

(c) *Homeless needs.* The plan must provide a concise summary of the nature and extent of homelessness (including rural homelessness and chronically homeless persons) within the state, addressing separately the need for facilities and services for homeless individuals and homeless families with children, both sheltered and unsheltered, and homeless subpopulations, in accordance with a table prescribed by HUD. This description must include the characteristics and needs of low-income individuals and families with children (especially extremely low-income) who are currently housed but threatened with homelessness. The plan also must contain a brief narrative description of the nature and extent of homelessness by racial and ethnic group, to the extent information is available.

(d) *Other special needs.* (1) The State shall estimate, to the extent practicable, the number of persons who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and any other categories the State may specify, and describe their supportive housing needs.

(2) With respect to a State seeking assistance under the HOPWA program, the plan must identify the size and characteristics of the population with HIV/AIDS and their families within the area it will serve.

(e) *Lead-based paint hazards.* The plan must estimate the number of housing units within the State that are occupied by low-income families or moderate-income families that contain lead-based paint hazards, as defined in this part.

§ 91.310 Housing market analysis.

(a) *General characteristics.* Based on data available to the State, the plan must describe the significant characteristics of the State's housing markets (including such aspects as the sup-

ply, demand, and condition and cost of housing).

(b) *Homeless facilities.* The plan must include a brief inventory of facilities and services that meet the emergency shelter, transitional housing, permanent supportive housing, and permanent housing needs of homeless persons within the state. The inventory should also include (to the extent the information is available to the state) an estimate of the percentage or number of beds and supportive services programs that are serving people that are chronically homeless.

(c) *Special need facilities and services.* The plan must describe, to the extent information is available, the facilities and services that assist persons who are not homeless but who require supportive housing, and programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing.

(d) *Barriers to affordable housing.* The plan must explain whether the cost of housing or the incentives to develop, maintain, or improve affordable housing in the State are affected by its policies, including tax policies affecting land and other property, land use controls, zoning ordinances, building codes, fees and charges, growth limits, and policies that affect the return on residential investment.

§ 91.315 Strategic plan.

(a) *General.* For the categories described in paragraphs (b), (c), (d), (e), and (f) of this section, the consolidated plan must do the following:

(1) Indicate the general priorities for allocating investment geographically within the state and among different activities and needs.

(2) Describe the rationale for establishing the allocation priorities given to each category of priority needs, particularly among extremely low-income, low-income, and moderate-income households.

(3) Identify any obstacles to meeting underserved needs.
