EMSA's with higher than average per capita incidence of AIDS.

(c) *Minimum grant.* No grant awarded under paragraph (b) of this section shall be less than \$200,000. Therefore, if the calculations under paragraph (b) of this section would result in any eligible metropolitan statistical area or eligible State receiving less than \$200,000, the amount allocated to that entity is increased to \$200,000 and allocations to entities in excess of \$200,000 are proportionately reduced by the amount of the increase.

§ 574.190 Reallocation of grant amounts.

If an eligible State or qualifying city does not submit a consolidated plan in a timely fashion, in accordance with 24 CFR part 91, that provides for use of its allocation of funding under this part, the funds allocated to that jurisdiction will be added to the funds available for formula allocations to other jurisdictions in the current fiscal year. Any formula funds that become available as a result of deobligations or the imposition of sanctions as provided for in § 574.540 will be added to the funds available for formula allocations in the next fiscal year.
