PART 300 [RESERVED]

PART 301—PUBLIC ACCESS TO CLASSIFIED MATERIAL

Sec.
301.1 Introduction.
301.2 Requests for mandatory declassification review.
301.3 Action on requests for declassification review.

SOURCE: 49 FR 13692, Apr. 6, 1984, unless otherwise noted.

§ 301.1 Introduction.
The following regulations implement Executive Order 12356 and provide guidance for members of the public desiring a review for declassification of a document of the Peace Corps.

§ 301.2 Requests for mandatory declassification review.
(a) All information originally classified by the Peace Corps shall be subject to review for declassification.
(b) Requests for review of such information for declassification shall be in writing, addressed to the Peace Corps Director of Security, Peace Corps, Washington, DC 20526, and reasonably describe the information sought with sufficient specificity to enable its location with a reasonable amount of effort. Only requests made by a United States citizen or a permanent resident alien, a Federal agency or a State or local government will be considered.
(c) Requests relating to information, either derivatively classified by the Peace Corps or originally classified by another agency but in the possession of the Peace Corps, shall be forwarded, together with a copy of the record, to the originating agency. The transmittal may contain in Peace Corps recommendation for action.

§ 301.3 Action on requests for declassification review.
(a) The Director of Security shall present each request for declassification to the Peace Corps Classification Review Committee, which shall consist of the Associate Director for International Operations, the Associate Director for Management and the General Counsel, or their designees, together with his or her recommendation for action.
(b) Every effort will be made to complete action on each request within 60 days of receipt thereof.
(c) Information shall be declassified or downgraded as soon as national security considerations permit. If the Classification Review Committee determines that the material for which review is requested no longer requires this protection, it shall be declassified and made available to the requester unless withholding is otherwise authorized by law.
(d) If the Peace Corps Classification Review Committee determines that requested information must remain classified, the requester shall be given prompt notice of the decision and, if possible, a brief explanation of why the information cannot be declassified.
(e) The Peace Corps may refuse to confirm or deny the existence or non-existence of requested information whenever the fact of its existence or non-existence is itself classified under E.O. 12356.
(f) A requester may appeal a refusal to declassify information to the Director of the Peace Corps, or the Director’s designee. Appeals shall be in writing, addressed to the Director of the Peace Corps, Washington, DC 20526, and shall briefly state the reasons why the requester believes that the Peace Corps Classification Review Committee decision is in error. Appeals must be submitted within 30 days after receipt of notice of the Classification Review Committee decision. The decision of the Peace Corps Director, or designee, will be based on the entire record, and will be rendered in writing within 60 days after receipt of an appeal. The decision of the Director or Director’s designee is the final Peace Corps action on a request.

§ 303.1 Purpose.

This part sets out the rules and procedures the Peace Corps follows in making records available to the public under the Freedom of Information Act (FOIA).

§ 303.2 Definitions.

As used in this part—

(a) Commercial use request means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester has made a commercial use request, the Peace Corps will look to the use to which a requester will put the documents requested. When the Peace Corps has reasonable cause to doubt the requester’s stated use of the records sought, or where the use is not clear from the request itself, it will seek additional clarification before assigning the request to a category.

(b) Duplication means the process of making a copy of a record requested pursuant to this part. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable electronic documents, among others.

(c) Educational institution means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, or an institution of professional or vocational education which operates a program or programs of scholarly research.

(d) Non-commercial scientific institution means an institution that is not operated on a “commercial” basis and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(e) OIG records means those records as defined generally in this section which originated with or are in the possession and control of the Office of Inspector General (OIG) of the Peace Corps which have been compiled for law enforcement, audit, and investigative functions and/or any other purpose authorized under the IG Act of 1978, as amended.

(f) Records means books, papers, maps, photographs, or other documentary materials, regardless of whether the format is physical or electronic, made or received by the Peace Corps in connection with the transaction of Peace Corps’ business and preserved by the Peace Corps as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Peace Corps, or because of the informational value of data in them. The term does not include, inter alia, books, magazines, or other materials acquired solely for library purpose, or that are otherwise publicly available.

(g) Representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in
Peace Corps

§ 303.5

this category. In the case of “freelance” journalists, they will be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(b) Review means the process of examining a document located in response to a request to determine whether any portion of such document is exempt from disclosure. It also includes processing any such document for disclosure. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(i) Search means the process of looking for and retrieving records that are responsive to a request for records. It includes page-by-page or line-by-line identification of material within documents and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Searches may be conducted manually or by automated means and will be conducted in the most efficient and least expensive manner. If the Agency cannot identify the requested records after a 2 hour search, it can determine that the records were not adequately described and ask the requester to provide a more specific request.

§ 303.3 Policy.

The Peace Corps will make its records concerning its operations, activities, and business available to the public consistent with the requirements of the FOIA. Records exempt from disclosure under the FOIA may be made available at the discretion of the Peace Corps.

§ 303.4 Records published in the Federal Register.

The Peace Corps publishes its notices and substantive regulations in the Federal Register. It also publishes information on its basic structure and operations necessary to inform the public how to deal effectively with the Peace Corps in the United States Government Manual, a special publication of the Federal Register. The Peace Corps will make reasonable efforts to currently update such information, which includes information on Peace Corps’ location and functions, and how the public may obtain information or forms, or make submittals or requests. The Peace Corps’ published regulations are at 22 CFR Chapter III.

§ 303.5 Public reading room.

(a) The Peace Corps will maintain a public reading room at its headquarters at 1111 20th Street, NW., Washington, DC 20526. This room will be supervised and will be open to the public during Peace Corps’ regular business hours for inspecting and copying records described in paragraph (b) of this section.

(b) Subject to the limitation stated in paragraph (c) of this section, the following records will be made available in the public reading room:

(1) All final public opinions, including concurring and dissenting opinions, and orders issued in the adjudication of cases that involve the Peace Corps;

(2) Statements of policy and interpretations adopted by the Peace Corps that are not published in the Federal Register;

(3) Administrative staff manuals and instructions to the staff that affect the public;

(4) Copies of records, regardless of form or format, released to any person in response to a public request for records which the Peace Corps determines are likely to become subject to subsequent requests for substantially the same records, and a general index of such records;

(5) The index required by §303.7; and

(6) Other records the Peace Corps has determined are of general interest to members of the public in understanding activities of the Peace Corps or in dealing with the Peace Corps in connection with those activities.

(c) Certain records otherwise required by FOIA to be available in the public reading room may be exempt from mandatory disclosure pursuant to §552(b) of the FOIA. Such record will not be made available in the public reading room. Other records maintained in the public reading room may be edited by the deletion of identifying details concerning individuals to prevent a clearly unwarranted invasion of personal privacy. In such cases, the
record shall have attached to it an explanation of the deletion. The extent of the deletion shall be indicated, unless doing so would harm an interest protected by the exemption under which the deletion is made. It technically feasible, the extent of the deletion shall be indicated at the place in the record where the deletion was made.

(d) Electronic reading room. Records required by the FOIA to be maintain and made available in the public reading room created by the Peace Corps on or after November 1, 1996, shall be made available electronically.

(e) Most electronic public reading room records will also be made available to the public on the Peace Corps Web site at http://www.peacecorps.gov.

§ 303.6 Procedures for use of public reading room.

Any member of the public may inspect or copy records described in §303.5(b) in the public reading room during regular business hours. Because it will sometimes be impossible to produce records or copies of records on short notice, a person who wishes to inspect or copy records shall arrange a time in advance, by telephone or letter request made to the Peace Corps FOIA Officer. Persons submitting request by telephone will be notified whether a written request would be advisable to aid in the identification and expeditious processing or the records sought. Written request should identify the records sought in the manner described in §303.8(b) and should request a specific date for inspecting the records. The requester will be advised as promptly as possible if, for any reason, it may not be possible to make the records sought available on the date requested.

§ 303.7 Index of records.

The Peace Corps will maintain a current index identifying any matter within the scope of §303.4 or §303.5(b)(1) through (5). The index will be maintained and made available for public inspection and copying at the Peace Corps’ headquarters in Washington, DC. The cost of a copy of the index will not exceed the standard charge for duplication set out in §303.13(e). The Peace Corps will also make the index available on its public Web site.

§ 303.8 Requests for records.

(a) Except for records required by the FOIA to be published in the Federal Register or to be made available in the public reading room, Peace Corps records will be made available promptly, upon request, to any person in accordance with this section, unless it is determined that such records should be withheld and are exempt from mandatory disclosure under the FOIA.

(b) Requests. For records under this section shall be made in writing via regular mail, e-mail, or facsimile and, as applicable, the envelope, letter or subject line shall be clearly marked “Freedom of Information Request.” All requests shall be addressed to the FOIA Officer. Requests by letter shall use the address given in §303.5(a) and requests by e-mail must be sent to the FOIA electronic mailbox address foia@peacecorps.gov. Any request not marked and addressed as specified in this paragraph will be so marked by Peace Corps personnel as soon as the request is properly identified. The request will then be forwarded immediately to the FOIA Officer. A request improperly addressed will not be deemed to have been received for purposes of the time period set out in paragraph (h) of this section until it has been received by the FOIA Officer. Upon receipt of an improperly addressed request, the FOIA Officer shall notify the requester of the date on which the time period began. The request shall be stamped “received” on the date it is received by the FOIA Office. Any request received by e-mail shall be printed on paper and stamped on the date it is received by the FOIA Office.

(c) A request must reasonably describe the records requested so that employees of the Peace Corps who are familiar with the subject area of the request are able, with a reasonable amount of effort, to determine which particular records are within the scope of the request. If it is determined that a request does not reasonably describe the records sought, the requester shall
Peace Corps § 303.8

be so informed and provided an opportunity to confer with Peace Corps personnel in order to attempt to reformulate the request in a manner that will meet the needs of the requester and the requirements of this paragraph. If the Agency cannot identify the requested records after a 2 hour search, it can determine that the records were not adequately described and ask the requester to provide a more specific request.

(d) To facilitate the location of records by the Peace Corps, a requester should try to provide the following kinds of information, if known:

(1) The specific event or action to which the record refers;
(2) The unit or program of the Peace Corps which may be responsible for or may have produced the record;
(3) The date of the record or the date or period to which it refers or relates;
(4) The type of record, such as an application, a particular form, a contract, or a report;
(5) Personnel of the Peace Corps who may have prepared or have knowledge of the record; or
(6) Citations to newspapers or publications which have referred to the record.

(e) The Peace Corps is not required to create a record or to perform research to satisfy a request.

(f) Any request for a waiver or reduction of fees should be included in the FOIA request, and any such request should indicate the grounds for a waiver or reduction of fees, as set out in §303.13(f). The Peace Corps shall respond to such request as promptly as possible.

(g) Format. The Peace Corps will provide records in the form or format indicated by the requester to the extent such records are readily reproducible in the requested form or format.

(h) Initial response/delays. (1) The FOIA Officer, upon request for any records made in accordance with this section, except in the case of a request for OIG records, shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 business days after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 business days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(2) If the FOIA Officer determines that a request or portion thereof is for OIG records, the FOIA Officer shall promptly refer the request or portion thereof to the OIG and send notice of such referral to the requester. In such case, the OIG FOIA Officer shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 business days after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 business days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. If for any reason, a request for Agency information goes directly to the OIG rather than through the FOIA Officer, the OIG shall provide notice to the FOIA Officer of its receipt of the request. The FOIA Office and the OIG should normally consult with each other whenever they receive requests for the same or similar records.

(3) Unusual circumstances. As used in this part, “unusual circumstances” are limited to the following, but only to the extent reasonably necessary for the proper processing of the particular request:

(i) The need to search for and collect the requested records from components or locations that are separate from the office processing the request;
(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or
(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency or organization having a substantial interest in the determination of the request or among two or more components of the Peace Corps having a substantial subject matter interest therin.

(i) If a request is particularly broad or complex so that it cannot be completed within the time periods stated...
§ 303.9 Exemptions for withholding records.

(a) The Peace Corps may withhold a requested record from public disclosure only if the record fits within one or more of the following FOIA exemptions:

(1) Matter specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and is in fact properly classified pursuant to such Executive Order;

(2) Matter which is related solely to the internal personnel rules and practices of the Peace Corps;

(3) Matter which is specifically exempted from disclosure by statute (other than exemptions under FOIA at 5 U.S.C. 552(b)), provided that such statute requires that the matter be withheld from the public in such a manner as to leave no discretion on the issue, or establishes particular criteria for withholding, or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Inter-agency or intra-agency memoranda or letters which would not

in paragraph (h) of this section, the Peace Corps may ask the requester to narrow the request or agree to an additional delay.

(j) When no determination can be dispatched within the applicable time limit, the FOIA Officer or the OIG FOIA Officer shall inform the requester of the reason for the delay, the date on which a determination may be expected to be dispatched, and the requester’s right to appeal to the Associate Director for the Office of Management or the Inspector General, in accordance with §303.12. If no determination has been dispatched by the end of the 20-day period, or the last extension thereof, the requester may deem the request denied, and exercise a right of appeal in accordance with §303.12. The FOIA Officer or the OIG FOIA Officer may ask the requester to forego an appeal until a determination is made.

(k) After it has been determined that a request will be granted, the responsible official will act with due diligence in providing a prompt response.

(1) Expedited treatment. (i) Requests and appeals will be taken out of order and given expedited treatment whenever the requester demonstrates a compelling need. A compelling need means:

(ii) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(iii) An urgency to inform the public about an actual or alleged Peace Corps or Federal government activity and the request is made by a person primarily engaged in disseminating information;

(iv) The loss of substantial due process rights; or

(v) A matter of widespread and exceptional media interest in which there exist possible questions about the Peace Corps’ or the Federal government’s integrity which affect public confidence.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing must be properly addressed and marked and received by the Peace Corps pursuant to paragraph (b) of this section.

(3) A requester who seeks expedited processing must submit a statement demonstrating a compelling need that is certified by the requester to be true and correct to the best of that person’s knowledge and belief, explaining in detail the basis for requesting expedited processing.

(4) Within ten business days of its receipt of a request for expedited processing, the FOIA Officer or the OIG FOIA Officer shall decide whether to grant the request and shall notify the requester of the decision. If a request for expedited treatment is granted, the request shall be given priority and shall be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously by the Peace Corps.

(5) Appeals shall be made to the Associate Director for the Office of Management, who shall respond within 10 business days of receipt of the appeal.

be available by law to a party other than an agency in litigation with the Peace Corps;
(6) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;
(7) Records or information compiled for law enforcement purposes including enforcing the Peace Corps Act or any other law, but only to the extent that the production of such law enforcement records or information:
(i) Could reasonably be expected to interfere with enforcement proceedings;
(ii) Would deprive a person or a recipient of a right to a fair trial or an impartial adjudication;
(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;
(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis; and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, information furnished by a confidential source;
(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or
(vi) Could reasonably be expected to endanger the life or physical safety of any individual.
(b) In the event that one or more of the above exemptions in paragraph (a) of this section apply, any reasonably segregable portion of a record shall be provided to the requester after deletion of the portions that are exempt. The amount of information deleted shall be indicated on the released portion of the record, unless doing so would harm the interest protected by the exemption under which the deletion is made. If technically feasible, the amount of information deleted shall be indicated at the place in the record where the deletion is made. At the discretion of the Peace Corps officials authorized to grant or deny a request for records, it may be possible to provide a requester with:
(1) A summary of information in the exempt portion of a record; or
(2) An oral description of the exempt portion of a record.
(c) No requester shall have a right to insist that any or all of the techniques in paragraph (b) of this section should be employed in order to satisfy a request.
(d) Records that may be exempt from disclosure pursuant to paragraph (a) of this section may be made available at the discretion of the Peace Corps.
(e) Proprietary information. (1) It is the policy of the Peace Corps to withhold proprietary information that falls within the protection of paragraph (a)(4) of this section. Proprietary information includes trade secrets, or commercial or financial information obtained from a person, the disclosure of which could reasonably be expected to cause substantial competitive harm.
(2) It is also the policy of the Peace Corps to give submitters of arguably proprietary information an adequate opportunity to provide information to the Peace Corps to establish that the information constitutes protected proprietary information.
(3) A person submitting arguably proprietary information to the Peace Corps will be notified in writing by the Peace Corps if there is a FOIA request for the information, unless:
(i) The Peace Corps has already decided that the information should be withheld;
(ii) The information has been lawfully published or has been officially made available to the public; or
(iii) Disclosure of the information is required by law.
(4) The notice shall afford the submitter at least ten business days in which to object to the disclosure of any requested information. Whenever the Peace Corps provides such notice to the submitter, it shall also notify the requester that notice and an opportunity to comment are being provided to the submitter.
(5) A submitter’s request for protection for information under paragraph (a)(4) of this section shall:
§ 303.10 Responsibilities and authorities.

(a) Legal counsel. The General Counsel shall furnish legal advice to Peace Corps officials and staff as to their obligations under this part and shall take such other actions as may be necessary or appropriate to assure a consistent and equitable application of the provisions of this part by and within the Peace Corps.

(b) Authority to grant or deny requests. The FOIA Officer is authorized to grant or deny requests for records, except for OIG records, under this part. The OIG FOIA Officer is authorized to grant or deny requests for OIG records under this part. The FOIA Officer and the OIG FOIA Officer shall consult with each other when a request includes both Peace Corps and OIG records in order to ensure consistency and lack of duplication in processing the request.

(c)(1) Records received from other agencies. When the Peace Corps receives a request for a record in its possession that it has received from another agency, it shall determine whether the other agency is better qualified to decide whether the record is exempt from disclosure and, if so, whether it should be disclosed as a matter of discretion. If the Peace Corps determines it is better qualified to process the record in response to the request, then it shall do so. If the Peace Corps determines it is not better qualified to process the request, it shall either:

(i) Consult with the other agency before responding to the request; or

(ii) Refer the responsibility for responding to the request for the record to the other agency (but only if the agency is subject to FOIA). Ordinarily, the agency that originated a record will be presumed to be best able to determine whether to disclose it.

(2) Law enforcement and classified information. Notwithstanding paragraph (c)(1) of this section:

(i) Whenever the Peace Corps receives a request for a record containing information that relates to an investigation of a possible violation of law that was originated by another agency, the Peace Corps will either consult with the other agency before responding or refer the responsibility for responding to the request to the other agency; and

(ii) Whenever a request is made for a record containing information that has been classified by another agency or may be appropriate for classification under Executive Order 12958 or any other executive order concerning the classification of records, the Peace Corps shall refer the responsibility for responding to the request regarding that information to the agency that classified the information, should consider the information for classification, or has the primary interest in the information, as appropriate.

(3) Notice of referral. Whenever the Peace Corps refers all or any part of the responsibility for responding to a request to another agency, it ordinarily shall notify the requester of the referral and inform the requester of the
name of the agency to which the request has been referred and the part of the request that has been referred.

(4) Effect of consultations and referrals on timing of response. All consultations and referrals will be handled according to the date the FOIA request was initially received by the Peace Corps.

(5) Agreements with other agencies. The Peace Corps may make agreements with other agencies to eliminate the need for consultations or referrals for particular types of records.

§ 303.11 Denials.

(a) A denial of a written request for a record that complies with the requirements of §303.8 shall be in writing and shall include, as applicable:

1. A reference to the applicable exemption or exemptions in §303.9(a) upon which the denial is based;

2. An explanation of how the exemption applies to the requested records;

3. A statement explaining why it is deemed unreasonable to provide segregable portions of the record after deleting the exempt portions;

4. An estimate of the volume of requested matter denied unless providing such estimate would harm the interest protected by the exemption under which the denial is made, if other than the FOIA Officer;

5. The name and title of the person or persons responsible for denying the request, if other than the FOIA Officer; and

6. An explanation of the right to appeal the denial and the procedures for submitting an appeal, including the address of the official to whom appeals should be submitted.

(b) A partial deletion of a record made available to a requester shall be deemed a denial of a record for purposes of paragraph (a) of this section. All denials shall be treated as final opinions under §303.5(b).

§ 303.12 Appeals.

(a) Any person whose written request has been denied is entitled to appeal the denial within 20 business days by writing to the Associate Director of the Office of Management or, in the case of a denial of a request for OIG Records, the Inspector General, at the address given in §303.5(a). The envelope and letter should be clearly marked “Freedom of Information Act Appeal.” An appeal need not be in any particular form, but should adequately identify the denial, if possible, by describing the requested record, identifying the official who issued the denial, and providing the date on which the denial was issued.

(b) The decision of the Associate Director for the Office of Management or the Inspector General on an appeal shall be in writing and, in the event the denial is in whole or in part upheld, shall contain an explanation responsive to the arguments advanced by the requester, the matters described in §303.11(a)(1) through (4), and the provisions for judicial review of such decision under section 552(a)(4) of the FOIA. The decision shall be dispatched to the requester within 20 business days after receipt of the appeal, unless an additional period is justified pursuant to §303.8(i) and such period taken together with any earlier extension does not exceed 10 business days. The decision by the Associate Director for the Office of Management or the Inspector General shall constitute the final action of the Peace Corps. All such decisions shall be treated as final opinions under §303.5(b).

§ 303.13 Fees.

(a) For information routinely provided by the Peace Corps to the public in the normal course of doing business, such as informational or recruiting brochures, no fees will be charged.

(b) For each a commercial use request, fees will be limited to reasonable standard charges for document search, review, and duplication.

(c) For each request for records sought by a representative of the news media or by an educational or non-commercial scientific institution, fees shall be limited to reasonable standard charges for document duplication after the first 100 pages.

(d) For all other requests, fees shall be limited to reasonable standard charges for search time after the first 2 hours and duplication after the first 100 pages.

(e) The schedule of reasonable standard charges for services regarding the
production or disclosure of the Peace Corps records is as follows:

(1) Manual search and review of records: Salary rate of employee[s] performing the search and review plus 16%. Charges for search and review time less than a full hour will be billed by quarter-hour segments;

(2) Computer time: Actual costs as incurred;

(3) Duplication by paper copy: 15 cents per page;

(4) Duplication by other methods: Actual costs as incurred;

(5) Certification of true copies: $1.00 each;

(6) Packing and mailing records: Actual costs as incurred; and

(7) Special delivery or express mail: Actual charges as incurred.

(f) Fee waivers: Fees will be waived or reduced below the fees established under paragraph (e) of this section if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Peace Corps or Federal government and is not primarily in the commercial interest of the requester.

(1) In order to determine whether the disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Federal government, the Peace Corps shall consider the following four criteria:

(i) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the Peace Corps or Federal government;

(ii) The informative value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding of Peace Corps or Federal government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to “public understanding;” and

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute “significantly” to public understanding of Peace Corps or Federal government operations or activities.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Peace Corps shall consider the following two factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and if so,

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.”

(3) These fee waiver/reduction provisions will be subject to appeal in the same manner as appeals from denial under §303.12.

(g) No fee will be charged under this section unless the cost of routine collection and processing of the fee payment is likely to exceed the average cost of processing a payment.

(h) Requesters must agree to pay all fees charged for services associated with their requests. The Peace Corps will assume that requesters agree to pay all charges for services associated with their requests up to $25 unless otherwise indicated by the requester.

(i) No requester will be required to make an advance payment of any fee unless:

(1) The requester has previously failed to pay a required fee to another federal agency or to Peace Corps within 30 days of the date of billing, in which case an advance deposit of the full amount of the anticipated fee together with the fee then due plus interest accrued may be required. (The request will not be deemed to have been received by the Peace Corps until such payment is made.); or

(2) The Peace Corps determines that an estimated fee will exceed $250, in which case the requester shall be notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. Such notification shall be transmitted as soon as possible, but in any event within 5 business days of receipt of the request by
the Peace Corps. The notification shall offer the requester the opportunity to confer with appropriate representatives of the Peace Corps for the purpose of reformulating the request so as to meet the needs of the requester at a reduced cost. The request will not be deemed to have been received by the Peace Corps for purposes of the initial 20-day response period until the requester makes a deposit on the fee in an amount determined by the Peace Corps.

(j) Interest may be charged to those requesters who fail to pay the fees charged. Interest will be assessed on the amount billed, starting on the 31st day following the day on which the billing was sent. The rate charged will be as prescribed in 31 U.S.C. 3717.

(k) The Agency is not required to process a request for a requester who has not paid FOIA fees owed to another Federal agency.

(l) If the Peace Corps reasonably believes that a requester or group of requesters is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, the Peace Corps shall aggregate such requests and charge accordingly. Likewise, the Peace Corps will aggregate multiple requests for documents received from the same requester within 45 business days.

(m) The Peace Corps reserves the right to limit the number of copies of any document that will be provided to any one requester or to require that special arrangements for duplication be made in the case of bound volumes or other records representing unusual problems of handling or reproduction.

§ 303.14 Procedures for responding to a subpoena.

(a) Purpose and scope. (1) This part sets forth the procedures to be followed in proceedings in which the Peace Corps is not a party, whenever a subpoena, order or other demand (collectively referred to as a “demand”) of a court or other authority is issued for:

(i) The production or disclosure of any information relating to material contained in the files of the Agency;

(ii) The production or disclosure of any information or material acquired by any person while such person was an employee of the Agency as a part of the performance of his official duties or because of his official status, or

(iii) The production or disclosure of any information relating to material contained in the files of the Agency;

(iv) The production of an employee of the Agency for the deposition or an appearance as a witness in a legal action or proceeding.

(2) For purposes of this part, the term “employee of the Agency” includes all officers and employees of the Agency appointed by, or subject to the supervision, jurisdiction or control of, the director of the Agency, including personal services contractors. Also for purposes of this part, records of the Agency do not include records of the Office of Inspector General.

(3) This part is intended to provide instructions regarding the internal operations of the Agency, and is not intended, and does not and may not be relied upon, to create any right or benefit, substantive or procedural, enforceable at law by a party against the Agency.

(4) This part applies to:

(i) State and local court, administrative and legislative proceedings; and

(ii) Federal court and administrative proceedings.

(5) This part does not apply to:

(i) Congressional requests or subpoenas for testimony or documents;

(ii) Employees or former employees making appearances solely in their private capacity in legal or administrative proceedings that do not relate to the Agency (such as cases arising out of traffic accidents or domestic relations). Any questions whether the appearance relates solely to the employee’s or former employee’s private capacity should be referred to the Office of the General Counsel.

(6) Nothing in this part otherwise permits disclosure of information by the Agency except as is provided by statute or other applicable law.

(b) Procedure in the event of a demand for production or disclosure. (1) No employee or former employee of the Agency shall, in response to a demand of a court or other authority set forth in
§ 303.14(a) produce any material, disclose any information or appear in any proceeding, described in § 303.14(a) without the approval of the General Counsel or designee.

(2) Whenever an employee or former employee of the Peace Corps receives a demand for the production of material or the disclosure of information described in § 303.14(a) he shall immediately notify and provide a copy of the demand to the General Counsel or designee. The General Counsel, or designee, shall be furnished by the party causing the demand to be issued or served a written summary of the information sought, its relevance to the proceeding in connection with which it was served and why the information sought is unavailable by any other means or from any other sources.

(3) The General Counsel, or designee, in consultation with appropriate Agency officials, including the Agency’s FOIA Officer, or designee, and in light of the considerations listed in § 303.14(d), will determine whether the person on whom the demand was served should respond to the demand.

(4) To the extent he deems it necessary or appropriate, the General Counsel or designee, may also require from the party causing such demand to be issued or served a plan of all reasonably foreseeable demands, including but not limited to names of all employees and former employees from whom discovery will be sought, areas of inquiry, length of time of proceedings requiring oral testimony and identification of documents to be used or whose production is sought.

(c) Considerations in determining whether production or disclosure should be made pursuant to a demand. (1) In deciding whether to make disclosures pursuant to a demand, the General Counsel or designee, may consider, among things:

(i) Whether such disclosure is appropriate under the rules of procedure governing the case or matter in which the demand arose; and

(ii) Whether disclosure is appropriate under the relevant substantive law concerning privilege.

(2) Among the demands in response to which disclosure will not be made are those demands with respect to which any of the following factors exist:

(i) Disclosure would violate a statute or a rule of procedure;

(ii) Disclosure would violate the privacy rights of an individual;

(iii) Disclosure would violate a specific regulation;

(iv) Disclosure would reveal classified information, unless appropriately declassified by the originating agency;

(v) Disclosure would reveal trade secrets or proprietary information without the owner’s consent;

(vi) Disclosure would otherwise adversely affect the interests of the United States or the Peace Corps; or

(vii) Disclosure would impair an ongoing Inspector General or Department of Justice investigation.

.§ 304.8 Limitations on authority.

(a) An award, compromise, or settlement of a claim under section 2672 of title 28, United States Code, and this subpart in excess of $25,000 may be effected only with the prior written approval of the Attorney General or his designee. For the purpose of this paragraph, a principal claim and any derivative or subrogated claim shall be treated as a single claim.

(b) An administrative claim may be adjusted, determined, compromised, or settled only after consultation with the Department of Justice when the United States is or may be entitled to indemnity or contribution from a third party, and the Peace Corps is unable to adjust the third party claim; or

(4) The compromise of a particular claim, as a practical matter, will or may control the disposition of a related claim in which the amount to be paid may exceed $25,000.

(c) An administrative claim may be adjusted, determined, compromised, or settled only after consultation with the Department of Justice when the United States or an officer, employee, agent, or cost-type contractor of the United States is involved in litigation based on a claim arising out of the same incident or transaction.

§ 304.9 Referral to the Department of Justice.

When Department of Justice approval or consultation is required under § 304.8, the referral or request shall be transmitted to the Department of Justice by the General Counsel.

(a) Upon receipt of the claim file from the head of the office concerned, the General Counsel will ascertain that all supporting papers are contained in the file.

§ 304.11 Final denial of claim.

The General Counsel will send notification of the final denial of an administrative claim to the claimant, his attorney, or legal representative by certified or registered mail. The notification of final denial may include a statement of the reasons for the denial and shall include a statement that, if

§ 304.12 Action on approved claim.

(a) Payment of a claim approved under this subpart is contingent on claimant’s execution of (1) a “Claim for Damage or Injury,” Standard Form 95; and (2) a “Voucher for Payment,” Standard Form 1145, as appropriate. When a claimant is represented by an attorney, the voucher for payment shall designate the claimant and his attorney as copayees, and the check shall be delivered to the attorney, whose address shall appear on the voucher.

(b) Acceptance by the claimant, his agent, or legal representative of an award, compromise, or settlement made under section 2672 or 2677 of title 28, United States Code, is final and conclusive on the claimant, his agent or legal representative, and any other person on whose behalf or for whose benefit the claim has been presented, and constitutes a complete release of any claim against the United States and against any officer or employee of the Government whose act or omission gave rise to the claim, by reason of the same subject matter.

PART 305—ELIGIBILITY AND STANDARDS FOR PEACE CORPS VOLUNTEER SERVICE

Sec.
305.1 Purpose and general guideline.
305.2 Eligibility.
305.3 Background investigations.
305.4 Selection standards.
305.5 Procedures.

SOURCE: 49 FR 38939, Oct. 2, 1984, unless otherwise noted.

§ 305.1 Purpose and general guideline.

This subpart states the requirements for eligibility for Peace Corps Volunteer service and the factors considered in the assessment and selection of eligible applicants for training and service. In selecting individuals for Peace Corps Volunteer service under this subpart, as required by section 5(a) of the Peace Corps Act, as amended, “no political test shall be required to be taken into consideration, nor shall there be any discrimination against any person on account of race, sex, creed, or color.” Further, in accordance with section 417(c)(1) of the Domestic Volunteer Service Act, as amended (42 U.S.C. 5057(c)(1)) the non-discrimination policies and authorities set forth in section 717 of the Civil Rights Act of 1964 (42 U.S.C. 2000e–16), title V of the Rehabilitation Act of 1973 (29 U.S.C. 791 et seq.) and the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), are also applicable to the selection, placement, service and termination of Peace Corps Volunteers.

§ 305.2 Eligibility.

In addition to those skills, personal attributes and aptitudes required for available Volunteer assignments, the following are the basic requirements that an applicant must satisfy in order to receive an invitation to train for Peace Corps Volunteer service.

(a) Citizenship. The applicant must be a citizen of the United States or have made arrangements satisfactory to the Office of Marketing, Recruitment, Placement and Staging (MRPS) and the Office of General Counsel (D/GC) to be naturalized prior to taking the oath prescribed for enrollment as a Peace Corps Volunteer. (See section 5[a] of the Peace Corps Act, as amended).

(b) Age. The applicant must be at least 18 years old.

(c) Medical status. The applicant must, with reasonable accommodation, have the physical and mental capacity required of a Volunteer to perform the essential functions of the Peace Corps Volunteer assignment for which he or she is otherwise eligible, and be able to complete an agreed upon tour of service, ordinarily two years, without unreasonable disruption due to health problems. In determining what is a reasonable accommodation, the Peace Corps may take into account the adequacy of local medical facilities. In determining whether an accommodation
§ 305.2

would impose an undue hardship on the operation of the Peace Corps, factors to be considered include: (1) The overall size of the Peace Corps program with respect to the number of employees and/or Volunteers, size of budget, and size and composition of staff at post of assignment, (2) the nature and cost of the accommodation, and (3) the capacity of the host country agency to which the applicant would be assigned to provide any special accommodation necessary for the applicant to carry out the assignment.

(d) Legal status. The applicant must not be on parole or probation to any court or have any court established or acknowledged financial or other legal obligation which, in the opinion of D/GC and MRPS, cannot be satisfied or postponed during the period of Peace Corps service.

(e) Intelligence background. In accordance with longstanding Peace Corps policy, prior employment by any agency of the United States Government, civilian or military, or division of such an agency, whose exclusive or principle function is the performance of intelligence activities; or engaging in intelligence activities or related work may disqualify a person from eligibility for Peace Corps service. See section 611 of the Peace Corps Manual.

(f) Marital status. (1) Ordinarily, if an applicant is married or intends to marry prior to Peace Corps service, both husband and wife must apply and qualify for assignment at the same location. Exceptions to this rule will be considered by the Office of Volunteer Placement (MRPS/P) under the following conditions:

2)(i) Unaccompanied married applicant. In order to qualify for consideration for Peace Corps service, a married applicant whose spouse does not wish to accompany him/her overseas must provide the Office of Placement (MRPS/P) with a notarized letter from the spouse acknowledging that he or she is aware of the applicant spouse’s intention to serve as a Peace Corps Volunteer for two years or more and that any financial and legal obligations of the applicant to his or her spouse can be met during the period of Peace Corps service. In determining eligibility in such cases, MRPS/P will also consider whether the service of one spouse without the accompaniment of the other can reasonably be anticipated to disrupt the applicant spouse’s service overseas.

(ii) In addition to satisfying the above requirements, a married applicant who is legally, or in fact, separated from his or her spouse, must provide MRPS/P with copies of any agreements or other documentation setting forth any legal and financial responsibilities which the parties have to one another during any period of separation.

(3) Divorced applicants. Applicants who have been divorced must provide MRPS/P with copies of all legal documents related to the divorce.

(g) Dependents. Peace Corps has authority to provide benefits and allowances for the dependent children of Peace Corps Volunteers who are under the age of 18. However, applicants with dependent children under the age of 18 will not be considered eligible for Peace Corps service unless MRPS/P determines that the skills of the applicants are essential to meet the requirements of a Volunteer project, and that qualified applicants without minor dependents are not available to fill the assignment.

(1) Procedures for placing volunteers with children. The placement of any couple with dependent children must have the concurrence of the appropriate Country and Regional Director.

(2) If the applicant has any dependents who will not accompany him or her overseas, the applicant must satisfy MRPS/P and the General Counsel that adequate arrangements have been made for the care and support of the dependent during any period of training and Peace Corps service; that such service will not adversely affect the relationship between the applicant and dependent in such a way as to disrupt his or her service; and that he or she is not using Peace Corps service to escape responsibility for the welfare of any dependents under the age of 18.

(3) Married couples with more than two children or with children who are below two years of age are not eligible for Peace Corps service except in extraordinary circumstances as approved.
§ 305.3 Background investigations.

Section 22 of the Peace Corps Act states that to ensure enrollment of a Volunteer is consistent with the national interest, no applicant is eligible for Peace Corps Volunteer service without a background investigation. The Peace Corps requires that all applicants accepted for training have as a minimum a National Agency Check. Information revealed by the investigation may be grounds for disqualification or separation from Peace Corps Volunteer service. (See section 284 of the Peace Corps Manual.)

§ 305.4 Selection standards.

To qualify for selection for overseas service as a Peace Corps Volunteer, applicants must demonstrate that they possess the following personal attributes:

(a) Motivation. A sincere desire to carry out the goals of Peace Corps service, and a commitment to serve a full term as a Volunteer.

(b) Productive competence. The intelligence and educational background to meet the needs of the individual’s assignment.

(c) Emotional maturity/adaptability. The maturity, flexibility, and self-sufficiency to adapt successfully to life in another culture, and to interact and communicate with other people regardless of cultural, social, and economic differences.

(d) Skills. By the end of training, in addition to the attributes mentioned above, a Trainee must demonstrate competence in the following areas:

(1) Language. The ability to communicate in the language of the country of service with the fluency required to meet the needs of the overseas assignment.

(2) Technical competence. Proficiency in the technical skills needed to carry out the assignment.

(3) Knowledge. Adequate knowledge of the culture and history of the country of assignment to ensure a successful adjustment to, and acceptance by, the host country society. The Trainee must also have an awareness of the history and government of the United States which qualifies the individual to represent the United States abroad.

(e) Failure to meet standards. Failure to meet any of the selection standards by the completion of training may be grounds for deselection and disqualification from Peace Corps service.

§ 305.5 Procedures.

Procedures for filing, investigating, and determining allegations of discrimination on the basis of race, color, national origin, religion, age, sex, handicap or political affiliation in the application of any provision of this part are contained in MS 293 (45 CFR part 1225).

PART 306—VOLUNTEER DISCRIMINATION COMPLAINT PROCEDURE

§ 308.6 Reports regarding changes in systems.

The agency shall provide to Congress and the Office of Management and Budget advance notice of any proposal to establish or alter any system of records as defined herein. This report will be submitted in accord with guidelines provided by the Office of Management and Budget.

§ 308.7 Use of social security account number in records systems. [Reserved]

§ 308.8 Rules of conduct.

(a) The head of the agency shall assure that all persons involved in the design, development, operation or maintenance of any systems of records as defined herein are informed of all requirements necessary to protect the privacy of individuals who are the subject of such records. All employees shall be informed of all implications of the Act in this area including the criminal penalties provided under the Act, and the fact the agency may be
subject to civil suit for failure to comply with the provisions of the Privacy Act and these regulations.

(b) The head of the agency shall also ensure that all personnel having access to records receive adequate training in the protection of the security of personal records and that adequate and proper storage is provided for all such records with sufficient security to assure the privacy of such records.

§ 308.9 Records systems—management and control.

(a) The Director, Office of Administrative Services, shall have overall control and supervision of the security of all records keeping systems and shall be responsible for monitoring the security standards set forth in these regulations.

(b) A designated official (System Manager) shall be named who shall have management responsibility for each record system maintained by the agency and who shall be responsible for providing protection and accountability for such records at all times and for insuring that such records are secured in appropriate containers wherever not in use or in the direct control of authorized personnel.

§ 308.10 Security of records systems—manual and automated.

The head of the agency has the responsibility of maintaining adequate technical, physical, and security safeguards to prevent unauthorized disclosure or destruction of manual and automatic record systems. These security safeguards shall apply to all systems in which identifiable personal data are processed or maintained including all reports and outputs from such systems which contain identifiable personal information. Such safeguards must be sufficient to prevent negligent, accidental, or unintentional disclosure, modification or destruction of any personal records or data and must furthermore minimize the extent to which technicians or knowledgeable persons could improperly obtain access to modify or destroy such records or data and shall further insure against such casual entry by unskilled persons without official reasons for access to such records or data.

(a) Manual systems. (1) Records contained in records systems as defined herein may be used, held or stored only where facilities are adequate to prevent unauthorized access by persons within or without the agency.

(2) All records systems when not under the personal control of the employees authorized to use same must be stored in an appropriate metal filing cabinet. Where appropriate, such cabinet shall have a three position dial-type combination lock, and/or be equipped with a steel lock bar secured by a GSA approved changeable combination padlock or in some such other securely locked cabinet as may be approved by GSA for the storage of such records. Certain systems are not of such confidential nature that their disclosure would harm an individual who is the subject of such record. Records in this category shall be maintained in steel cabinets without the necessity of combination locks.

(3) Access to and use of systems of records shall be permitted only to persons whose official duties require such access within the agency, for routine use as defined in §308.4 and in the Peace Corps’ published systems of records notices, or for such other uses as may be provided herein.

(4) Other than for access within the agency to persons needing such records in the performance of their official duties or routine uses as defined herein and in the Peace Corps’ systems of records notices or such other uses as provided herein, access to records within systems of records shall be permitted only to the individual to whom the record pertains or upon his or her written request to a designated personal representative.

(5) Access to areas where records systems are stored will be limited to those persons whose official duties require work in such areas and proper accounting of removal of any records from storage areas shall be maintained at all times in the form directed by the Director, Administrative Services.

(6) The agency shall assure that all persons whose official duties require access to and use of records contained in records systems are adequately trained to protect the security and privacy of such records.

Each office maintaining a system of records shall keep a written account of routine disclosures (see paragraphs (a) through (e) of this section) for all records within such system in the form prescribed by the Director, Office of Administrative Services. Disclosure made to employees of the agency in the normal course of their official duties or pursuant to the provisions of the Freedom of Information Act need not be accounted for. Such written account shall contain the following:

(b) The name and address of the person or agency to whom the disclosure was made.

(c) Sufficient information to permit the construction of a listing of all disclosures at appropriate periodic intervals.

(a) The agency shall maintain in any records contained in any records system hereunder only such information about an individual as is accurate, relevant, and necessary to accomplish the purpose for which the agency acquired the information as authorized by statute or executive order.

(b) In situations in which the information may result in adverse determinations about such individual’s rights, benefits and privileges under any Federal program, all information placed in records systems shall, to the greatest extent practicable, be collected from the individual to whom the record pertains.

(c) Each form or other document which an individual is expected to complete in order to provide information for any records system shall have appended thereto, or in the body of the document:

(1) An indication of the authority authorizing the solicitation of the information and whether the provision of
the information is mandatory or voluntary.

(2) The purpose or purposes for which the information is intended to be used.

(3) Routine uses which may be made of the information and published pursuant to §308.7 of this regulation.

(4) The effect on the individual, if any, of not providing all or part of the required or requested information.

(d) Records maintained in any system of records used by the agency to make any determination about any individual shall be maintained with such accuracy, relevancy, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the making of any determination about such individual: Provided, however, That the agency shall not be required to update or keep current retired records.

(e) Before disseminating any record about an individual to any person other than an agency as defined in 5 U.S.C. 552(e) or pursuant to the provisions of the Freedom of Information Act (5 U.S.C. 552), the agency shall make reasonable efforts to assure that such records are accurate, complete, timely and relevant for agency purposes.

(f) Under no circumstances shall the agency maintain any record about an individual with respect to or describing how such individual exercises rights guaranteed by the first amendment of the Constitution of the United States unless expressly authorized by statute or by the individual about whom the record is maintained or unless pertinent to and within the scope of an authorized law enforcement activity.

(g) In the event any record is disclosed as a result of the order of a presiding judge of a court of competent jurisdiction, the agency shall make reasonable efforts to notify the individual whose record was so disclosed after the process becomes a matter of public record.

§ 308.13 Access to records.

(a) The Director, Administrative Services, shall keep a current list of systems of records maintained by the agency and published in accordance with the provisions of these regulations.

(b) Individuals requesting access to any record the agency maintains about him or her in a system of records shall be provided access to such records. Such requests shall be submitted in writing by mail, or in person during regular business hours, to the System Managers identified in the specific system notices. Systems maintained at overseas and domestic field offices may be addressed to the Country Director or Regional Service Center Manager. If assistance is needed, the Director, Office of Administrative Services, will provide agency addresses.

(c) Requests for records from more than one system of records shall be directed to the Director, Office of Administrative Services, Peace Corps, 806 Connecticut Avenue, NW., Washington, DC 20526.

(d) Requests for access to or copies of records should contain, at a minimum, identifying information needed to locate any given record and a brief description of the item or items of information required. If the individual wishes access to specific documents the request should identify or describe as nearly as possible such documents.

(e) A record may be disclosed to a representative of the person to whom a record relates who is authorized in writing to have access to the record by the person to whom it relates.

(f) A request made in person will be promptly complied with if the records sought are in the immediate custody of the Peace Corps. Mailed or personal request for documents in storage which must be compiled from more than one location, or which are otherwise not immediately available, will be acknowledged within ten working days, and the records requested will be provided as promptly thereafter as possible.

(g) Medical or psychological records shall be disclosed to an individual unless in the judgment of the agency, access to such records might have an adverse effect upon such individual. When such determination has been made, the agency may require that the information be disclosed only to a physician chosen by the requesting individual. Such physician shall have full authority to disclose all or any portion of

(b) In the event that disclosure is requested by mail, the agency may request such information as may be necessary to reasonably assure that the individual making such request is properly identified. In certain cases, the agency may require that a mail request be notarized with an indication that the notary received an acknowledgment of identity from the individual making such request.

(c) In the event an individual is unable to provide suitable documentation or identification, the agency may require a signed notarized statement asserting the identity of the individual and stipulating that the individual understands that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to $5,000.

(d) In the event a requester wishes to be accompanied by another person while reviewing his or her records, the agency may require a written statement authorizing discussion of his or her records in the presence of the accompanying representative or other persons.

(a) In the event an individual desires to request an amendment of his or her record, he or she may do so by submitting such written request to the Director, Administrative Services, Peace Corps, 806 Connecticut Avenue, NW., Washington, DC 20526. The Director, Administrative Services, shall provide assistance in preparing any amendment upon request and a written acknowledgment of receipt of such request within 10 working days after the receipt thereof from the individual who requested the amendment. (b) Promptly after acknowledgment of the receipt of a request for an amendment the agency shall take one of the following actions:

1. Make any corrections of any portion of the record which the individual believes is not accurate, relevant, timely or complete.

2. Inform the individual of its refusal to amend the record in accord with the request together with the reason for such refusal and the procedures established for requesting review of such refusal by the head of the agency or his or her designee. Such notice shall include the name and business address of the reviewing official.

3. Refer the request to the agency that has control of and maintains the record in those instances where the record requested remains the property of the controlling agency and not of the Peace Corps.

(c) In reviewing a request to amend the record the agency shall assess the accuracy, relevance, timeliness and completeness of the record with due and appropriate regard for fairness to the individual about whom the record is maintained. In making such determination, the agency shall consult criteria for determining record quality published in pertinent chapters of the Federal Personnel Manual and to the extent possible shall accord therewith.

(d) In the event the agency agrees with the individual’s request to amend such record it shall:

(1) Advise the individual in writing,

(2) Correct the record accordingly, and

(2) Inform the individual that he or she may request further review in accordance with the provisions of these regulations, and

(3) Specify The name and address of the person to whom the request should be directed.

(f) In the event an individual requester disagrees with the initial agency determination, he or she may appeal such determination to the Director of the Peace Corps or his or her designee. Such request for review must be made within 30 days after receipt by the requester of the initial refusal to amend.

(g) If after review the Director or designee refuses to amend the record as requested he or she shall advise the individual requester of such refusal and the reasons for same; of his or her right to file a concise statement in the record of the reasons for disagreeing with the decision of the agency; of the procedures for filing a statement of disagreement and of the fact that such statement so filed will be made available to anyone to whom the record is subsequently disclosed together with a brief statement of the agency summarizing its reasons for refusal, if the agency decides to place such brief statement in the record. The agency shall have the authority to limit the length of any statement to be filed, such limit to depend upon the record involved. The agency shall also inform such individual that prior recipients of the disputed record will be provided a copy of both statements of the dispute to the extent that the accounting of disclosures has been maintained and of the individual’s right to seek judicial review of the agency’s refusal to amend the record.

(h) If after review the official determines that the record should be amended in accordance with the individual’s request, the agency shall proceed as provided above in the event a request is granted upon initial demand.

(i) Final agency determination of an individual’s request for a review shall be concluded with 30 working days from the date of receipt of the review request: Provided, however, That the Director or designee may determine that fair and equitable review cannot be made within that time. In the event that the agency finds it necessary to deny any individual access to a record about such individual pursuant to provisions of the Privacy Act or of these regulations, a response to the original request shall be made in writing within ten working days after the date of such initial request. The denial shall specify the reasons for such refusal or denial and advise the individual of the reasons therefore, and of his or her right to an appeal within the agency and/or judicial review under the provisions of the Act.

(a) In the event an individual desires to appeal any denial of access, he or she may so in writing by addressing such appeal to the attention of the Director, Peace Corps, or designee identified in such denial. Such appeal should be addressed to Director, Peace Corps, c/o Office of Administrative Services, Room P–314, 806 Connecticut Avenue, NW., Washington, DC 20526.

(b) The Director, or designee, shall review a request from a denial of access and shall make a determination with respect to such appeal within 30 days after receipt thereof. Notice of such determination shall be provided to the individual making the request in writing. If such appeal is denied in whole or in part, such notice shall include notification of the right of the person making such request to have judicial review of the denial as provided in the Act.
§ 308.18 Fees.

No fees shall be charged for search time or for any other time expended by the agency to produce a record. Copies of records may be charged for at the rate of 10 cents per page provided that one copy of any record shall be provided free of charge.

§ 309.9 Notice—written demand for payment.

(a) Upon determination that a debt is owed to Peace Corps or the United States, Peace Corps shall promptly hand deliver or send by first-class mail (to the debtor’s most current address in the records of Peace Corps) at least one written notice (e.g. Bill of Collection or demand letter) informing the debtor of the consequences of failing to pay or otherwise resolve a Peace Corps debt, subject to paragraph (c) of this section. Written demand under this subpart may be preceded by other appropriate actions under this part and or the FCCS, including but not limited to actions taken under the procedures applicable to administrative offset, including salary offset.

(b) The written notice shall inform the debtor of:

1. The nature and amount of the debt, and the facts giving rise to the debt;
2. The date by which payment should be made to avoid the imposition of interest, penalties, and administrative costs, and the enforced collection actions described in §309.5 of this part;

(10) Requirement that the debtor advise Peace Corps of any bankruptcy proceeding of the debtor.

(c) Peace Corps may omit from a notice to a debtor one or more of the provisions contained in paragraphs (b) (6) through (10) of this section if Peace Corps determines that any provision is not legally required given the collection remedies to be applied to a particular debt, or which have already been provided by prior notice, applicable agreement, or contract.

§ 309.10 Review requirements.

(a) For purposes of this section, whenever Peace Corps is required to afford a debtor a review within the agency, Peace Corps shall provide the debtor with an opportunity for an internal review of the existence or the amount of the debt. For offset of current Federal salary under 5 U.S.C. 5514 for certain debts, debtors may also request an outside hearing. (See subpart C of this part)

(b) Any request for a review must be in writing to the contact office by the payment due date stated in the initial notice sent under § 309.9(b) or other applicable provision. The debtor’s request shall state the basis for the dispute and include any relevant documentation in support.

(1) Peace Corps will provide for an internal review of the debt by an appropriate agency official. The review may include examination of documents, internal discussions with relevant officials and discussion by letter or orally with the debtor, at Peace Corps’ discretion.

(2) An oral hearing is not required when, in Peace Corps’ determination, the matter can be decided on the documentary record. Peace Corps will provide a “paper hearing”, that is, a determination based upon a review of the written record unless Peace Corps makes a determination that a debt involves issues of credibility or veracity, at which point an oral hearing may be required. Unless otherwise required by law, such oral hearing shall not be a formal evidentiary hearing.

§ 309.11 Collection.

Upon final determination of the existence and amount of a debt, unless other acceptable payment arrangement have been made or procedures under a specific statute apply, Peace Corps shall collect the debt by one or more of the methods described in § 309.9(b) (6) (1-vii) or as otherwise authorized by law and regulation.

(a) Administrative offset—(1) Payments otherwise due the debtor from the United States shall be offset from the debt in accordance with 31 CFR 901.3. These may be funds under the control of Peace Corps or other Federal agencies. Collection may be through centralized offset by the Financial Management Service (FMS) of the Department of the Treasury.

(2) Such payments include but are not limited to vendor payments, salary, retirement, lump sum payments due upon Federal employment separation, travel reimbursements, tax refunds, loans or other assistance. Offset of Federal salary payments will be in accordance with 5 U.S.C. 5514.

(3) Before administrative offset is instituted by another Federal agency or the FMS, Peace Corps shall certify in writing to that entity that the debt is past due and legally enforceable and that Peace Corps has complied with all applicable due process and other requirements as described in this part and other Federal law and regulations.

(b) Any other method authorized by law or regulation.

This subpart provides Peace Corps’ policies and procedures for the collection by salary offset of a Federal employee’s pay to satisfy certain past due debts owed the United States Government.

§ 309.13 Scope.

(a) The provisions of this section apply to collection by salary offset under 5 U.S.C. 5514 of debts owed to Peace Corps and debts owed to other
§ 309.14 Coordinating offset with another Federal agency.

(a) When Peace Corps is owed a debt by an employee of another agency, the other agency shall not initiate the requested offset until Peace Corps provides the agency with a written certification that the debtor owes Peace Corps a debt (including the amount and basis of the debt and the due date of payment) and that Peace Corps has complied with these regulations.

(b) When another agency is owed the debt, Peace Corps may use salary offset against one of its employees who is indebted to another agency, if requested to do so by that agency. Such request must be accompanied by a certification that the person owes the debt (including the amount and basis of the debt and the due date of payment) and that the agency has complied with its regulations as required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

§ 309.15 Notice requirements before offset.

(a) Deductions under the authority of 5 U.S.C. 5514 shall not be made unless the creditor agency first provides the employee with written notice that he/she owes a debt to the Federal Government at least 30 calendar days before salary offset is to be initiated. When Peace Corps is the creditor agency this notice of intent to offset an employee’s salary shall be hand-delivered or sent by certified mail to the most current address that is available. The written notice will state:

1. That Peace Corps has reviewed the records relating to the claim and has determined that a debt is owed, its origin and nature, and the amount of the debt;

2. The intention of Peace Corps to collect the debt by means of deduction from the employee’s current disposable pay account until the debt and all accumulated interest is paid in full;

3. The amount, frequency, approximate beginning date, and duration of the intended deductions;

4. An explanation of the Peace Corps’ policy concerning interest, penalties and administrative costs, including a statement that such assessments must be made unless excused in accordance with the FCCS (See § 309.5);

5. The employee’s right to inspect and copy all records of the Peace Corps pertaining to the debt claimed or to receive copies of such records if personal inspection is impractical;

6. The right to a hearing conducted by a hearing official (an administrative law judge, or alternatively, an individual not under the supervision or control of the Peace Corps) with respect to the existence and amount of the debt claimed, or the repayment schedule, so long as a petition is filed by the employee as prescribed;

7. If not previously provided, the opportunity (under terms agreeable to the Peace Corps) to establish a schedule for the voluntary repayment of the debt or to enter into a written agreement to establish a schedule for repayment of the debt in lieu of offset. The agreement must be in writing, signed by both the employee and the creditor agency, and documented in the creditor agency’s files;
(8) The name, address and telephone number of an officer or employee of the Peace Corps who may be contacted concerning procedures for requesting a hearing;

(9) The method and time period for requesting a hearing;

(10) That the timely filing of a petition for a hearing as prescribed will stay the commencement of collection proceedings;

(11) The name and address of the office to which the petition should be sent;

(12) That the Peace Corps will initiate certification procedures to implement a salary offset, as appropriate, (which may not exceed 15 percent of the employee’s disposable pay) not less than 30 calendar days from the date of delivery of the notice of debt, unless the employee files a timely petition for a hearing;

(13) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 calendar days after the filing of the petition requesting the hearing, unless the hearing official grants a delay in the proceedings;

(14) That any knowingly false or frivolous statements, representations or evidence may subject the employee to:

(i) Disciplinary procedures appropriate under the Peace Corps Act or the Foreign Service Act, Peace Corps regulations, or any other applicable statutes or regulations;

(ii) Penalties under the False Claims Act, §§3729–3731 of title 31, United States Code, or any other applicable statutory authority; and

(iii) Criminal penalties under 18 U.S.C. sections 286, 287, 1001, and 1002 or any other applicable authority;

(15) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(16) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee; and

(17) That proceedings with respect to such debt are governed by 5 U.S.C. 5514.

(b) Peace Corps is not required to provide prior notice to an employee when the following adjustments are made by Peace Corps to a Peace Corps employee’s pay:

(1) Any adjustment to pay arising out of an employee’s election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay if the amount to be recovered was accumulated over four pay periods or less;

(2) A routine adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the four pay periods preceding the adjustment, and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting the adjustment; or

(3) Any adjustment to collect a debt of $50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature of the amount of the adjustment and a point of contact for contesting the adjustment.

§ 309.16 Review.

(a) Request for outside hearing. Except as provided in paragraph (b) of this section, an employee who desires an outside hearing concerning the existence or amount of the debt or the proposed offset schedule must send a request to the office designated in the notice of intent. See §309.15(a)(8). The request must be received by the designated office not later than 20 calendar days after the date of delivery of the notice as provided in §309.15(a). The request must be signed by the employee and should identify and explain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position. If the employee objects to the percentage of disposable pay to be deducted from each check, the request should state the objection and the reasons for it. The employee must also
specify whether an oral hearing or a review of the documentary evidence is requested. If an oral hearing is desired, the request should explain why the matter cannot be resolved by review of the documentary evidence alone.

(b) Failure to submit timely. (1) If the employee files a petition for a review after the expiration of the 20 calendar day period provided for in paragraph (a) of this section, the designated office may accept the request if the employee can show that the delay was the result of circumstances beyond his or her control, or because of a failure to receive the notice of the filing deadline (unless the employee has actual knowledge of the filing deadline).

(2) An employee waives the right to a review, and will have his or her disposable pay offset in accordance with Peace Corps’ offset schedule, if the employee fails to file a request for a hearing unless such failure is excused as provided in paragraph (b)(1) of this section.

(c) Representation at the hearing. The creditor agency may be represented by a representative of its choice. The employee may represent himself or herself or may be represented by an individual of his or her choice and at his or her expense.

(d) Review of Peace Corps records related to the debt. (1) An employee who intends to inspect or copy creditor agency records related to the debt in accordance with §309.15(a) (5), must send a letter to the official designated in the notice of intent to offset stating his or her intention. The letter must be sent within 20 calendar days after receipt of the notice.

(2) In response to a timely request submitted by the debtor, the designated official will notify the employee of the location and time when the employee may inspect and copy records related to the debt.

(3) If personal inspection is impractical, copies of such records shall be sent to the employee.

(e) Oral Hearing. (1) If an employee timely files a request for an oral hearing under §309.16(a), the matter will be conducted by a hearing official not under the supervision or control of Peace Corps.

(2) Procedure. (i) After the employee requests a hearing, the hearing official shall notify the employee of the form of the hearing to be provided. If the hearing will be oral, notice shall set forth the date, time and location of the hearing. If the hearing will be paper, the employee shall be notified that he or she should submit arguments in writing to the hearing official by a specified date after which the record shall be closed. This date shall give the employee reasonable time to submit documentation.

(ii) An employee who requests an oral hearing shall be provided an oral hearing if the hearing official determines that the matter cannot be resolved by review of documentary evidence alone (e.g. when an issue of credibility or veracity is involved). The hearing is not an adversarial adjudication, and need not take the form of an evidentiary hearing.

(iii) If the hearing official determines that an oral hearing is not necessary, he or she will make a decision based upon a review of the available written record.

(iv) The hearing official must maintain a summary record of any hearing provided by this subpart. Witnesses who provide testimony will do so under oath or affirmation.

(3) Decision. The written decision shall include:

(i) A statement of the facts presented to support the origin, nature, and amount of the debt;

(ii) The hearing official’s findings, analysis, and conclusions; and

(iii) The terms of any repayment schedules, or the date salary offset will commence, if applicable.

(4) Failure to appear. In the absence of good cause shown (e.g. excused illness), an employee who fails to appear at a
(5) A hearing official’s decision is considered to be an official certification regarding the existence and amount of the debt for purposes of executing salary offset under 5 U.S.C. 5514 only. It does not supersede the finding by Peace Corps that a debt is owed and does not affect the Government’s ability to recoup the debt through alternative collection methods under other appropriate methods.

§ 309.17 Procedures for salary offset.

Unless otherwise provided by statute or contract, the following procedures apply to salary offset:

(a) Method. Salary offset will be made by deduction at one or more officially established pay intervals from the current pay account of the employee without his or her consent.

(b) Source. The source of salary offset is current disposable pay.

(c) Types of collection—(1) Lump sum payment. Ordinarily debts will be collected by salary offset in one lump sum if possible. However, if the amount of the debt exceeds 15 percent of disposable pay for an officially established pay interval, the collection by salary offset must be made in installment deductions.

(2) Installment deductions. (i) The size of installment deductions must bear a reasonable relation to the size of the debt and the employee’s ability to pay. If possible, the size of the deduction will be that necessary to liquidate the debt in no more than 1 year. However, the amount deducted for any period must not exceed 15 percent of the disposable pay from which the deduction is made, except as provided by other regulations or unless the employee has agreed in writing to greater amount.

(ii) Installment payments of less than $25 per pay period will be accepted only in the most unusual circumstances.

(iii) Installment deductions will be made over a period of not greater than the anticipated period of employment.

§ 309.18 Voluntary repayment agreements as an alternative to salary offset.

(a) In response to a notice of intent, an employee may propose a written agreement to repay the debt as an alternative to salary offset. Any employee who wishes to repay a debt without salary offset shall submit in writing a proposed agreement to repay the debt. The proposal shall admit the existence of the debt and set forth a proposed repayment schedule. Any proposal under this paragraph must be received by the official designated in that notice within 20 calendar days after receipt of the notice of intent.

(b) When the Peace Corps is the creditor agency, in response to a timely proposal by the debtor the agency will notify the employee whether the employee’s proposed written agreement for repayment is acceptable. It is within the agency’s discretion to accept a repayment agreement instead of proceeding by offset.

(c) If the Peace Corps decides that the proposed repayment agreement is unacceptable, the employee will have 15 calendar days from the date he or she received notice of the decision to file a petition for a review.

(d) If the Peace Corps decides that the proposed repayment agreement is acceptable, the alternative arrangement must be in writing and signed by both the employee and a designated agency official.

§ 309.19 Waiver.

(a) Under certain circumstances, employees may have a statutory right to request a waiver of indebtedness. When an employee makes a request under a statutory right, further collection will be stayed pending an administrative determination on the request.

(b) Waiver of indebtedness is an equitable remedy and as such must be based on an assessment of the facts involved in the individual case under consideration. The burden is on the employee to demonstrate that the applicable waiver standard has been met.
§ 309.20 Compromise.

Peace Corps may attempt to effect compromise in accordance with the standards set forth in the FCCS (31 CFR part 902).

§ 309.21 Suspension of collection.

Suspension of collection action shall be made in accordance with the standards set forth in the FCCS (31 CFR part 902.1–902.2).

§ 309.22 Termination of collection.

Termination of collection action shall be made in accordance with the standards set forth in the FCCS (31 CFR 903.1 and 903.3–903.4).

§ 309.23 Discharge.

Once a debt has been closed out for accounting purposes and collection has been terminated, the debt is discharged. Peace Corps will report discharged debt as income to the debtor to the Internal Revenue Service per 26 U.S.C. 6050P and 26 CFR 1.6050P–1.

§ 309.24 Bankruptcy.

Peace Corps generally terminates collection activity on debts that have been discharged in bankruptcy unless otherwise provided for by bankruptcy law. The CFO will seek legal advice by the General Counsel’s office if there is the belief that any claims or offset may have survived the discharge of a debtor.

PART 311—NEW RESTRICTIONS ON LOBBYING

Subpart A—General

§ 311.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certification, set forth in appendix A, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in appendix B, if such person has made or has
agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in Appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in Appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

§ 311.105 Definitions.

For purposes of this part:

(a) Agency, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

(b) Covered Federal action means any of the following Federal actions:

(1) The awarding of any Federal contract;
(2) The making of any Federal grant;
(3) The making of any Federal loan;
(4) The entering into of any cooperative agreement; and,
(5) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) Federal contract means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) Federal cooperative agreement means a cooperative agreement entered into by an agency.

(e) Federal grant means an award of financial assistance in the form of money, or property in lieu of money, by the Federal Government or a direct appropriation made by law to any person. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, loan insurance, interest subsidies, insurance, or direct United States cash assistance to an individual.

(f) Federal loan means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) Indian tribe and tribal organization have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

(h) Influencing or attempting to influence means making, with the intent to influence, any communication to or appearance before an officer or employee or any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

(i) Loan guarantee and loan insurance means an agency's guarantee or insurance of a loan made by a person.

(j) Local government means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.
§ 311.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000, unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

(q) State means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.
§ 311.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §311.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and
legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95–507 and other subsequent amendments.

e) Only those activities expressly authorized by this section are allowable under this section.

§ 311.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 311.100 (a), does not apply in the case of any reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 311.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 311.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 311.100 (a), does not apply in the case of any reasonable
payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §311.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, professional and technical services shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§311.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to...
continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 311.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 311.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart F—Exemptions

§ 311.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

§ 311.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no
Peace Corps

later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 311.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Use the SF-LLL-A Continuation Sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. 5. If the organization filing the report in item 4 checks “Subawardee”, then enter the full name, address, city, state and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.

Include prefixes, e.g., “RFP-DE-90-001.”

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.

(b) Enter the full names of the individual(s) performing services, and include full address if different from item (a). Enter Last Name, First Name, and Middle Initial (MI).

12. Check the appropriate box(es). Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.

13. Check the appropriate box(es). Check all boxes that apply. If other, specify nature.

14. Provide a specific and detailed description of the services that the lobbyist has performed, or will be expected to perform, and the date(s) of any services rendered. Subpart D—Responsibilities of Peace Corps Awarding Officials

§ 312.400 What are my responsibilities as a Peace Corps awarding official?

Subpart E—Violations of This Part and Consequences

§ 312.500 How are violations of this part determined for recipients other than individuals?

§ 312.505 How are violations of this part determined for recipients who are individuals?
§ 312.110 Are any of my Federal assistance awards exempt from this part?
This part does not apply to any award that the Peace Corps Director or designee determines that the application of this part would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government.

§ 312.115 Does this part affect the Federal contracts that I receive?
It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in §312.510(c). However, this part does not apply directly to procurement contracts. The portion of the Drug-Free Workplace Act of 1988 that applies to Federal procurement contracts is carried out through the Federal Acquisition Regulation in chapter 1 of Title 48 of the Code of Federal Regulations (the drug-free workplace coverage currently is in 48 CFR part 23, subpart 23.5).

Subpart B—Requirements for Recipients Other Than Individuals

§ 312.200 What must I do to comply with this part?
There are two general requirements if you are a recipient other than an individual.
(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—
(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§312.205 through 312.220); and
(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see §312.225).
(b) Second, you must identify all known workplaces under your Federal awards (see §312.230).

§ 312.205 What must I include in my drug-free workplace statement?
You must publish a statement that—
(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;
(b) Specifies the actions that you will take against employees for violating that prohibition; and
(c) Lets each employee know that, as a condition of employment under any award, he or she:
   (1) Will abide by the terms of the statement; and
   (2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

§ 312.210 To whom must I distribute my drug-free workplace statement?
You must require that a copy of the statement described in §312.205 be given to each employee who will be engaged in the performance of any Federal award.

§ 312.215 What must I include in my drug-free awareness program?
You must establish an ongoing drug-free awareness program to inform employees about—
(a) The dangers of drug abuse in the workplace;
(b) Your policy of maintaining a drug-free workplace;
(c) Any available drug counseling, rehabilitation, and employee assistance programs; and
(d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

§ 312.220 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?
If you are a new recipient that does not already have a policy statement as described in §312.205 and an ongoing awareness program as described in §312.215, you must publish the statement and establish the program by the time given in the following table:
§ 312.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

(a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by §312.205(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must:
   (1) Be in writing;
   (2) Include the employee’s position title;
   (3) Include the identification number(s) of each affected award;
   (4) Be sent within ten calendar days after you learn of the conviction; and
   (5) Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.

(b) Second, within 30 calendar days of learning about an employee’s conviction, you must either
   (1) Take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; or
   (2) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

§ 312.230 How and when must I identify workplaces?

(a) You must identify all known workplaces under each Peace Corps award. A failure to do so is a violation of your drug-free workplace requirements. You may identify the workplaces:
   (1) To the Peace Corps official that is making the award, either at the time of application or upon award; or
   (2) In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by Peace Corps officials or their designated representatives.

(b) Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

(c) If you identified workplaces to the Peace Corps awarding official at the time of application or award, as described in paragraph (a)(1) of this section, and any workplace that you identified changes during the performance of the award, you must inform the Peace Corps awarding official.

Subpart C—Requirements for Recipients Who Are Individuals

§ 312.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving an award, if you are an individual recipient, you must agree that—

(a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any
award activity, you will report the conviction:
(1) In writing.
(2) Within 10 calendar days of the conviction.
(3) To the Peace Corps awarding official or other designee for each award that you currently have, unless §312.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

§ 312.301 [Reserved]

Subpart D—Responsibilities of Peace Corps Awarding Officials

§ 312.400 What are my responsibilities as a(n) Peace Corps awarding official?
As a(n) Peace Corps awarding official, you must obtain each recipient’s agreement, as a condition of the award, to comply with the requirements in—
(a) Subpart B of this part, if the recipient is not an individual; or
(b) Subpart C of this part, if the recipient is an individual.

Subpart E—Violations of this Part and Consequences

§ 312.500 How are violations of this part determined for recipients other than individuals?
A recipient other than an individual is in violation of the requirements of this part if the Peace Corps Director or designee determines, in writing, that—
(a) The recipient has violated the requirements of subpart B of this part; or
(b) The number of convictions of the recipient’s employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

§ 312.505 How are violations of this part determined for recipients who are individuals?
An individual recipient is in violation of the requirements of this part if the Peace Corps Director or designee determines, in writing, that—
(a) The recipient has violated the requirements of subpart C of this part; or
(b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

§ 312.510 What actions will the Federal Government take against a recipient determined to have violated this part?
If a recipient is determined to have violated this part, as described in §312.500 or §312.505, the Peace Corps may take one or more of the following actions—
(a) Suspension of payments under the award;
(b) Suspension or termination of the award; and
(c) Suspension or debarment of the recipient under 22 CFR part 310, for a period not to exceed five years.

§ 312.515 Are there any exceptions to those actions?
The Peace Corps Director may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Peace Corps Director determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

Subpart F—Definitions

(c) The term award does not include:
(1) Technical assistance that provides services instead of money.
(2) Loans.
§ 312.650

(3) Loan guarantees.

§ 312.610 Controlled substance.

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes.

§ 312.620 Cooperative agreement.
Cooperative agreement means an award of financial assistance that, consistent with 31 U.S.C. 6305, is used to enter into the same kind of relationship as a grant (see definition of grant in §312.650), except that substantial involvement is expected between the Federal agency and the recipient when carrying out the activity contemplated by the award. The term does not include cooperative research and development agreements as defined in 15 U.S.C. 3710a.

§ 312.625 Criminal drug statute.
Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance.

§ 312.630 Debarment.
Debarment means an action taken by a Federal agency to prohibit a recipient from participating in Federal Government procurement contracts and covered nonprocurement transactions. A recipient so prohibited is debarred, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Nonprocurement), that implements Executive Order 12549 and Executive Order 12689.

§ 312.635 Drug-free workplace.
Drug-free workplace means a site for the performance of work done in connection with a specific award at which employees of the recipient are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance.

§ 312.640 Employee.
(a) Employee means the employee of a recipient directly engaged in the performance of work under the award, including—
(1) All direct charge employees;
(2) All indirect charge employees, unless their impact or involvement in the performance of work under the award is insignificant to the performance of the award; and
(3) Temporary personnel and consultants who are directly engaged in the performance of work under the award and who are on the recipient’s payroll.

(b) This definition does not include workers not on the payroll of the recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces).

§ 312.645 Federal agency or agency.
Federal agency or agency means any United States executive department, military department, government corporation, government controlled corporation, any other establishment in the executive branch (including the Executive Office of the President), or any independent regulatory agency.

§ 312.650 Grant.
Grant means an award of financial assistance that, consistent with 31 U.S.C. 6304, is used to enter into a relationship—
§ 312.655 Individual purpose.
(a) The principal purpose of which is to transfer a thing of value to the recipient to carry out a public purpose of support or stimulation authorized by a law of the United States, rather than to acquire property or services for the Federal Government’s direct benefit or use; and
(b) In which substantial involvement is not expected between the Federal agency and the recipient when carrying out the activity contemplated by the award.

§ 312.660 Recipient.
Recipient means any individual, corporation, partnership, association, unit of government (except a Federal agency) or legal entity, however organized, that receives an award directly from a Federal agency.

§ 312.665 State.
State means any of the States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.

§ 312.670 Suspension.
Suspension means an action taken by a Federal agency that immediately prohibits a recipient from participating in Federal Government procurement contracts and covered non-procurement transactions for a temporary period, pending completion of an investigation and any judicial or administrative proceedings that may ensue. A recipient so prohibited is suspended, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Non-procurement), that implements Executive Order 12549 and Executive Order 12689. Suspension of a recipient is a distinct and separate action from suspension of an award or suspension of payments under an award.
