

Waiver of HUD rules. See 24 CFR 5.110.

§ 983.5 Description of the PBV program.
(a) How PBV works. (1) The PBV program is administered by a PHA that already administers the tenant-based voucher program under an annual contributions contract (ACC) with HUD. In the PBV program, the assistance is "attached to the structure." (See description of the difference between "project-based" and "tenant-based" rental assistance at 24 CFR 982.1(b).)

(2) The PHA enters into a HAP contract with an owner for units in existing housing or in newly constructed or rehabilitated housing.

(3) In the case of newly constructed or rehabilitated housing, the housing is developed under an Agreement between the owner and the PHA. In the Agreement, the PHA agrees to execute a HAP contract after the owner completes the construction or rehabilitation of the units.

(4) During the term of the HAP contract, the PHA makes housing assistance payments to the owner for units leased and occupied by eligible families.

(b) How PBV is funded. (1) If a PHA decides to operate a PBV program, the PHA’s PBV program is funded with a portion of appropriated funding (budget authority) available under the PHA’s voucher ACC. This pool of funding is used to pay housing assistance for both tenant-based and project-based voucher units and to pay PHA administrative fees for administration of tenant-based and project-based voucher assistance.

(2) There is no special or additional funding for project-based vouchers. HUD does not reserve additional units for project-based vouchers and does not provide any additional funding for this purpose.

(c) PHA discretion to operate PBV program. A PHA has discretion whether to operate a project-based voucher program. HUD approval is not required.

§ 983.6 Maximum amount of PBV assistance.
(a) The PHA may select owner proposals to provide project-based assistance for up to 20 percent of the amount of budget authority allocated to the PHA by HUD in the PHA voucher program. PHAs are not required to reduce the number of PBV units selected under an Agreement or HAP contract if the amount of budget authority is subsequently reduced.

(b) All PBC and project-based voucher units for which the PHA has issued a notice of proposal selection or which are under an Agreement or HAP contract for PBC or project-based voucher assistance count against the 20 percent maximum.

(c) The PHA is responsible for determining the amount of budget authority that is available for project-based vouchers and for ensuring that the amount of assistance that is attached to units is within the amounts available under the ACC.

§ 983.7 Uniform Relocation Act.
(a) Relocation assistance for displaced person. (1) A displaced person must be provided relocation assistance at the levels described in and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4201–4655) and implementing regulations at 49 CFR part 24.

(2) The cost of required relocation assistance may be paid with funds provided by the owner, or with local public funds, or with funds available from other sources. Relocation costs may not be paid from voucher program funds; however, provided payment of relocation benefits is consistent with state and local law, PHAs may use
their administrative fee reserve to pay for relocation assistance after all other program administrative expenses are satisfied. Use of the administrative fee reserve in this manner must be consistent with legal and regulatory requirements, including the requirements of 24 CFR 982.155 and other official HUD issuances.

(b) Real property acquisition requirements. The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B.

(c) Responsibility of PHA. The PHA must require the owner to comply with the URA and 49 CFR part 24.

(d) Definition of initiation of negotiations. In computing a replacement housing payment to a residential tenant displaced as a direct result of privately undertaken rehabilitation or demolition of the real property, the term “initiation of negotiations” means the execution of the Agreement between the owner and the PHA.

§ 983.8 Equal opportunity requirements.

(a) The PBV program requires compliance with all equal opportunity requirements under federal law and regulation, including the authorities cited at 24 CFR 5.105(a).

(b) The PHA must comply with the PHA Plan civil rights and affirmatively furthering fair housing certification submitted by the PHA in accordance with 24 CFR 903.7(o).

§ 983.9 Special housing types.

(a) Applicability. (1) For applicability of rules on special housing types at 24 CFR part 982, subpart M, see §983.2.

(2) In the PBV program, the PHA may not provide assistance for shared housing, cooperative housing, manufactured home space rental, or the homeownership option.

(b) Group homes. A group home may include one or more group home units. A separate lease is executed for each elderly person or person with disabilities who resides in a group home.

§ 983.10 Project-based certificate (PBC) program.

(a) What is it? “PBC program” means project-based assistance attached to units pursuant to an Agreement executed by a PHA and owner before January 16, 2001, and in accordance with:

(1) The regulations for the PBC program at 24 CFR part 983, codified as of May 1, 2001 and contained in 24 CFR part 983 revised as of April 1, 2002; and

(2) Section 8(d)(2) of the 1937 Act, as in effect before October 21, 1998 (the date of enactment of Title V of Public Law 105–276, the Quality Housing and Work Responsibility Act of 1998, codified at 42 U.S.C. 1437 et seq.).

(b) What rules apply? Units under the PBC program are subject to the provisions of 24 CFR part 983 codified as of May 1, 2001, except that 24 CFR 983.151(c) on renewals does not apply. Consistent with the PBC HAP, at the sole option of the PHA, HAP contracts may be renewed for terms for an aggregate total (including the initial and any renewal terms) of 15 years, subject to the availability of appropriated funds.
