(e) The final environmental impact statement shall contain any changes in information or supplemental information received since the filing and circulation of the draft environmental impact statement, as well as a summary, or copies of the substantive comments received in response to the draft environmental impact statement. If such changes and comments are minor, an agency may circulate only the changes and comments, including responses to the comments, rather than the entire impact statement, to the extent permitted by 40 CFR 1502.19. However, the entire document, with a new cover sheet, shall be filed with EPA and placed in the rulemaking record.

§ 11.13 Public participation.

(a) When an agency has determined that preparation of an environmental impact statement is required, the agency shall publish a notice of intent to prepare an environmental impact statement in the FEDERAL REGISTER and shall invite public participation in the agency's scoping process as required by 40 CFR 1501.7.

(c) In the case of an action with effects primarily of local concern, agencies shall consider the use of clearinghouses, newspapers and other public media likely to generate local participation in the agency process as ways of supplementing the notices otherwise specified in this part. The use of such public media does not, however, require or authorize the use of paid advertising.

§ 11.14 Legislation.

Notwithstanding any provisions of this part, environmental assessments or impact statements prepared in connection with requests for new legisla-

AUTHORITY: E.O. 12356 of April 2, 1982 (47 FR 14874).

SOURCE: 50 FR 51391, Dec. 17, 1985, unless otherwise noted.

Subpart A—Introduction to Security Regulations

§ 14.1 Purpose.

These regulations implement Executive Order 12356, entitled National Security Information, dated April 2, 1982, and directives issued pursuant to that Order through the National Security Council and the Atomic Energy Act of 1954, as amended.

§ 14.2 Policy.

The interests of the United States and its citizens are best served when information regarding the affairs of Government is readily available to the public. Provisions for such an informed citizenry are reflected in the Freedom of Information Act (5 U.S.C. 552) and in the current public information policies of the executive branch.

(a) *Safeguarding national security information.* Some official information within the Federal Government is directly concerned with matters of national defense and the conduct of foreign relations. This information must, therefore, be subject to security constraints, and limited in term of its distribution.

(b) *Exemption from public disclosure.* Official information of a sensitive nature, hereinafter referred to as national security information, is expressly exempted from compulsory public disclosure by Section 552(b)(1) of title 5 U.S.C. Persons wrongfully disclosing such information are subject to prosecution under United States criminal laws.

(c) *Scope.* To ensure that national security information is protected, but only to the extent and for such a period as is necessary, these regulations:

(1) Identify information to be protected.

(2) Prescribe procedures on classification, declassification, downgrading, and safeguarding of information.

29 CFR Subtitle A (7–1–09 Edition)

(3) Establish a monitoring system to ensure the effectiveness of the Department of Labor (DOL) security program and regulations.

(d) *Limitation.* The need to safeguard national security information in no way implies an indiscriminate license to withhold information from the public. It is important that the citizens of the United States have access, consistent with national security, to information concerning the policies and programs of their Government.

§ 14.3 DOL Classification Review Committee.

A DOL Classification Review Committee is hereby established.

(a) Composition of committee. The members of this Committee are:

Chairperson—Deputy Assistant Secretary for Security and Emergency Management, OASAM.

Member—Administrative Officer, Office of the Solicitor.

Member—Director, Office of Foreign Relations, Bureau of International Labor Affairs.

Advisor—DOL Document Security Officer.

(b) *Responsibilities.* The Committee is responsible for:

(1) Acting on all suggestions and complaints arising with respect to the DOL's information security program.

(2) Reviewing all requests for records under the Freedom of Information Act, 5 U.S.C. 552, when a proposed denial is based on classification under Executive Order 12356 to determine if such classification is current.

(3) Recommending to the Secretary of Labor appropriate administrative actions to correct abuses or violations of any provision of Executive Order 12356 or directives thereunder. Recommended administrative actions may include notification by warning letter, formal reprimand, and, to the extent permitted by law, suspension without pay and removal. Upon receipt of any such recommendation, the Secretary shall immediately advise the Committee of the action taken.

Subpart B—Review of Classified Information

§ 14.10 Mandatory review for declassification.

(a) *Scope of review.* The mandatory review procedures apply to information originally classified by the DOL when it had such authority, i.e., before December 1, 1978. Requests may come from members of the public or a government employee or agency. The procedures do not apply to information originated by other agencies and merely held in possession of the DOL. Requests for disclosure submitted under provisions of the Freedom of Information Act are to be processed in accordance with provisions of that Act.

(c) *Processing.* The OASAM will assign the request for information to the appropriate DOL office for declassification consideration. A decision will be made within 60 days as to whether the requested information may be declassified and, if so, made available to the requestor. The requestor is to be told that such an appeal must be filed with the DOL within 60 days.

(d) *Appeals procedure.* The DOL Classification Review Committee will review and act within 30 days on all applications and appeals for the declassification of information. The Committee is authorized to overrule on behalf of the Secretary, Agency determinations in whole or in part, when it decides that continued protection is not required. It will notify the requestor of the declassification and provide the information. If the Committee determines that continued classification is required, it will promptly notify the requestor and provide the reasons for the determination.

(e) *Burden of proof.* In evaluating requests for declassification the DOL Classification Review Committee will require the DOL office having jurisdiction over the document to prove that continued classification is warranted.

(f) *Fees.* If the request requires a service for which fair and equitable fees may be charged pursuant to title 5 of the Independent Office Appropriation Act, 31 U.S.C. 483a (1976), the requestor will be notified and charged.

29 CFR Subtitle A (7-1-09 Edition)
