§ 4050.7 Benefits of missing participants—in general.

(a) *If annuity purchased.* If a plan administrator distributes a missing participant's benefit by purchasing an irrevocable commitment from an insurer, and the missing participant (or his or her beneficiary or estate) later contacts the PBGC, the PBGC will inform the person of the identity of the insurer, the relevant policy number, and (to the extent known) the amount or value of the benefit.

(b) *If designated benefit paid.* If the PBGC locates or is contacted by a missing participant (or his or her beneficiary or estate) for whom a plan administrator paid a designated benefit to the PBGC, the PBGC will pay benefits in accordance with §§ 4050.8 through 4050.10 (subject to the limitations and special rules in §§ 4050.11 and 4050.12).

(c) *Examples.* See Appendix B to this part for examples illustrating the provisions of §§ 4050.8 through 4050.10.

§ 4050.8 Automatic lump sum.

This section applies to a missing participant whose designated benefit was determined under § 4050.5(a)(1) (mandatory lump sum) or § 4050.5(a)(2) (*de minimis* lump sum).

(a) *General rule*—(1) *Benefit paid.* The PBGC will pay a single sum benefit equal to the designated benefit plus interest at the designated benefit interest rate from the deemed distribution date to the date on which the PBGC pays the benefit.

(2) *Payee.* Payment will be made—

(i) To the missing participant, if located;

(ii) If the missing participant died before the deemed distribution date, and if the plan so provides, to the missing participant's beneficiary or estate; or

(iii) If the missing participant dies on or after the deemed distribution date, to the missing participant's estate.

(b) *De minimis annuity alternative.* If the guaranteed benefit form for a missing participant whose designated benefit was determined under § 4050.5(a)(2) (*de minimis* lump sum) (or the guaranteed benefit form for a beneficiary of such a missing participant) would provide for the election of an annuity, the missing participant (or the beneficiary) may elect to receive an annuity. If such an election is made—

(1) The PBGC will pay the benefit in the elected guaranteed benefit form, beginning on the annuity starting date elected by the missing participant (or the beneficiary), which may not be before the later of the date of the election or the earliest date on which the missing participant (or the beneficiary) could have begun receiving benefits under the plan; and

(2) The benefit paid will be actuarially equivalent to the designated benefit, *i.e.*, each monthly (or other periodic) benefit payment will equal the designated benefit divided by the present value (determined as of the deemed distribution date under the missing participant lump sum assumptions) of a \$1 monthly (or other periodic) annuity beginning on the annuity starting date.

§ 4050.9 Annuity or elective lump sum—living missing participant.

This section applies to a missing participant whose designated benefit was determined under § 4050.5(a)(3) (no lump sum) or § 4050.5(a)(4) (elective lump sum) and who is living on the date as of which the PBGC begins paying benefits.

§ 4050.10

(a) *Missing participant whose benefit was not in pay status as of the deemed distribution date.* The PBGC will pay the benefit of a missing participant whose benefit was not in pay status as of the deemed distribution date as follows.

(1) *Time and form of benefit.* The PBGC will pay the missing participant's benefit in the guaranteed benefit form, beginning on the annuity starting date elected by the missing participant (which may not be before the later of the date of the election or the earliest date on which the missing participant could have begun receiving benefits under the plan).

(2) *Amount of benefit.* The PBGC will pay a benefit that is actuarially equivalent to the unloaded designated benefit, *i.e.*, each monthly (or other periodic) benefit payment will equal the unloaded designated benefit divided by the present value (determined as of the deemed distribution date under the missing participant annuity assumptions) of a \$1 monthly (or other periodic) annuity beginning on the annuity starting date.

(b) *Missing participant whose benefit was in pay status as of the deemed distribution date.* The PBGC will pay the benefit of a missing participant whose benefit was in pay status as of the deemed distribution date as follows.

(1) *Time and form of benefit.* The PBGC will pay the benefit in the form that was in pay status, beginning when the missing participant is located.

(2) *Amount of benefit.* The PBGC will pay the monthly (or other periodic) amount of the pay status benefit, plus a lump sum equal to the payments the missing participant would have received under the plan, plus interest on the missed payments (at the plan rate up to the deemed distribution date and thereafter at the designated benefit interest rate) to the date as of which the PBGC pays the lump sum.

(c) *Payment of lump sum.* If a missing participant whose designated benefit was determined under § 4050.5(a)(4) (elective lump sum) so elects, the PBGC will pay his or her benefit in the form of a single sum. This election is not effective unless the missing participant's spouse consents (if such consent would be required under section 205 of ERISA). The single sum equals

the designated benefit plus interest (at the designated benefit interest rate) from the deemed distribution date to the date as of which the PBGC pays the benefit.

§ 4050.10 Annuity or elective lump sum—beneficiary of deceased missing participant.

This section applies to a beneficiary of a deceased missing participant whose designated benefit was determined under § 4050.5(a)(3) (no lump sum) or § 4050.5(a)(4) (elective lump sum) and whose benefit is not payable under § 4050.9.

(a) *If deceased missing participant's benefit was not in pay status as of the deemed distribution date.* The PBGC will pay a benefit with respect to a deceased missing participant whose benefit was not in pay status as of the deemed distribution date as follows.

(1) *General rule.* (i) *Beneficiary.* The PBGC will pay a benefit to the surviving spouse of a missing participant who was a participant (unless the surviving spouse has properly waived a benefit in accordance with section 205 of ERISA).

(ii) *Form and amount of benefit.* The PBGC will pay the survivor benefit in the form of a single life annuity. Each monthly (or other periodic) benefit payment will equal 50 percent of the quotient that results when the unloaded designated benefit is divided by the present value (determined as of the deemed distribution date under the missing participant annuity assumptions, and assuming that the missing participant survived to the deemed distribution date) of a \$1 monthly (or other periodic) joint and 50 percent survivor annuity beginning on the annuity starting date, under which reduced payments (at the 50 percent level) are made only after the death of the missing participant during the life of the spouse (and not after the death of the spouse during the missing participant's life).

(iii) *Time of benefit.* The PBGC will pay the survivor benefit beginning at the time elected by the surviving spouse (which may not be before the later of the date of the election or the earliest date on which the surviving
