plan does not provide a straight life annuity either as its normal form of retirement benefit or as an option to the normal form, the PBGC will for purposes of this paragraph convert the plan’s normal form benefit to a straight life annuity of equal actuarial value as determined by the PBGC.

(2) The limitation of paragraph (a)(1) of this section shall not apply to:

(i) A survivor’s benefit payable as an annuity on account of the death of a participant that occurred on or before the plan’s termination date and before the participant retired;

(ii) A disability pension described in §4022.6 of this part; or

(iii) A benefit payable in non-level installments that in combination with Social Security, Railroad Retirement, or workman’s compensation benefits yields a substantially level income if the projected income from the plan benefit over the expected life of the recipient does not exceed the value of the straight life annuity described in paragraph (a)(1) of this section.

(b) The PBGC will not guarantee the payment of that part of any benefit that exceeds the limitations in section 4022(b) of ERISA and this subpart B.

(c)(1) Except as provided in paragraph (c)(2) of this section, the PBGC does not guarantee a benefit payable in a single installment (or substantially so) upon the death of a participant or his surviving beneficiary unless that benefit is substantially derived from a reduction in the pension benefit payable to the participant or surviving beneficiary.

(2) Paragraphs (a) and (c)(1) of this section do not apply to that portion of accumulated mandatory employee contributions payable under a plan upon the death of a participant, and such a benefit is a pension benefit for purposes of this part.

(d) The PBGC will not guarantee a joint-life annuity benefit payable to other than—

(1) Natural persons; or

(2) A trust or estate for the benefit of one or more natural persons.
