. Remittances shall be made payable to the order of National Endowment for Democracy. NED will assume no responsibility for cash lost in the mail.

(h) Fee waiver or reduction. NED shall furnish documents without charge or at a charge reduced below the fees established by these regulations if disclosure of the information is in the public interest because the disclosure of the information is likely to contribute significantly to public understanding of the operations or activities of government and is not primarily in the commercial interest of the requester. In making a determination under this subsection, NED shall consider these factors in the following order:

(1) Whether the subject of the request for documents concerns the operations or activities of the government. For purposes of determining whether this factor is met:

(i) Records generated by a non-government entity are less likely to respond to a request for documents concerning the operations or activities of the government;

(ii) Records that are sought for their intrinsic informational content apart from their informative value with respect to specific activities or operations of government are less likely to meet this factor.

(2) Whether the information requested is likely to contribute to an understanding of government operations or activities. For purposes of determining whether the request meets this factor:

(i) NED will consider the extent to which the information requested already exists in the public domain;

(ii) NED will consider the extent to which the value of the information relates to an understanding of government operations or activities as opposed to the extent to which the information relates to other subjects.

(3) Whether the information requested will contribute to public understanding of government operations or activities. For purposes of determining whether the request meets this factor:

(i) NED will consider whether the disclosure will contribute to public understanding as opposed to a primarily personal understanding of the requester;

(ii) NED will consider the identity of the requester to determine whether such requester is in a position to contribute to public understanding through disclosure of the information. Requesters shall describe their qualifications to satisfy this consideration;

(iii) NED will consider the expertise of the requester and the extent to which the expertise will enable the requester to extract, synthesize and convey the information to the public. Requesters shall describe their qualifications to satisfy this consideration;

(4) Whether the contribution to public understanding will be significant. In determining whether this factor has been met:

(i) NED will consider whether the public's understanding of the subject
§ 66.6 Exemptions

NED reserves the right to withhold records and information that are exempt from disclosure under FOIA. See 5 U.S.C. 552(b).
§ 66.7 Limitation of exemptions.

FOIA does not authorize withholding of information or limit the availability of NED records to the public except as specifically stated in this part. Nor is authority granted to withhold information from Congress.

§ 66.8 Reports.

On or before March 1 of each calendar year, NED shall submit a reporting covering the preceding calendar year to the Speaker of the House of Representatives and the President of the Senate for referral to the appropriate committees of the Congress. PART 67—ORGANIZATION OF THE NATIONAL ENDOWMENT FOR DEMOCRACY

§ 67.1 Introduction.

(a) The National Endowment for Democracy (hereinafter "NED") was created in 1983 to strengthen democratic values and institutions around the world through nongovernmental efforts. Incorporated in the District of Columbia and governed by a bipartisan Board of Directors, NED is tax-exempt, nonprofit, private corporation as defined in section 501(c)(3) of the Internal Revenue Code. Through its worldwide grant program, NED seeks to enlist the energies and talents of private citizens and groups to work with partners abroad who wish to build for themselves a democratic future.

(b) Since its establishment in 1983, NED has received an annual appropriation approved by the United States Congress as part of the United States Information Agency budget. Appropriations for NED are authorized in the National Endowment for Democracy Act (the "Act"), 22 U.S.C. 4411 et seq.

(c) The activities supported by NED are guided by the six purposes set forth in NED’s Articles of Incorporation and the National Endowment for Democracy Act. These six purposes are:

1. To encourage free and democratic institutions throughout the world through private-sector initiatives, including activities which promote the individual rights and freedoms (including internationally recognized human rights) which are essential to the functioning of democratic institutions;

2. To facilitate exchanges between U.S. private sector groups (especially the two major American political parties, labor and business) and democratic groups abroad;

3. To promote U.S. nongovernmental participation (especially through the two major American political parties, labor, and business) in democratic training programs and democratic institution-building abroad;

4. To strengthen democratic electoral processes abroad through timely measures in cooperation with indigenous democratic forces;

5. To support the participation of the two major American political parties, labor, business, and other U.S. private-sector groups in fostering cooperation with those abroad dedicated to the cultural values, institutions, and organizations of democratic pluralism; and

6. To encourage the establishment and growth of democratic development in a manner consistent both with the broad concerns of United States national interests and with the specific requirements of the democratic groups in other countries which are aided by NED-supported programs.

§ 67.2 Board of Directors.

(a) NED is governed by a bipartisan board of Directors of not fewer than thirteen and not more than twenty-five members reflecting the diversity of American society. The officers of the corporation are Chairman and Vice Chairman of the Board, who shall be members of the Board, a President, Secretary and Treasurer, and such other officers as the Board of Directors...
may from time to time appoint. Meetings of the Board of Directors are held at times determined by the Board, but in no event fewer than four times each year. A current list of members of the Board of Directors and a schedule of upcoming meetings is available from NED’s office at 1101 15th Street, NW; Suite 700, Washington, DC 20005–5000.

(b) All major policy and funding decisions are made by the Board of Directors. The primary statement of NED’s operating philosophy, general principles and priorities is contained in the National Endowment for Democracy’s Statement of Principles and Objectives, adopted by the Board of Directors in December 1984. Copies of this statement as well as other general information concerning the organization are available from NED on request.

(c) As a grantmaking organization, NED does not carry out programs directly. All grants made by the corporation shall be by a two-thirds vote of those voting at a meeting at which a quorum is present. Notwithstanding the foregoing, the Board may from time to time adopt, upon a two-thirds vote of those voting at a meeting at which a quorum is present, procedures to address emergency funding requests between meetings of the Board. In addition, “[a]ny Board member who is an officer or director of an organization seeking to receive grants from the Corporation must abstain from consideration of and any vote on such grant” (Article VI, Section 6). Copies of the bylaws are available from NED’s offices.

§ 67.3 Management.

(a) NED’s operations and staff are managed by a President selected by the Board of Directors. The President is the chief executive officer of the corporation and manages the business of the corporation under the policy direction of the Board of Directors. The President directs a staff whose functions are divided among the Office of the President, a Program Section and a Finance Office.

(b) The Office of the President provides policy direction and is responsible for day-to-day management of the organization, including personnel management, liaison with the Board of Directors and preparation of meetings of the Board and Board committees. The President’s office also provides information concerning NED’s activities to the press and public. The Program Section, under the direction of the Director of Program, is responsible for the review and preparation of proposals submitted to the Endowment and for the monitoring and evaluation of all programs funded by NED.

(c) The Finance Office, under the direction of the Comptroller, is responsible, with the President and the Board of Directors, for financial management of NED’s affairs, including both administrative financial management and grant management. The Director of Program and the Comptroller report to the NED President.

§ 67.4 Description of functions and procedures.

(a) In accordance with the Statement of Principles and Objectives, NED is currently developing and funding programs in five substantive areas:

(1) Pluralism. NED encourages the development of strong, independent private-sector organizations, especially trade unions and business associations. It also supports cooperatives, civic and women’s organizations, and youth groups, among other organizations. Programs in the areas of labor and business are carried out, respectively, through the Free Trade Union Institute and the Center for International Private Enterprise.

(2) Democratic governance and political processes. NED seeks to promote strong, stable political parties committed to the democratic process. It also supports cooperatives, civic and women’s organizations, and youth groups, among other organizations. Programs in the areas of labor and business are carried out, respectively, through the Free Trade Union Institute and the Center for International Private Enterprise.

(3) Education, culture and communications. NED funds programs that nourish a strong democratic civic culture, including support for publications and other communications media and training programs for journalists; the production and dissemination of books.
and other materials to strengthen popular understanding and intellectual advocacy of democracy; and programs of democratic education.

(4) Research. A modest portion of NED’s resources is reserved for research, including studies of particular regions or countries where NED has a special interest, and evaluations of previous or existing efforts to promote democracy.

(5) International cooperation. NED seeks to encourage regional and international cooperation in promoting democracy, including programs that strengthen cohesion among democracies and enhance coordination among democratic forces.

(b) As a grantmaking organization, NED has certain responsibilities that govern its relationship with all potential and actual grantees. Briefly, these are:

(1) Setting program priorities within the framework of the purposes outlined in NED’s articles of incorporation and contained in the legislation, and guided by the general policy Statement of the Board of Directors;

(2) Reviewing and vetting proposals, guided by the general guidelines and selection criteria adopted by the NED Board;

(3) Coordinating among all grantees to avoid duplication and to assure maximum program effectiveness;

(4) Negotiating a grant agreement which ensures a high standard of accountability on the part of each grantee;

(5) Financial and programmatic monitoring following the approval and negotiation of a grant, and ongoing and/or follow-up evaluation of programs prior to any subsequent funding of either a particular grantee or a specific program. Grantees will also be expected to monitor projects, to provide regular reports to NED on the progress of programs, and to inform NED promptly of any significant problems that could affect the successful implementation of the project. NED grantees will also conduct their own evaluations of programs.

(6) As a recipient of congressionally appropriated funds, NED has a special responsibility to:

(i) Operate openly,

(ii) Provide relevant information on programs and operations to the public,

(iii) Ensure that funds are spent wisely, efficiently, and in accordance with all relevant regulations.

(c) Institutes representing business, labor, and the major political parties carry out programs which are central to NED’s purposes. As a result of their unique relationship to NED, institute programs are an integral part of NED’s priorities and the institutes themselves are “core” grantees. As such, the institutes, while subject to all the normal procedures governing NED’s relationships with grantees, will be treated differently in the following respects:

(1) The institutes will have the mandate to carry out programs funded by NED in their respective sectors of business, labor and political parties.

(2) As an integral part of the process of budgeting and setting program priorities, the NED Board will target a certain amount of its annual resources for institute programs in their respective fields of activity.

(3) Unlike its practice for the majority of its grantees, NED will fund significant administrative costs for each of the core grantees.

(4) Institute staff will assume responsibility for program development and preparation of proposals for the Board in each field of activity for which it has a special mandate.

(5) NED will expect its core grantees to perform their monitoring/evaluation function described in programmatic monitoring under Financial and programmatic monitoring above in a manner that will minimize the need to devote NED resources for these purposes. (Individual copies of the Grants Policy are available from the NED office.)

(6) As stated above, in awarding grants the Board is guided by established grant selection criteria. In addition to evaluating how a program fits within NED’s overall priorities, the Board considers factors such as the urgency of a program, its relevance to specific needs and conditions in a particular country, and the democratic commitment and experience of the applicant. NED is especially interested in
proposals that originate with indigenous democratic groups. It is also interested in nonpartisan programs seeking to strengthen democratic values among all sectors of the democratic political spectrum.

(d) Selection criteria. In determining the relative merit of a particular proposal NED considers whether the grant application:

(1) Proposes a program that will make a concrete contribution to assisting foreign individuals or groups who are working for democratic ends and who need NED's assistance.

(2) Proposes a program, project or activity which is consistent with current NED program priorities and contributes to overall program balance and effectiveness.

(3) Proposes an activity that meets an especially urgent need.

(4) Does not overlap with what others are doing well.

(5) Proposes a program that will encourage an intellectual climate which is favorable to the growth of democratic institutions.

(6) Proposes a program that is not only culturally or intellectually appealing, but will affect the education and awareness of minorities and/or the less privileged members of a society.

(7) Originates from an organization within a particular country representing the group whose needs are to be addressed.

(8) Appears to be well thought out, avoiding imprudent activities and possibilities for negative repercussions.

(9) Takes into consideration not only what objectively could be significant to a certain society, but how the cultural traditions and values of that society will react to the project.

(10) Incorporates an analysis of the problem of democracy in the area in question and the method by which the proposed program will have a constructive impact on the problem.

(11) Proposes a program that will enhance our understanding of what really helps in aiding democracy.

(12) Creatively enlists supports for foreign democratic organizations.

(13) Encourages democratic solutions and peaceful resolution of conflict in situations otherwise fraught with violence.

(14) Proposes a program, project or activity that is clearly relevant to NED program objectives and not better funded by other government or private organizations. (Proposing organizations will be referred to other funding organizations where substantial overlap exists.)

(15) Proposes a program or strategy that is appropriate to the circumstances in the country concerned.

(16) Proposes a program that can be expected to have a multiplier effect, hence having an impact broader than that of the specific project itself; or establishes a model that could be readily replicated in other countries or institutions.

(17) Proposes appropriate, qualified staff who have a demonstrated ability to administer programs capably so as to accomplish stated goals and objectives.

(18) Proposes an appropriate ratio of administrative to program funds.

(19) Is responsive to NED suggestions with regard to program revisions.

(20) Proposes a realistic budget that is consistent with NED perceptions of project value and is performed within a stated and realistic time frame; and

(21) Proposes a program that has, as one of its principal aspects, a major impact on the role of women and/or minorities.

(e) The following guidelines also apply to all projects funded by NED.

(1) The proposing organization must be able to show that it is a responsible, credible organization or group that has a serious and demonstrable commitment to democratic values. (Various factors may be considered in this regard: recognized democratic orientation; established professional reputation; proven ability to perform; existence of organization charter, board of directors, regular audits, etc.);

(2) The proposing organization must be willing to comply with all provisions of the National Endowment for Democracy Act as well as all provisions of current and subsequent agreements between the USIA and NED;

(3) The proposing organization must agree not to use grant funds for the
4 The proposing organization must agree that no NED funds will be used for lobbying or propaganda that is directed at influencing public policy decisions of the government of the United States or of any state or locality thereof;

5 The proposing organization must agree that there shall be no expenditure of NED funds for the purpose of supporting physical violence by individuals, groups or governments;

6 The proposing organization may not employ any person engaged in intelligence activity on behalf of the United States government or any other government;

7 NED will not normally reimburse grantees for expenses incurred prior to the signing of a grant agreement with NED;

8 Each grant made by NED will be an independent action implying no future commitment on NED’s part to a project or program;

9 NED may, from time to time, fund feasibility studies. Applications for grants in this category should include, but not be limited to, the following: Scope, method and objective of the study; Calendar; Proposed administration of the study; and Detailed budget. The funding of a feasibility study by NED does not imply support for any project growing out of the study. It does, however, imply interest by NED in the area under study and a willingness to entertain a project proposal growing out of the study; and

10 The proposing organization may not use NED funds to finance the campaigns of candidates for public office.

All proposals received by NED are reviewed by the staff in order to determine their congruence with NED’s purposes as stated in the organization’s Articles of Incorporation and the NED Act.

Grant applications must contain the following information:

1 A one-page summary of the proposed program;

2 Organizational background and biographical information on staff and directors in the U.S. and abroad;

3 A complete project description, including a statement of objectives, a project calendar, and a description of anticipated results;

4 A statement describing how the project relates to NED’s purposes;

5 A description of the methods to be used to evaluate the project in relation to its objectives;

6 A detailed budget, including an explanation of any counterpart support anticipated by the applicant, whether monetary or in-kind, domestic or foreign; and

7 The names and addresses of all other funding organizations to which the proposal has been submitted or will be submitted.

After an award determination has been made by the Board, NED enters into a grant agreement with the recipient. That agreement is made in accordance with NED policy, the terms of NED’s grant agreement with USIA, and the terms of the Act, and the terms of NED’s standard grant agreement as they apply to the specific project in question. The NED Board of Directors approved a revised Statement of General Procedures and Guidelines on September 12, 1986. The statement, outlined above, is available from the NED office.

NED Staff welcomes preliminary letters of inquiry prior to submission of a formal proposal. Letters of inquiry and formal proposals should be submitted to: Director of Program, National Endowment for Democracy 1101 15th Street, NW, Suite 700, Washington, DC 20005–5000.
