§ 1.108-6 Limitations on the exclusion of income from the discharge of qualified real property business indebtedness.

(a) *Indebtedness in excess of value.* With respect to any qualified real property business indebtedness that is discharged, the amount excluded from gross income under section 108(a)(1)(D) (concerning discharges of qualified real property business indebtedness) shall not exceed the excess, if any, of the outstanding principal amount of that indebtedness immediately before the discharge over the net fair market value of the qualifying real property, as defined in § 1.1017-1(c)(1), immediately before the discharge. For purposes of this section, *net fair market value* means the fair market value of the qualifying real property (notwithstanding section 7701(g)), reduced by the outstanding principal amount of any qualified real property business indebtedness (other than the discharged indebtedness) that is secured by such property immediately before and after the discharge. Also, for purposes of section 108(c)(2)(A) and this section, outstanding principal amount means the principal amount of indebtedness together with all additional amounts owed that, immediately before the discharge, are equivalent to principal, in that interest on such amounts would accrue and compound in the future, except that outstanding principal amount shall not include amounts that are subject to section 108(e)(2) and shall be adjusted to account for unamortized premium and discount consistent with section 108(e)(3).

(b) *Overall limitation.* The amount excluded from gross income under section 108(a)(1)(D) shall not exceed the aggregate adjusted bases of all depreciable real property held by the taxpayer immediately before the discharge (other than depreciable real property acquired in contemplation of the discharge) reduced by the sum of any—

(1) Depreciation claimed for the taxable year the taxpayer excluded discharge of indebtedness from gross income under section 108(a)(1)(D); and

(2) Reductions to the adjusted bases of depreciable real property required under section 108(b) or section 108(g) for the same taxable year.

(c) *Effective date.* This section applies to discharges of qualified real property business indebtedness occurring on or after October 22, 1998.

§ 1.108-7 Reduction of attributes.

(a) *In general.* (1) If a taxpayer excludes discharge of indebtedness income (COD income) from gross income under section 108(a)(1)(A), (B), or (C), then the amount excluded shall be applied to reduce the following tax attributes of the taxpayer in the following order:

- (i) Net operating losses.
- (ii) General business credits.
- (iii) Minimum tax credits.
- (iv) Capital loss carryovers.
- (v) Basis of property.
- (vi) Passive activity loss and credit carryovers.
- (vii) Foreign tax credit carryovers.

(2) The taxpayer may elect under section 108(b)(5), however, to apply any portion of the excluded COD income to reduce first the basis of depreciable property. To the extent the excluded COD income is not so applied, the taxpayer must then reduce any remaining tax attributes in the order specified in section 108(b)(2). If the excluded COD income exceeds the sum of the taxpayer's tax attributes, the excess is permanently excluded from the taxpayer's gross income. For rules relating to basis reductions required by sections 108(b)(2)(E) and 108(b)(5), see sections 1017 and 1.1017-1. For rules relating to the time and manner for making an election under section 108(b)(5), see § 1.108-4.

(b) *Carryovers and carrybacks.* The tax attributes subject to reduction under section 108(b)(2) and paragraph (a)(1) of this section that are carryovers to the taxable year of the discharge, or that may be carried back to taxable years preceding the year of the discharge, are taken into account by the taxpayer for the taxable year of the discharge or the preceding years, as the case may be, before such attributes are reduced pursuant to section 108(b)(2) and paragraph (a)(1) of this section.

(c) *Transactions to which section 381 applies.* If a taxpayer realizes COD income that is excluded from gross income under section 108(a) either during

or after a taxable year in which the taxpayer is the distributor or transferor of assets in a transaction described in section 381(a), any tax attributes to which the acquiring corporation succeeds, including the basis of property acquired by the acquiring corporation in the transaction, must reflect the reductions required by section 108(b). For this purpose, all attributes listed in section 108(b)(2) immediately prior to the transaction described in section 381(a), but after the determination of tax for the year of the distribution or transfer of assets, including basis of property, will be available for reduction under section 108(b)(2). However, the basis of stock or securities of the acquiring corporation, if any, received by the taxpayer in exchange for the transferred assets shall not be available for reduction under section 108(b)(2).

(d) *Special rules for S corporations—(1) In general.* If an S corporation excludes COD income from gross income under section 108(a)(1)(A), (B), or (C), the amount excluded shall be applied to reduce the S corporation's tax attributes under paragraph (a)(1) of this section. For purposes of paragraph (a)(1)(i) of this section, the aggregate amount of the shareholders' losses or deductions that are disallowed for the taxable year of the discharge under section 1366(d)(1), including disallowed losses or deductions of a shareholder that transfers all of the shareholder's stock in the S corporation during the taxable year of the discharge, is treated as the net operating loss tax attribute (deemed NOL) of the S corporation for the taxable year of the discharge.

(2) *Allocation of excess losses or deductions—(i) In general.* If the amount of an S corporation's deemed NOL exceeds the amount of the S corporation's COD income that is excluded from gross income under section 108(a)(1)(A), (B), or (C), the excess deemed NOL shall be allocated to the shareholder or shareholders of the S corporation as a loss or deduction that is disallowed under section 1366(d) for the taxable year of the discharge.

(ii) *Multiple shareholders—(A) In general.* If an S corporation has multiple shareholders, to determine the amount of the S corporation's excess deemed
