#### §570.513 Lump sum drawdown for financing of property rehabilitation activities.

Subject to the conditions prescribed in this section, recipients may draw funds from the letter of credit in a lump sum to establish a rehabilitation fund in one or more private financial institutions for the purpose of financing the rehabilitation of privately owned properties. The fund may be used in conjunction with various rehabilitation financing techniques, including loans, interest subsidies, loan guarantees, loan reserves, or such other uses as may be approved by HUD consistent with the objectives of this section. The fund may also be used for making grants, but only for the purpose of leveraging non-CDBG funds for the rehabilitation of the same property.

- (i) Prior level of rehabilitation activity; or
- (ii) Rehabilitation staffing and management capacity during the period

(2) No grant funds may be deposited under this section solely for the purpose of investment, notwithstanding that the interest or other income is to be used for the rehabilitation activities.

(2) *Requirements for agreement.* The recipient shall execute a written agreement with one or more private financial institutions for the operation of the rehabilitation fund. The agreement shall specify the obligations and responsibilities of the parties, the terms and conditions on which CDBG funds are to be deposited and used or returned, the anticipated level of rehabilitation activities by the financial institution, the rate of interest and other benefits to be provided by the financial institution in return for the lump sum deposit, and such other terms as are necessary for compliance with the provisions of this section. Upon execution of the agreement, a copy must be provided to the HUD field office for its record and use in monitoring. Any modifications made during the term of the agreement must also be provided to HUD.
