

§ 983.205 Term of HAP contract.

(a) *Ten-year initial term.* The PHA may enter into a HAP contract with an owner for an initial term of up to ten years for each contract unit. The length of the term of the HAP contract for any contract unit may not be less than one year, nor more than ten years.

(b) *Extension of term.* Within one year before expiration, the PHA may agree to extend the term of the HAP contract for an additional term of up to five years if the PHA determines an extension is appropriate to continue providing affordable housing for low-income families. Subsequent extensions are subject to the same limitations. Any extension of the term must be on the form and subject to the conditions prescribed by HUD at the time of the extension.

(c) *Termination by PHA—insufficient funding.* (1) The HAP contract must provide that the term of the PHA's contractual commitment is subject to the availability of sufficient appropriated funding (budget authority) as determined by HUD or by the PHA in accordance with HUD instructions. For purposes of this section, "sufficient funding" means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract.

(2) The availability of sufficient funding must be determined by HUD or by the PHA in accordance with HUD instructions. If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the PHA has the right to terminate the HAP contract by notice to the owner for all or any of the contract units. Such action by the PHA shall be implemented in accordance with HUD instructions.

(d) *Termination by owner—reduction below initial rent.* The owner may terminate the HAP contract, upon notice to the PHA, if the amount of the rent to owner for any contract unit, as adjusted in accordance with § 983.302, is reduced below the amount of the initial rent to owner (rent to owner at the be-

ginning of the HAP contract term). In this case, the assisted families residing in the contract units will be offered tenant-based voucher assistance.

§ 983.206 HAP contract amendments (to add or substitute contract units).

(a) *Amendment to substitute contract units.* At the discretion of the PHA and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same building for a previously covered contract unit. Prior to such substitution, the PHA must inspect the proposed substitute unit and must determine the reasonable rent for such unit.

(b) *Amendment to add contract units.* At the discretion of the PHA, and provided that the total number of units in a building that will receive PBV assistance or other project-based assistance will not exceed 25 percent of the number of dwelling units (assisted or unassisted) in the building or the 20 percent of authorized budget authority as provided in § 983.6, a HAP contract may be amended during the three-year period immediately following the execution date of the HAP contract to add additional PBV contract units in the same building. An amendment to the HAP contract is subject to all PBV requirements (e.g., rents are reasonable), except that a new PBV request for proposals is not required. The anniversary and expiration dates of the HAP contract for the additional units must be the same as the anniversary and expiration dates of the HAP contract term for the PBV units originally placed under HAP contract.

(c) *Staged completion of contract units.* Even if contract units are placed under the HAP contract in stages commencing on different dates, there is a single annual anniversary for all contract units under the HAP contract. The annual anniversary for all contract units is the annual anniversary date for the first contract units placed under the HAP contract. The expiration of the HAP contract for all the contract units completed in stages must be concurrent with the end of the HAP contract term for the units originally placed under HAP contract.
