§ 943.150 What procurement standards apply to a PHA’s joint venture partner?

(a) General. A joint venture partner is not a grantee or subgrantee and, accordingly, is not required to comply with part 84 or part 85 of this title in its procurement of goods and services under this part. The partner must comply with all applicable State and local procurement and conflict of interest requirements with respect to its selection of entities to assist in PHA program administration.

(b) Exception. If the joint venture partner is a subsidiary, affiliate, or identity of interest party of the PHA, it is subject to the requirements of part 85 of this title. HUD may, on a case-by-case basis, exempt such a joint venture partner from the need to comply with requirements under part 85 of this title if HUD determines that the joint venture has developed an acceptable alternative procurement plan.

(c) Contracting with identity-of-interest parties. A joint venture partner may contract with an identity-of-interest party for goods or services, or a party specified in the selected bidder’s response to a RFP or RFQ (as applicable), without the need for further procurement if:

(1) The PHA can demonstrate that its original competitive selection of the partner clearly anticipated the later provision of such goods or services;

(2) Compensation of all identity-of-interest parties is structured to ensure there is no duplication of profit or expenses; and

(3) The PHA can demonstrate that its selection is reasonable based upon prevailing market costs and standards, and that the quality and timeliness of the goods or services is comparable to that available in the open market. For purposes of this paragraph (c), an “identity-of-interest party” means a party that is wholly owned or controlled by, or that is otherwise affiliated with, the partner or the PHA. The PHA may use an independent organization experienced in cost valuation to determine the cost reasonableness of the proposed contracts.

§ 943.151 What procurement standards apply to a joint venture itself?

(a) When the joint venture as a whole is controlled by the PHA or an identity of interest party of the PHA, the joint venture is subject to the requirements of part 85 of this title.

(b) If a joint venture is not controlled by the PHA or an identity of interest party of the PHA, then the rules that apply to the other partners apply. See §943.150.
