

§ 1902.34

29 CFR Ch. XVII (7-1-10 Edition)

§ 1902.34 Certification of completion of developmental steps.

(a) Upon the completion of all of the developmental steps in a State's plan, which is to be accomplished not later than three years following commencement of plan operations after approval of the plan by the Assistant Secretary under section 18(c), the Assistant Regional Director shall certify, as provided in paragraph (b) of this section, that all developmental steps in the plan have been met and that the State's program is to be evaluated on the basis of its eligibility for an 18(e) determination after at least one year of evaluations of the plan.

(b) Upon determining that a State has completed all of its developmental steps, the Assistant Regional Director shall prepare a certification which he shall promptly forward to the Assistant Secretary. The certification shall include, but shall not be limited to, the following:

(1) A list of all developmental steps or revisions thereof, plan amendments or changes which result in the completion of the steps or revisions thereof, and the dates the Assistant Secretary's or the Assistant Regional Director's approval of each change was published in the FEDERAL REGISTER;

(2) Substantive changes, if any, in the State program which were approved by the Assistant Secretary and their dates of publication in the FEDERAL REGISTER;

(3) Documentation that the legal basis for the applicable State merit system has been approved by the U.S. Civil Service Commission and that the actual operations of the State merit system has been found acceptable by the Occupational Safety and Health Administration with the advice of the U.S. Civil Service Commission; and

(4) A description of the issues which are covered by the State plan. Where applicable, the certification shall include a description of those separable portions of the plan which have been certified for 18(e) evaluation purposes as well as those portions of the plan which were not certified by the Assistant Regional Director.

(c) After a review of the certification and the State's plan, if the Assistant Secretary finds that the State has

completed all the developmental steps specified in the plan, he shall publish the certification in the FEDERAL REGISTER and amend the appropriate subpart of part 1952 of this chapter to reflect this finding.

§ 1902.35 Effect of certification.

Publication of the certification acknowledging the completion of all of the developmental steps in a State's plan will automatically initiate the evaluation of a State's plan for the purposes of an 18(e) determination. Evaluation for the purposes of an 18(e) determination will continue for at least one year after the publication of the certification in the FEDERAL REGISTER. Federal enforcement authority under sections 5(a)(2), 8, 9, 10, 11(c), 13, and 17 of the Act and Federal standards authority under section 6 of the Act will not be relinquished during the evaluation period. Evaluation conducted for 18(e) determination purposes will be based on the criteria set forth in §§ 1902.37 and 1902.38.

In his evaluation he shall consider whether the requirements of section 18(c) of the Act and the criteria for State plans outlined in subpart B of this part as well as those in § 1902.37 are being applied in actual operations for a reasonable period of time in a manner which warrants the termination of concurrent Federal enforcement authority and standards in issues covered under the plan.

(b) The Assistant Secretary's evaluation for an 18(e) determination will be addressed to consideration of whether the criteria and indices in § 1902.37(a) are being applied by the State in such a manner as to render its program in operation at least as effective as operations under the Federal program. In considering the question of such application, the Assistant Secretary shall also consider the factors provided
