The amount payable on the note must be reduced by a percentage of the original principal amount of the note for each full month of ownership by the subsequent homeowner. The percentage must be computed by determining the percentage of the term of the promissory note the homeowner has owned the property. The remainder may be retained by the subsequent homeowner selling the property.

(e) *Additional restrictions.* Notwithstanding paragraph (a) of this section, an applicant may propose in its application, and HUD may approve, additional reasonable restrictions on the resale of units under the program. HUD does not encourage additional restrictions, but HUD approval will be based on a review of the individual circumstances. However, HUD will not approve restrictions that it determines will substantially limit the ability of homeowners to realize financial appreciation in the value of their homes.
