

or part) in a final decision by the Department under § 29.513 may, within 180 days of the date of the final decision, file a civil action in the United States District Court for the District of Columbia. Any such civil action must be filed in accordance with the rules of that court.

§ 29.516 Collection of overpayments.

(a) *Means of collection.* Collection of an overpayment may be made by means of offset under § 29.517, or under any statutory provision providing for offset of money due the debtor from the Federal Government including, but not limited to, Federal Benefit Payments. Collection may also be effected by referral to the Justice Department for litigation, as provided in § 29.520, or referral to a collection agency as provided in § 29.519, or by other means authorized by federal law.

(b) *Additional charges.* Interest, penalties, and administrative costs will be assessed on the overpayment in accordance with standards established in 31 U.S.C. 3717 and 31 CFR 901.9. Additional charges will be waived when required by the FCCS. The Department will waive the collection of interest on the overpayment pending the Benefits Administrator's consideration of a request for reconsideration and the Department's consideration of a request for waiver and/or compromise or the appeal of a reconsideration decision. In addition, such charges may be waived when the Department determines—

(1) Collection of those charges would be against equity and good conscience under the standards prescribed in §§ 29.523 through 29.525; or

(2) Waiver of those charges would be in the best interest of the United States.

(c) *Collection in installments.* (1) Whenever feasible, overpayments will be collected in one lump sum.

(2) However, installment payments may be effected when—

(i) The debtor establishes that he or she is financially unable to pay in one lump sum; or

(ii)(A) The benefit payable is insufficient to make collection in one lump sum;

(B) The debtor fails to respond to a demand for full payment; and

(C) Offset is available.

(d) *Offset Amount.* (1) The amount offset from a monthly Federal Benefit Payment will be the lesser of:

(i) The amount of the debt, including any interest, penalties and administrative costs;

(ii) An amount equal to 15 percent of the monthly Federal Benefit Payment; or

(iii) The amount, if any, by which the monthly Federal Benefit Payment exceeds \$750.

(2) For purposes of this subsection, the “monthly Federal Benefit Payment” is the amount of the gross monthly benefit after any reductions or deductions required under law, including reductions made to recover overpayments of Federal Benefit Payments.

(e) *Commencement of collection.* (1) Except as provided in paragraph (e)(2) of this section, collection will begin after the time limits for requesting further rights stated in § 29.512 through § 29.514 expire and no such requests have been made, or after the Benefits Administrator and/or the Department have issued decisions on all timely requests for or appeals of those rights, unless failure to make an offset would substantially prejudice the Department's ability to collect the overpayment and the time before the payment is to be made does not reasonably permit the completion of the proceedings in § 29.511 through § 29.514 or litigation. When offset begins without completion of the administrative review process, these procedures will be completed promptly, and amounts recovered by offset but later found not owed will be refunded promptly.

(2) The procedures identified in § 29.511 through § 29.514 will not be applied when the overpayment is caused by—

(i) A retroactive adjustment in the periodic rate of annuity or any deduction taken from annuity when the adjustment is a result of the annuitant's election of different entitlements under law, if the adjustment is made within 120 days of the effective date of the election; or

(ii) interim estimated payments made before the formal determination of entitlement to annuity, if the

§ 29.517

amount is recouped from the total annuity payable on the first day of the month following the later of—

(A) The last interim payment or

(B) The date the formal determination is made.

(f) *Collection of delinquent debts*—(1) *Debts delinquent over 180 days.* The Benefits Administrator must refer all overpayment debts that are over 180 days delinquent to the Secretary for collection pursuant to 31 U.S.C. 3711(g) and 3716, and 31 CFR part 901.

(2) *Debts delinquent less than 180 days.* Once an overpayment debt becomes delinquent, the Benefits Administrator should refer it to the Secretary for collection by centralized administrative offset pursuant to 31 CFR 901.3, unless collection of the debt by some other means is likely to occur in a more timely and efficient manner.

(3) Once a debt is referred under this subsection, the Benefits Administrator has no further obligation to collect the debt.

§ 29.517 Collection by offset.

(a) *Offset from retirement payments.* An overpayment may be collected in whole or in part from any refund payment or recurring Federal Benefit Payments.

(b) *Offset from other payments*—(1) *Administrative offset.* When offset under subsection (a) is not available, an overpayment may be offset from other Federal payments due the debtor from other agencies under the procedures set forth in 31 CFR part 5 and 31 CFR 901.3(c).

(2) *Salary offset.* When the debtor is an employee of the Federal Government, the Department may effect collection of an overpayment by offset of the debtor's pay in accordance with regulations published to implement such offsets under 5 U.S.C. 5514 (see 5 CFR part 550, subpart K; 31 CFR 285.7; and 31 CFR Part 5). Due process described in the federal salary offset regulations of 31 CFR part 5 will apply. When the debtor did not receive a hearing under those regulations and requests such a hearing, one will be conducted in accordance with 5 CFR part 550, subpart K and 31 CFR part 5.

(3) *Tax refund offset.* The Department may effect collection of an overpayment by offset of the debtor's tax re-

31 CFR Subtitle A (7–1–10 Edition)

fund in accordance with the Department's tax refund offset regulations found at 31 CFR part 5.

§ 29.518 Reporting delinquent debts to credit bureaus.

(a) *Notice.* If a debtor's response to the demand letter does not result in payment in full, payment by offset, or payment in accordance with a voluntary repayment agreement or other repayment schedule acceptable to the Benefits Administrator, and the debtor's rights under § 29.512 through § 29.514 have been exhausted, the Benefits Administrator must report the debtor to a credit bureau. In addition, a debtor's failure to make subsequent payments in accordance with a repayment schedule must result in a report to a credit bureau. Before making a report to a credit bureau, the Benefits Administrator must notify the debtor in writing that—

(1) The payment is overdue;

(2) The Benefits Administrator intends, after 60 days, to make a report as described in paragraph (b) of this section to a credit bureau;

(3) The debtor's right to dispute the liability has been exhausted under § 29.512 through § 29.514; and

(4) The debtor may avoid having the Benefits Administrator report the debtor to a credit bureau by paying the debt in one lump sum or making payments current under a repayment schedule.

(b) *Report.* If, after being sent the notice described in paragraph (a) of this section, the debtor does not pay the overpayment debt or make payments current under a repayment schedule or fails to respond to the notice, and 60 days have elapsed since the notice was mailed, the Benefits Administrator will report to a credit bureau that the debtor is responsible for an unpaid debt and provide the following information:

(1) The debtor's name, address, taxpayer identification number, and any other information necessary to establish the identity of the individual;

(2) The amount, status, and history of the debt; and

(3) The fact that the debt arose in connection with the administration of Federal Benefit Payments under a District Retirement Fund.
