

§ 570.488

carry out procedures with respect to CDBG assistance that fulfill the objectives and requirements of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this title.

(d) States shall comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and the implementing regulations in 24 CFR part 135. Section 3 requires that employment and other economic opportunities arising in connection with housing rehabilitation, housing construction, or other public construction projects shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be given to low- and very low-income persons.

(e) *Architectural Barriers Act and the Americans with Disabilities Act.* The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally-funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this subpart after November 21, 1996 and that meets the definition of *residential structure* as defined in 24 CFR 40.2, or the definition of *building* as defined in 41 CFR 101-19.602(a), is subject to the requirements of the Architectural Barriers Act of 1968 and shall comply with the Uniform Federal Accessibility Standards. For general type buildings, these standards are in appendix A to 41 CFR part 101-19.6. For residential structures, these standards are available from the Department of Housing and Urban Development, Office of Fair Housing and Equal Opportunity, Disability Rights Division, Room 5240, 451 Seventh Street, SW, Washington, DC 20410; telephone (202) 708-2333 (voice) or (202) 708-1734 (TTY) (these are not toll-free numbers).

§ 570.488 Displacement, relocation, acquisition, and replacement of housing.

§ 570.489 Program administrative requirements.

(a) *Administrative and planning costs—*
(1) *State administrative costs.* (i) The state is responsible for the administration of all CDBG funds. The state shall pay from its own resources all administrative costs incurred by the state in carrying out its responsibilities under this subpart, except that the state may use CDBG funds to pay such costs in an amount not to exceed \$100,000 plus 50 percent of such costs in excess of \$100,000. States are therefore required to match such costs in excess of \$100,000 on a dollar for dollar basis. The amount of CDBG funds used to pay such costs in excess of \$100,000 shall not exceed 2 percent of the aggregate of the state's annual grant, program income received by units of general local government (whether retained by the unit of general local government or paid to the State) and funds reallocated by HUD to the state.

(ii) For determining the amount of CDBG funds available in past years for administrative costs incurred by the state, the following schedule applies:

(A) \$100,000 per annual grant beginning with FY 1984 allocations;

(B) Two percent of program income returned by units of general local government to the State after August 21, 1985; and

(C) Two percent of program income received by units of general local government after February 11, 1991.

(iii) The state has the option of selecting its approach for demonstrating compliance with this requirement. Regardless of the approach selected by the state, the state will be required to pay its 50 percent of administrative costs in excess of \$100,000 in the same amount and at the same time at which it draws CDBG funds for such costs after the expenditure of the \$100,000. Any state for which it is determined

that matching costs contributions are in arrears on the use of CDBG funds for administrative costs will be required to bring matching cost expenditures up to the level of CDBG expenditures for such costs within one year of the effective date of this subpart. A state grant may not be closed out if the state's matching cost contribution is not at least equal to the amount of CDBG funds in excess of \$100,000 expended for administration. Funds from any year's grant may be used to pay administrative costs associated with any other year's grant. The two approaches are:

(A) Cumulative accounting of administrative costs incurred by the state since its assumption of the Program. Under this approach, the state will identify, for each grant it has received, the CDBG funds eligible to be used for administrative costs as well as the maximum amount of matching funds which the state is required to pay. The amounts will then be aggregated for all grants received. The state must keep records demonstrating the actual amount of CDBG funds from each grant received which was used for administrative costs as well as matching amounts paid by the state. These amounts will also be aggregated for all grants received. The state will be considered to be in compliance with the requirement if the aggregate of actual amounts spent for administrative costs does not exceed the maximum amount allowable and the amount which the state has paid in matching funds is at least equal to the amount of CDBG funds in excess of \$100,000 (for each applicable allocation) drawn for administrative purposes. Any administrative amounts associated with a particular state grant shall be deducted from the aggregate totals upon closeout of that state grant.

(B) An accounting process developed and implemented by the state which provides sufficient information to demonstrate that the requirements of this subsection are met.

(2) The state may not charge fees of any entity for processing or considering any application for CDBG fund, or for carrying out its responsibilities under this subpart.

(3) The state and its funded units of general local government shall not ex-

pend for planning, management and administrative costs more than 20 percent of the aggregate amount of the annual grant, plus program income and funds reallocated by HUD to the State which are distributed during the time the final Statement for the annual grant is in effect. Administrative costs are those described at § 570.489(a)(1) for states, and for units of general local government those described at sections 105(a)(12) and (a)(13) of the Act.

(b) *Reimbursement of pre-agreement costs.* The state may permit, in accordance with such procedures as the State may establish, a unit of local government to incur costs for CDBG activities before the establishment of a formal grant relationship between the State and the unit of general local government and to charge these pre-agreement costs to the grant, provided that the activities are eligible and undertaken in accordance with the requirements of this subpart and 24 CFR part 58.

(c) *Federal grant payments—(1) Payments.* The state shall be paid in advance in accordance with Treasury Circular 1075 (31 CFR part 205). The State shall use procedures to minimize the time elapsing between the transfer of grant funds and disbursement of funds by the State to units of general local government. Units of general local government shall also use procedures to minimize the time elapsing between the transfer of funds by the State and disbursement for CDBG activities.

(2) *Interest on advances.* Interest earned by units of general local government on grant funds before disbursement of the funds for activities is not program income and must be returned to the Treasury, except that the unit of general local government may keep interest amounts of up \$100 per year for administrative expenses. However, the state shall not be held accountable for interest earned on grants for which payments are made in accordance with paragraph (c)(1) of this section pending disbursement for CDBG activities.

(d) *Fiscal controls and accounting procedures.* (1) A state shall have fiscal and administrative requirements for expending and accounting for all funds

received under this subpart. These requirements must be available for Federal inspection and must:

(i) Be sufficiently specific to ensure that funds received under this subpart are used in compliance with all applicable statutory and regulatory provisions:

(ii) Ensure that funds received under this subpart are only spent for reasonable and necessary costs of operating programs under this subpart; and

(iii) Ensure that funds received under this subpart are not used for general expenses required to carry out other responsibilities of state and local governments.

(2) A state may satisfy this requirement by:

(i) Using fiscal and administrative requirements applicable to the use of its own funds;

(ii) Adopting new fiscal and administrative requirements; or

(iii) Applying the provisions in 24 CFR part 85 “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.”

(e) *Program income.* (1) For the purposes of this subpart, “program income” is defined as gross income received by a state, a unit of general local government or a subrecipient of a unit of general local government that was generated from the use of CDBG funds, except as provided in paragraph (e)(2) of this section. When income is generated by an activity that is only partially assisted with CDBG funds, the income shall be prorated to reflect the percentage of CDBG funds used (e.g., a single loan supported by CDBG funds and other funds; a single parcel of land purchased with CDBG funds and other funds). Program income includes, but is not limited to, the following:

(i) Proceeds from the disposition by sale or long term lease of real property purchased or improved with CDBG funds;

(ii) Proceeds from the disposition of equipment purchased with CDBG funds;

(iii) Gross income from the use or rental of real or personal property acquired by the unit of general local government or a subrecipient of a unit of general local government with CDBG

funds; less the costs incidental to the generation of the income;

(iv) Gross income from the use or rental of real property owned by the unit of general local government or a subrecipient of a unit of general local government, that was constructed or improved with CDBG funds, less the costs incidental to the generation of the income;

(v) Payments of principal and interest on loans made using CDBG funds;

(vi) Proceeds from the sale of loans made with CDBG funds;

(vii) Proceeds from the sale of obligations secured by loans made with CDBG funds;

(viii) Interest earned on funds held in a revolving fund account;

(ix) Interest earned on program income pending disposition of the income;

(x) Funds collected through special assessments made against properties owned and occupied by households *not* of low and moderate income, where the special assessments are used to recover all or part of the CDBG portion of a public improvement; and

(xi) Gross income paid to a unit of general local government or subrecipient from the ownership interest in a for-profit entity acquired in return for the provision of CDBG assistance.

(2) “Program income” does not include the following:

(i) The total amount of funds which is less than \$25,000 received in a single year that is retained by a unit of general local government and its subrecipients;

(ii) Amounts generated by activities eligible under section 105(a)(15) of the Act and carried out by an entity under the authority of section 105(a)(15) of the Act;

(iii) Amounts generated by activities that are financed by a loan guaranteed under section 108 of the Act and meet one or more of the public benefit criteria specified at § 570.482(f)(3)(v) or are carried out in conjunction with a grant under section 108(q) of the Act in an area determined by HUD to meet the eligibility requirements for designation as an Urban Empowerment Zone pursuant to 24 CFR part 597, subpart B. Such exclusion shall not apply if CDBG funds are used to repay the guaranteed

loan. When such a guaranteed loan is partially repaid with CDBG funds, the amount generated shall be prorated to reflect the percentage of CDBG funds used. Amounts generated by activities financed with loans guaranteed under section 108 of the Act which are not defined as program income shall be treated as miscellaneous revenue and shall not be subject to any of the requirements of this part. However, such treatment shall not affect the right of the Secretary to require the section 108 borrower to pledge such amounts as security for the guaranteed loan. The determination whether such amounts shall constitute program income shall be governed by the provisions of the contract required at § 570.705(b)(1).

(3) The state may permit the unit of general local government which receives or will receive program income to retain the program income, subject to the requirements of paragraph (e)(3)(ii) of this section, or the state may require the unit of general local government to pay the program income to the state. The state, however, must permit the unit of general local government to retain the program income if the program income will be used to continue the activity from which the program income was derived. The state will determine when an activity will be considered to be continued.

(i) *Program income paid to the state.* Program income that is paid to the state is treated as additional CDBG funds subject to the requirements of this subpart and must be distributed to units of general local government in accordance with the method of distribution in the state's final Statement. To the maximum extent feasible, program income shall be distributed before the state makes additional withdrawals from the Treasury, except as provided in paragraph (f) of this section.

(ii) *Program income retained by a unit of general local government.* (A) Program income that is received and retained by the unit of general local government before closeout of the grant that generated the program income is treated as additional CDBG funds and is subject to all applicable requirements of this subpart.

(B) Program income that is received and retained by the unit of general local government after closeout of the grant that generated the program income is not subject to the requirements of this subpart, except:

(1) If the unit of general local government has another ongoing CDBG grant from the state at the time of closeout, the program income continues to be subject to the requirements of this subpart as long as there is an ongoing grant; and

(2) If program income is used to continue the activity that generated the program income, the requirements of this subpart apply to the program income as long as the unit of general local government uses the program income to continue the activity;

(3) The state may extend the period of applicability of the requirements of this subpart.

(C) The state shall require units of general local government, to the maximum extent feasible, to disburse program income that is subject to the requirements of this subpart before requesting additional funds from the state for activities, except as provided in paragraph (f) of this section.

(f) *Revolving funds.* (1) The state may permit units of general local government to establish revolving funds to carry out specific, identified activities. A revolving fund, for this purpose, is a separate fund (with a set of accounts that are independent of other program accounts) established to carry out specific activities which, in turn, generate payments to the fund for use in carrying out such activities. These payments to the revolving fund are program income and must be substantially disbursed from the revolving fund before additional grant funds are drawn from the Treasury for revolving fund activities. Such program income is not required to be disbursed for non-revolving fund activities.

(2) The state may establish a revolving fund to distribute funds to units of general local government to carry out specific, identified activities. A revolving fund, for this purpose, is a separate fund (with a set of accounts that are independent of other program accounts) established to fund grants to units of general local government to

carry out specific activities which, in turn, generate payments to the fund for additional grants to units of general local government to carry out such activities. Program income in the revolving fund must be disbursed from the fund before additional grant funds are drawn from the Treasury for payments to units of general local government which could be funded from the revolving fund.

(3) A revolving fund established by either the State or unit of general local government shall not be directly funded or capitalized with grant funds.

(g) *Procurement.* When procuring property or services to be paid for in whole or in part with CDBG funds, the state shall follow its procurement policies and procedures. The state shall establish requirements for procurement policies and procedures for units of general local government, based on full and open competition. Methods of procurement (e.g., small purchase, sealed bids/formal advertising, competitive proposals, and noncompetitive proposals) and their applicability shall be specified by the state. Cost plus a percentage of cost and percentage of construction costs methods of contracting shall not be used. The policies and procedures shall also include standards of conduct governing employees engaged in the award or administration of contracts. (Other conflicts of interest are covered by § 570.489(h).) The state shall ensure that all purchase orders and contracts include any clauses required by Federal statutes, executive orders and implementing regulations.

(h) *Conflict of interest—(1) Applicability.* (i) In the procurement of supplies, equipment, construction, and services by the States, units of local general governments, and subrecipients, the conflict of interest provisions in paragraph (g) of this section shall apply.

(ii) In all cases not governed by paragraph (g) of this section, this paragraph (h) shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance with CDBG funds by the unit of general local government or its subrecipients, to individuals, businesses and other private entities.

(2) *Conflicts prohibited.* Except for eligible administrative or personnel costs, the general rule is that no persons described in paragraph (h)(3) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this subpart or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest or benefit from the activity, or have an interest in any contract, sub-contract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(3) *Persons covered.* The conflict of interest provisions for paragraph (h)(2) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the state, or of a unit of general local government, or of any designated public agencies, or subrecipients which are receiving CDBG funds.

(4) *Exceptions: Thresholds requirements.* Upon written request by the State, an exception to the provisions of paragraph (h)(2) of this section involving an employee, agent, consultant, officer, or elected official or appointed official of the state may be granted by HUD on a case-by-case basis. In all other cases, the state may grant such an exception upon written request of the unit of general local government provided the state shall fully document its determination in compliance with all requirements of paragraph (h)(4) of this section including the state's position with respect to each factor at paragraph (h)(5) of this section and such documentation shall be available for review by the public and by HUD. An exception may be granted after it is determined that such an exception will serve to further the purpose of the Act and the effective and efficient administration of the program or project of the state or unit of general local government as appropriate. An exception may be considered only after the state or unit of general local government, as

appropriate, has provided the following:

(i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(ii) An opinion of the attorney for the state or the unit of general local government, as appropriate, that the interest for which the exception is sought would not violate state or local law.

(5) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the requirements of paragraph (h)(4) of this section have been satisfactorily met, the cumulative effect of the following factors, where applicable, shall be considered:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

(ii) Whether an opportunity was provided for open competitive bidding or negotiation;

(iii) Whether the person affected is a member of a group or class of low or moderate income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (h)(3) of this section;

(vi) Whether undue hardship will result either to the State or the unit of general local government or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(vii) Any other relevant considerations.

(i) *Closeout of grants to units of general local government.* The State shall establish requirements for timely closeout of grants to units of general local gov-

ernment and shall take action to ensure the timely closeout of such grants.

(j) *Change of use of real property.* The standards described in this section apply to real property within the unit of general local government's control (including activities undertaken by subrecipients) which was acquired or improved in whole or in part using CDBG funds in excess of the threshold for small purchase procurement (24 CFR 85.36, "Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments"). These standards shall apply from the date CDBG funds are first spent for the property until five years after closeout of the unit of general local government's grant.

(1) A unit of general local governments may not change the use or planned use of any such property (including the beneficiaries of such use) from that for which the acquisition or improvement was made, unless the unit of general local government provides affected citizens with reasonable notice of and opportunity to comment on any proposed change, and either:

(i) The new use of the property qualifies as meeting one of the national objectives and is not a building for the general conduct of government; or

(ii) The requirements in paragraph (j)(2) of this section are met.

(2) If the unit of general local government determines, after consultation with affected citizens, that it is appropriate to change the use of the property to a use which does not qualify under paragraph (j)(1) of this section, it may retain or dispose of the property for the changed use if the unit of general local government's CDBG program is reimbursed or the state's CDBG program is reimbursed, at the discretion of the state. The reimbursement shall be in the amount of the current fair market value of the property, less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, and improvements to, the property, except that if the change in use occurs after grant closeout but within 5 years of such closeout, the unit of general local government shall

§ 570.490

24 CFR Ch. V (4–1–10 Edition)

make the reimbursement to the State's CDBG program account.

(3) Following the reimbursement of the CDBG program in accordance with paragraph (j)(2) of this section, the property no longer will be subject to any CDBG requirements.

(k) *Accountability for real and personal property.* The State shall establish and implement requirements, consistent with State law and the purposes and requirements of this subpart (including paragraph (j) of this section) governing the use, management, and disposition of real and personal property acquired with CDBG funds.

(l) *Debarment and suspension.* The requirements in 24 CFR part 2424 are applicable. CDBG funds may not be provided to excluded or disqualified persons.

(m) *Audits.* Audits of the state and units of general local government shall be conducted in accordance with 24 CFR part 44 which implements the Single Audit Act (31 U.S.C. 7501–07). States shall develop and administer an audits management system to ensure that audits of units of general local government are conducted in accordance with 24 CFR part 44.

§ 570.490 Recordkeeping requirements.

(a) *State records.* (1) The state shall establish and maintain such records as may be necessary to facilitate review and audit by HUD of the state's administration of CDBG funds under § 570.493. The content of records maintained by the state shall be as jointly agreed upon by HUD and the states and sufficient to enable HUD to make the determinations described at § 570.493. For fair housing and equal opportunity purposes, and as applicable, such records shall include data on the racial, ethnic, and gender characteristics of persons who are applicants for, participants in, or beneficiaries of the program. The records shall also permit audit of the states in accordance with 24 CFR part 85.

(2) The state shall keep records to document its funding decisions reached under the method of distribution de-

scribed in 24 CFR 91.320(j)(1), including all the criteria used to select applications from local governments for funding and the relative importance of the criteria (if applicable), regardless of the organizational level at which final funding decisions are made, so that they can be reviewed by HUD, the Inspector General, the Government Accountability Office, and citizens pursuant to the requirements of § 570.490(c).

(b) *Unit of general local government's record.* The State shall establish recordkeeping requirements for units of general local government receiving CDBG funds that are sufficient to facilitate reviews and audits of such units of general local government under §§ 570.492 and 570.493. For fair housing and equal opportunity purposes, and as applicable, such records shall include data on the racial, ethnic, and gender characteristics of persons who are applicants for, participants in, or beneficiaries of the program.

(c) *Access to records.* (1) Representatives of HUD, the Inspector General, and the General Accounting Office shall have access to all books, accounts, records, reports, files, and other papers, or property pertaining to the administration, receipt and use of CDBG funds and necessary to facilitate such reviews and audits.

(2) The State shall provide citizens with reasonable access to records regarding the past use of CDBG funds and ensure that units of general local government provide citizens with reasonable access to records regarding the past use of CDBG funds consistent with State or local requirements concerning the privacy of personal records.

(d) *Record retention.* Records of the State and units of general local government, including supporting documentation, shall be retained for the greater of three years from closeout of the grant to the state, or the period required by other applicable laws and regulations as described in § 570.487 and § 570.488.
