Subparts D–E [Reserved]

Subpart F—Housing Assistance Payments Contract

§ 883.601 Applicability.

The provisions of this subpart apply to new construction and substantial rehabilitation projects using contract authority allocated under subpart B, Allocation and Assignment of Contract Authority, or processed and constructed under subpart D, Fast Track Procedures.

§ 883.602 The contract.

(a) *Contract.* The Housing Assistance Payments Contract sets forth rights and duties of the owner and State Agency with respect to the project and the Housing Assistance payments.

(b) *Housing Assistance Payments to Owners under the Contract.* The Housing Assistance Payments made under the Contract are:

(1) Payments to the owner to assist eligible families leasing assisted units, and

(2) Payments to the owner for vacant assisted units (“vacancy payments”) if the conditions specified in § 880.611 of this chapter are satisfied.

The housing assistance payments are made monthly by the State Agency upon proper requisition by the owner, except payments for vacancies of more

than 60 days, which are made semi-annually by the Agency upon proper requisition by the owner.

(c) *Amount of Housing Assistance Payments to the Owner.* (1) The amount of the housing assistance payments made to the owner of a unit being leased by an eligible family is the difference between the contract rent for the unit and the tenant rent payable by the family.

(2) A housing assistance payment will be made to the owner for a vacant assisted unit in an amount equal to 80 percent of the contract rent for the first 60 days of vacancy, subject to the conditions in § 880.611 of this chapter. If the owner collects any tenant rent or other amount for this period which, when added to this vacancy payment, exceeds the contract rent, the excess must be repaid as the Agency directs in accordance with HUD guidelines.

(3) For a vacancy that exceeds 60 days, a housing assistance payment for the vacant unit will be made, subject to the conditions in § 880.611 of this chapter, in an amount equal to the principal and interest payments required to amortize that portion of the debt attributable to the vacant unit for up to 12 additional months.

(d) *Payment of utility reimbursement.* Where applicable, the Utility Reimbursement will be paid to the Family as an additional Housing Assistance Payment. The Contract will provide that the Owner will make this payment on behalf of the Agency. Funds will be paid to the Owner in trust solely for the purpose of making this additional payment. If the Family and the utility company consent, the Owner may pay the Utility Reimbursement jointly to the Family and the utility company or directly to the utility company.
