

(D) The person's liability does not include any alternative method tax that was not imposed at all times during the look-back quarter and the month preceding the look-back quarter.

(iv) *Modification for tax rate increase.* The safe harbor rules of this paragraph (b)(2) do not apply to regular method taxes or alternative method taxes for the first and second calendar quarters beginning on or after the effective date of an increase in the rate of any tax to which this part 40 applies unless the deposit of those taxes for each semi-monthly period in the calendar quarter is not less than 1/6 of the tax liability the person would have had with respect to those taxes for the look-back quarter if the increased rate of tax had been in effect for the look-back quarter.

(v) *Failure to comply with deposit requirements.* If a person fails to make deposits as required under this part 40, that failure may be reported to the appropriate IRS office and the IRS may withdraw the person's right to use the safe harbor rules of this paragraph (b)(2).

(c) *Time to deposit—(1) In general.* The deposit of tax for any semimonthly period must be made by the 14th day of the following semimonthly period unless such day is a Saturday, Sunday, or legal holiday in the District of Columbia in which case the immediately preceding day which is not a Saturday, Sunday, or legal holiday in the District of Columbia is treated as the 14th day. Thus, generally, the deposit of tax for the first semimonthly period in a month is due by the 29th day of that month and the deposit of tax for the second semimonthly period in a month is due by the 14th day of the following month.

(2) *Exceptions.* See § 40.6302(c)-2 for the special rules for September. See § 40.6302(c)-3 for the special rules for deposits under the alternative method.

(d) *Remittance of deposits—(1) Deposits by federal tax deposit coupon.* A completed Form 8109, "Federal Tax Deposit Coupon," must accompany each deposit. The deposit must be remitted, in accordance with the instructions applicable to the form, to a financial institution authorized as a depository for federal taxes (as provided in 31 CFR part 203).

(2) *Deposits by electronic funds transfer.* For the requirement to deposit excise taxes by electronic funds transfer, see § 31.6302-1(h) of this chapter. A taxpayer not required to deposit by electronic funds transfer pursuant to § 31.6302-1(h) of this chapter remains subject to the rules of this paragraph (d).

(e) *Exceptions—(1) Taxes excluded.* No deposit is required in the case of the taxes imposed by—

(i) Section 4042 (relating to fuel used on inland waterways);

(ii) Section 4161 (relating to sport fishing equipment and bows and arrow components);

(iii) Section 4682(h) (relating to floor stocks tax on ozone-depleting chemicals); and

(iv) Section 48.4081-3(b)(1)(iii) of this chapter (relating to certain removals of gasohol from refineries).

(2) *One-time filings.* No deposit is required in the case of any taxes reportable on a one-time filing (as defined in § 40.6011(a)-2(b)).

(3) *De minimis exception.* For any calendar quarter, no deposit is required if the net tax liability for the quarter does not exceed \$2,500.

(f) *Effective date.* This section is applicable with respect to deposits that relate to calendar quarters beginning on or after October 1, 2001.

[T.D. 8963, 66 FR 41776, Aug. 9, 2001]

§ 40.6302(c)-2 Special rules for September.

(a) *In general—(1) Separate deposits required for the second semimonthly period.* In the case of deposits of taxes not deposited under the alternative method (regular method taxes) for the second semimonthly period in September, separate deposits are required for the period September 16th through 26th and for the period September 27th through 30th.

(2) *Amount of deposit—(i) In general.* The deposits of regular method taxes for the period September 16th through 26th and the period September 27th through 30th must be not less than 95 percent of the net tax liability for regular method taxes incurred during the respective periods. The net tax liability for regular method taxes incurred

during these periods may be computed by—

(A) Determining the amount of net tax liability for regular method taxes reasonably expected to be incurred during the second semimonthly period in September;

(B) Treating $\frac{1}{15}$ of the amount determined under paragraph (a)(2)(i)(A) of this section as the net tax liability for regular method taxes incurred during the period September 16th through 26th; and

(C) Treating the remainder of the amount determined under paragraph (a)(2)(i)(A) of this section (adjusted to reflect the amount of net tax liability for regular method taxes actually incurred through the end of September) as the net tax liability for regular method taxes incurred during the period September 27th through 30th.

(ii) *Safe harbor rules.* The safe harbor rules in § 40.6302(c)-1(b)(2) do not apply for the third calendar quarter unless—

(A) The deposit of taxes for the period September 16th through 26th is not less than $\frac{1}{60}$ of the net tax liability for regular method taxes reported for the look-back quarter; and

(B) The total deposit of taxes for the second semimonthly period in September is not less than $\frac{1}{6}$ of the net tax liability for regular method taxes reported for the look-back quarter.

(3) *Time to deposit.* (i) The deposit required for the period beginning September 16th must be made by September 29th unless—

(A) September 29th is a Saturday, in which case the deposit must be made by September 28th; or

(B) September 29th is a Sunday, in which case the deposit must be made by September 30th.

(ii) The deposit required for the period ending September 30th must be made at the time prescribed in § 40.6302(c)-1(c).

(b) *Persons not required to use electronic funds transfer.* The rules of this section are applied with the following modifications in the case of a person not required to deposit taxes by electronic funds transfer.

(1) *Periods.* The deposit periods for the separate deposits required under paragraph (a) of this section are Sep-

tember 16th through 25th and September 26th through 30th.

(2) *Amount of deposit.* In computing the amount of deposit required under paragraph (a)(2)(i)(B) of this section, the applicable fraction is $\frac{10}{15}$. In computing the amount of deposit required under paragraph (a)(2)(ii)(A) of this section, the applicable fraction is $\frac{10}{60}$.

(3) *Time to deposit.* In the case of the deposit required under paragraph (a) of this section for the period beginning September 16th, the deposit must be made by September 28th unless—

(i) September 28th is a Saturday, in which case the deposit must be made by September 27th; or

(ii) September 28th is a Sunday, in which case the deposit must be made by September 29th.

(c) *Effective date.* This section is applicable with respect to deposits that relate to calendar quarters beginning on or after October 1, 2001.

[T.D. 8963, 66 FR 41777, Aug. 9, 2001]

§ 40.6302(c)-3 Special rules for use of Government depositaries under chapter 33.

(a) *Overview.* This section sets forth an alternative method for computing the amount of deposits of taxes imposed by chapter 33, and provides rules relating to the time for making a deposit and the amount of tax to be reported on the return of tax for each quarter by persons using the alternative method. The safe harbor rules for computing deposits of tax using the alternative method and the general rules relating to deposits are set forth in § 40.6302(c)-1 and apply unless inconsistent with the rules set forth below.

(b) *Alternative method for computing deposits—(1) In general—(i) Alternative method.* Any person required to collect and pay over any tax imposed by chapter 33 may compute the amount of that tax to be deposited on the basis of amounts considered as collected (the “alternative method”) instead of on the basis of actual collections of tax.

(ii) *Using more than one method to compute deposits.* A person may compute deposits of tax imposed by one or more sections of chapter 33 using the alternative method provided by this section and compute deposits of taxes imposed by other sections of chapter 33 on the
