Where, however, a subcommittee has presided at the reception of evidence, this report shall be an initial report, and the committee shall meet thereafter to review the report and rule on exceptions in its final report. Where the committee presides at the reception of evidence and proceeds to final decision, every party shall be regarded as having objected to any wage rate or classification at variance with any the party proposed in the party's prehearing statements unless the party accepted such a rate or classification in any submittal made pursuant to § 511.15. A copy of the report shall be signed by each member of the committee who approves it, either at a meeting of the committee or by circulation of one or more copies among the members of the committee. At any time within 3 days after the committee report is signed by those who approve it, members dissenting therefrom may collectively or individually submit signed reports stating the reasons for their dissent.

### § 511.17 Records.

Each industry committee shall keep a journal recording the time and place of all its meetings, the members present, the votes, and other formal proceedings, including the appointment of subcommittees. Subcommittees shall keep a similar journal. No report of committee or subcommittee discussions need be included. All hearings shall be recorded. The record of any hearing before any subcommittee shall be transcribed. All hearings before a committee shall also be transcribed in whole or in part whenever the Administrator so directs upon his or her own motion or upon the motion of any party or any person compelled to submit data or evidence and upon the payment of costs prescribed by the Administrator. Promptly after completion of the committee's final report, the committee chairperson shall certify the report and transmit it to the Administrator. As soon as practicable thereafter, the committee staff shall transmit to the Administrator:

(a) All committee and subcommittee journals;

(b) All applications for leave to participate as parties together with the record of action thereon; and,

### § 511.18 Publication and effective date of wage order.

Promptly after receipt of the committee report the Administrator shall publish the committee recommendations in the FEDERAL REGISTER and shall provide by order that the recommendations contained in such report shall take effect upon the expiration of 15 days after the date of such publication.

### § 511.19 Petitions.

Any interested person may at any time file a petition with the Administrator for an amendment to the regulations contained in this part or for an amendment to a wage order applicable to that person. In view of the statutory requirement that the minimum rates of wages established by order under section 6 of the Act be reviewed by an industry committee at least biennially, substantial cause must be shown in support of any petition for an amendment of a wage order out of regular course. Any interested person may also file a petition at any time with the Administrator for a public hearing under section 13(e) of the Act to determine whether economic conditions warrant rules or regulations providing reasonable limitations or allowing reasonable variations, tolerances, or exemptions to or from any or all of the provisions of section 7 of the Act with respect to employees in American Samoa for whom the Secretary of Labor has established minimum wage rates under section 6(a)(3) of the Act and the regulations contained in this part. Whenever it appears to the Secretary of Labor, by reason of such a petition or otherwise, to be probable that such a hearing is likely to reveal that economic conditions warrant such action,

notice of such hearing specifying the procedure to be followed will be published in the FEDERAL REGISTER.
