Financed Highway or Other Construction, applies to surface coal mining and reclamation operations.

§ 903.736 Permit fees.

Section 736.25 of this chapter, *Permit fees* applies to any person who makes application for a permit to conduct surface coal mining and reclamation operations in Arizona.

§ 903.761 Areas designated unsuitable for surface coal mining by act of Congress.

Part 761 of this chapter, *Areas Designated by Act of Congress*, applies to surface coal mining operations.

§ 903.762 Criteria for designating areas as unsuitable for surface coal mining operations.

Part 762 of this chapter, *Criteria for Designating Areas Unsuitable for Surface Coal Mining Operations*, applies to surface coal mining operations.

§ 903.764 Process for designating areas unsuitable for surface coal mining operations.

Part 764 of this chapter, *State Processes for Designating Areas Unsuitable for Surface Coal Mining Operations*, pertaining to petitions, initial processing, hearing requirements, decisions, data base and inventory systems, public information, and regulatory responsibilities, applies to surface coal mining operations beginning June 24, 1996, one year after the effective date of this program.

§ 903.772 Requirements for coal exploration.

(a) Part 772 of this chapter, *Requirements for Coal Exploration*, applies to any person who conducts coal exploration. For those applications where

§772.12 of this chapter applies, the requirements of paragraphs (b) through (d) of this section shall apply in place of §772.12(c) (1) and (3) and §772.12(d)(1) of this chapter.

(b) The applicant, upon receipt of notification from the regulatory authority of the submission of an administratively complete application for an exploration permit, must:

(1) Publish one public notice of the filing in a newspaper of general circulation in the county of the proposed exploration area; and

(2) Provide proof of this publication to the regulatory authority within one week of publication.

(c) Any person having an interest which is or may be adversely affected, shall have the right to file written comments within 30 days after the notice is published.

(d) The regulatory authority shall act upon an administratively complete application for a coal exploration permit and any written comments within 15 days from the close of the comment period unless additional time is necessary due to the number or complexity of the issues. The regulatory authority may approve a coal exploration permit only if based upon a complete and accurate application.

§ 903.773 Requirements for permits and permit processing.

(a) Part 773 of this chapter, *Requirements for Permits and Permit Processing*, applies to any person who applies for a permit for surface coal mining and reclamation operations.

(b) The Secretary will coordinate, to the extent practicable, his/her responsibilities under the following Federal laws with the relevant Arizona laws to avoid duplication:
