§ 941.604 Definitions.

In addition to the definitions set forth in § 941.602(a)(1), the following definitions are applicable to this subpart:

Development. A housing facility consisting of public housing units, and that may also consist of non-public housing units, that has been developed, or that will be developed, using mixed-finance strategies under this subpart.

Mixed-finance. The combined use of publicly and privately financed sources of funds for the development of public housing units under this subpart.

Owner Entity. The entity that will own the public housing units, if the PHA holds less than one hundred percent of the ownership interest; or the lessee under a ground lease from the PHA. The owner entity may be a partnership that includes the PHA.

Participating party. Any person, firm, corporation, or public or private entity that:

(1) Agrees to provide financial or other resources to carry out the approved proposal, or specified activities contained in the proposal; or

(2) Otherwise participates in the development and/or operation of the public housing units and will receive funds derived from HUD with respect to such participation. The term "participating party" includes an owner entity or partner.

Partner. A third party entity with whom the PHA has entered into a partnership or other contractual arrangement to provide for the mixed-finance development of public housing units pursuant to this subpart, and that has primary responsibility with the PHA for the development of the housing units under the terms of the approved proposal.

Proposal. For purposes of this subpart only, the term "proposal" means a detailed PHA submission of information under § 941.606.

Public Housing Agency (PHA). Any State, county, municipality, or other governmental entity or public body (or agency or instrumentality thereof)

which is authorized to engage in or assist in the development or operation of low-income housing under this part. For purposes of this subpart, the term "PHA" also encompasses any agency or instrumentality of the PHA.

Public housing unit. A unit that is eligible to receive operating subsidy pursuant to section 9 of the Act (42 U.S.C. 1437g).

§ 941.606 Proposal.

Each proposal shall be prepared in the form prescribed by HUD and shall include some or all of the following documentation, as deemed necessary by HUD. In determining the amount of information to be submitted by the PHA under this section, HUD shall consider whether the documentation is required for HUD to carry out mandatory statutory or executive order reviews, the quality of the PHA's past performance in implementing development projects under this part, and the PHA's demonstrated administrative capability, as demonstrated by its overall score on the PHMAP. The proposal includes:

(a) *Activities; relationship of participating parties.* An identification of the participating parties and a description of the activities to be undertaken by each of the participating parties and the PHA, and the legal and business relationships between the PHA and each of the participating parties.

(b) *Financing.* A detailed description of all financing (including public housing development funds) necessary for the implementation of the proposal, specifying the sources (with respect to each of the proposed categorical uses of all such financing), together with a ten-year operating pro forma for the development (including all underlying assumptions). In addition, the PHA may be required to submit to HUD, for such review and approval as HUD deems necessary, all documents (including applications for financing) relating to the financing of the proposal, including, but not limited to, any loan agreements, notes, mortgages or deeds of trust, use restrictions, operating pro formas relating to the viability of the development, and other agreements or documents pertaining to the financing of the proposal.
