

Bureau of Prisons, Justice

§ 513.50

§ 513.42 Inmate access to medical records.

(a) Except for the limitations of paragraphs (c) and (d) of this section, an inmate may review records from his or her medical file (including dental records) by submitting a request to a staff member designated by the Warden.

(b) Laboratory reports which contain only scientific testing results and which contain no staff evaluation or opinion (such as Standard Form 514A, Urinalysis) are ordinarily disclosable. Lab results of HIV testing may be reviewed by the inmate. However, an inmate may not retain a copy of his or her test results while the inmate is confined in a Bureau facility or a Community Corrections Center. A copy of an inmate's HIV test results may be forwarded to a third party outside the institution and chosen by the inmate, provided that the inmate gives written authorization for the disclosure.

(c) Medical records containing subjective evaluations and opinions of medical staff relating to the inmate's care and treatment will be provided to the inmate only after the staff review required by paragraph (d) of this section. These records include, but are not limited to, outpatient notes, consultation reports, narrative summaries or reports by a specialist, operative reports by the physician, summaries by specialists as the result of laboratory analysis, or in-patient progress reports.

(d) Prior to release to the inmate, records described in paragraph (c) of this section shall be reviewed by staff to determine if the release of this information would present a harm to either the inmate or other individuals. Any records determined not to present a harm will be released to the inmate at the conclusion of the review by staff. If any records are determined by staff not to be releasable based upon the presence of harm, the inmate will be so advised in writing and provided the address of the agency component to which the inmate may address a formal request for the withheld records. An accounting of any medical records will be maintained in the inmate's medical file.

§ 513.43 Inmate access to certain Bureau Program Statements.

Inmates are encouraged to use the simple local access procedures described in this section to review certain Bureau Program Statements, rather than the FOIA procedures described in §§ 513.60 through 513.68 of this subpart.

(a) For a current Bureau Program Statement containing rules (regulations published in the FEDERAL REGISTER and codified in 28 CFR), local access is available through the institution law library.

(b) For a current Bureau Program Statement not containing rules (regulations published in the FEDERAL REGISTER and codified in 28 CFR), inmates may request that it be placed in the institution law library. Placement of a requested Program Statement in the law library is within the discretion of the Warden, based upon local institution conditions.

(c) Inmates are responsible for the costs of making personal copies of any Program Statements maintained in the institution law library. For copies of Program Statements obtained under the FOIA procedures described in §§ 513.60 through 513.68 of this subpart, fees will be calculated in accordance with 28 CFR 16.10.

§ 513.44 Fees for copies of Inmate Central File and Medical Records.

Within a reasonable time after a request, Bureau staff are to provide an inmate personal copies of requested disclosable documents maintained in the Inmate Central File and Medical Record. Fees for the copies are to be calculated in accordance with 28 CFR 16.10.

PRIVACY ACT REQUESTS FOR INFORMATION

§ 513.50 Privacy Act requests by inmates.

Because inmate records are exempt from disclosure under the Privacy Act (see 28 CFR 16.97), inmate requests for records under the Privacy Act will be processed in accordance with the FOIA. See §§ 513.61 through 513.68.
