

Occupational Safety and Health Admin., Labor

§ 1952.290

section 230 of the Vermont Act, effective January, 1974.

(c) In accordance with 29 CFR 1952.273(f), the Vermont Standards Advisory Council was established in January 1974.

(d) In accordance with 29 CFR 1952.273(g), the following developmental steps have been implemented.

(1) The health and safety enforcement program in the State of Vermont including enforcement of the State's occupational safety and health standards and regulations, was implemented on November 12, 1973.

(2) The Vermont Occupational Safety and Health Review Board has been in operation since October 1973, under rules and regulations formally promulgated on February 4, 1974 and approved on December 16, 1974 (39 FR 44201, December 23, 1974).

(3) Recordkeeping and reporting requirements, as approved on October 1, 1973 (38 FR 28658), were implemented for both the private and public sectors on November 12, 1973.

(4) Written procedures for coordination between Vermont's Division of Occupational Safety and Division of Occupational Health were formulated in June 1975, and revised in September 1975.

(e) In accordance with the requirements of §1952.10 the Vermont Safety and Health Poster for private and public employees as amended by the attachment informing the public of its right to complain about State program administration, was approved by the Assistant Secretary on February 9, 1977.

(f) In accordance with 29 CFR 1952.273(b), the State has developed a Field Operations Manual which defines the procedures and guidelines to be used by the Vermont compliance staff in carrying out the goals of the program and other local government workplaces and which has been approved by the Assistant Secretary on February 22, 1977.

(g) In accordance with 29 CFR 1952.273(d), the State has developed and implemented a State Agency Program by July 1, 1974 and a Public Agency (local and municipal) Enforcement Program by November 12, 1973, which

has been approved by the Assistant Secretary on February 22, 1977.

(h) In accordance with 29 CFR 1952.273(e), the State of Vermont has developed and implemented its voluntary Compliance Program, including a training program for employers and employees, by February 1974, which has been approved by the Assistant Secretary as completion of developmental step on February 22, 1977.

(i) In accordance with 29 CFR 1902.34, the Vermont occupational safety and health plan was certified, effective as of the date of publication on March 4, 1977, as having completed all developmental steps specified in the plan (as approved on October 1, 1973) on or before September 30, 1976.

Subpart V [Reserved]

Subpart W—Nevada

§ 1952.290 Description of the plan as initially approved.

(a) The Nevada Occupational Safety and Health program will be administered and enforced by the Department of Occupational Safety and Health of the Nevada Industrial Commission. Administrative adjudications of proposed penalties will be the responsibility of an independent five member review board appointed by the Governor.

(b) The program will cover all activities of employees and places of private and public employment except those involving Federal employment, highway motor vehicles, and railroads, subject to the exercise of jurisdiction under other Federal safety and health

§ 1952.291

programs. It requires employers of one or more employees (including those employed by the State and its political subdivisions) to furnish them employment and a place of employment which are free from recognized hazards that are causing or are likely to cause death or serious physical harm, and to comply with all occupational safety and health standards promulgated or issued by the agency. Moreover, all safety and health standards adopted by the United States Department of Labor shall be deemed Nevada Occupational Safety and Health standards. The Plan also directs employees to comply with all occupational safety and health standards and regulations that are applicable to their own actions and conduct.

(c) The Plan includes procedures for providing prompt and effective standards for the protection of employees against new and unforeseen hazards and for furnishing information to employees on hazards, precautions, symptoms, and emergency treatment; and procedures for the issuance of variances. It provides employer and employee representatives an opportunity to accompany inspectors and call attention to possible violations, before, during, and after inspections; protection of employees against discharge or discrimination in terms and conditions of employment; notice to employees or their representatives when no compliance action is taken upon complaints, including informal review; notice to employees of their protections and obligations; adequate safeguards to protect trade secrets; prompt notice to employers and employees of alleged violations of standards and abatement requirements; effective remedies against employers and the right to review alleged violations, abatement periods, and proposed penalties with opportunity for employee participation in the review proceedings; procedures for prompt restraint or elimination of imminent danger conditions, and procedures for inspection in response to complaints.

(d)(1) The Plan includes a legal opinion that it will meet the requirements of the Occupational Safety and Health Act of 1970, and is consistent with the Constitution and laws of the State of Nevada.

29 CFR Ch. XVII (7-1-10 Edition)

(2) A merit system of personnel administration will be used.

(3) The Plan provides a program of education, training, and consultation for employers and employees.

(4) The Plan is supplemented by the inclusion of implementing legislation and letters dated July 26, August 10, and November 5, 1973, and a telegram dated December 5, 1973.
