

§ 50.71

(1) For any act of terrorism that occurs on or before December 31, 2010, the Secretary shall collect all required amounts by September 30, 2012;

(2) For any act of terrorism that occurs between January 1 and December 31, 2011, the Secretary shall collect 35 percent of any required amounts by September 30, 2012, and the remainder by September 30, 2017; and

(3) For any act of terrorism that occurs on or after January 1, 2012, the Secretary shall collect all required amounts by September 30, 2017.

§ 50.71 Determination of recoupment amounts.

(a) If payments for the Federal share of compensation have been made for a Program Year, and Treasury determines that insured loss information is sufficiently developed and credible to serve as a basis for calculating recoupment amounts, Treasury will make an initial determination of any mandatory or discretionary recoupment amounts for that Program Year.

(b)(1) Within 90 days after certification of an act of terrorism, the Secretary shall publish in the FEDERAL REGISTER an estimate of aggregate insured losses which shall be used as the basis for initially determining whether mandatory recoupment will be required.

(2) If at any time Treasury projects that payments for the Federal share of compensation will be made for a Program Year, and that in order to meet the collection timing requirements of section 103(e)(7)(E) of the Act it is necessary to use an estimate of such payments as a basis for calculating recoupment amounts, Treasury will make an initial determination of any mandatory recoupment amounts for that Program Year.

(c) Following the initial determination of recoupment amounts for a Program Year, Treasury will recalculate any mandatory or discretionary recoupment amount as necessary and appropriate, and at least annually, until a final recoupment amount for the Program Year is determined. Treasury will compare any recalculated recoupment amount to amounts already remitted and/or to be

31 CFR Subtitle A (7–1–10 Edition)

remitted to Treasury for a Federal Terrorism Policy Surcharge previously established to determine whether any additional amount will be recouped by Treasury.

(d) For the purpose of determining initial or recalculated recoupment amounts, Treasury may issue a data call to insurers for insurer deductible and insured loss information by Program Year. Treasury's determination of the aggregate amount of insured losses from Program Trigger Events of all insurers for a Program Year will be based on the amounts reported in response to a data call and any other information Treasury in its discretion considers appropriate. Submission of data in response to a data call shall be on a form promulgated by Treasury.

§ 50.72 Establishment of Federal Terrorism Policy Surcharge.

(a) Treasury will establish the Federal Terrorism Policy Surcharge based on the following factors and considerations:

(1) In the case of a mandatory recoupment amount, the requirement to collect 133 percent of that amount;

(2) The total dollar amount to be recouped as a percentage of the latest available annual aggregate industry direct written premium information;

(3) The adjustment factors for terrorism loss risk-spreading premiums described in section 103(e)(8)(D) of the Act;

(4) The annual 3 percent limitation on terrorism loss risk-spreading premiums collected on a discretionary basis as provided in section 103(e)(8)(C) of the Act;

(5) A preferred minimum initial assessment period of one full year and subsequent extension periods in full year increments;

(6) The collection timing requirements of section 103(e)(7)(E) of the Act;

(7) The likelihood that the amount of the Federal Terrorism Policy Surcharge may result in the collection of an aggregate recoupment amount in excess of the planned recoupment amount; and

(8) Such other factors as the Secretary considers important.

(b) The Federal Terrorism Policy Surcharge shall be the obligation of

the policyholder and is payable to the insurer with the premium for a property and casualty insurance policy in effect during the assessment period established by Treasury. See § 50.74(c).

§ 50.73 Notification of recoupment.

(a) Treasury will provide notifications of recoupment through publication of notices in the FEDERAL REGISTER or in another manner Treasury deems appropriate, based upon the circumstances of the act of terrorism under consideration.

(b) Treasury will provide reasonable advance notice to insurers of any initial Federal Terrorism Policy Surcharge effective date. This effective date shall be January 1, unless such date would not provide for sufficient notice of implementation while meeting the collection timing requirements of section 103(e)(7)(E) of the Act.

(c) Treasury will provide reasonable advance notice to insurers of any modification or cessation of the Federal Terrorism Policy Surcharge.

(d) Treasury will provide notification to insurers annually as to the continuation of the Federal Terrorism Policy Surcharge.

§ 50.74 Collecting the Surcharge.

(a) Insurers shall collect a Federal Terrorism Policy Surcharge from policyholders as required by Treasury.

(b) Policies subject to the Federal Terrorism Policy Surcharge are those for which direct written premium is reported on commercial lines of business on the NAIC's Exhibit of Premiums and Losses of the NAIC Annual Statement (commonly known as Statutory Page 14) as provided in § 50.5(u)(1), or equivalently reported.

(c) For policies subject to the Federal Terrorism Policy Surcharge, the Surcharge shall be imposed and collected on a written premium basis for policies that incept or renew during the assessment period. All new, renewal, mid-term, and audit premiums for a policy term are subject to the Surcharge in effect on the policy term effective date. Notwithstanding this paragraph, if the premium for a policy term that would otherwise be subject to the Surcharge is revised after the end of the reporting period described in § 50.75(e), then any

additional premium attributable to such revision is not subject to the Surcharge. For purposes of this subpart:

(1) Written premium basis means the premium amount charged a policyholder by an insurer for property and casualty insurance as defined in § 50.5(u), including all premiums, policy expense constants and fees defined as premium pursuant to the Statements of Statutory Accounting Principles established by the National Association of Insurance Commissioners, as adopted by the state for which the premium will be reported.

(2) In the case of a policy providing multiple insurance coverages, if an insurer cannot identify the premium amount charged a policyholder specifically for property and casualty insurance under the policy, then:

(i) If the insurer estimates that the portion of the premium amount charged for coverage other than property and casualty insurance is *de minimis* to the total premium for the policy, the insurer may impose and collect from the policyholder a Surcharge amount based on the total premium for the policy, but

(ii) If the insurer estimates that the portion of the premium amount charged for coverage other than property and casualty insurance is not *de minimis*, the insurer shall impose and collect from the policyholder a Surcharge amount based on a reasonable estimate of the premium amount for the property and casualty insurance coverage under the policy.

(3) The Federal Terrorism Policy Surcharge is not considered premium.

(d) A policyholder must pay the applicable Federal Terrorism Policy Surcharge when due. The insurer shall have such rights and remedies to enforce the collection of the Surcharge that are the equivalent to those that exist under applicable state or other law for nonpayment of premium.

(e) When an insurer returns an unearned premium, or otherwise refunds premium to a policyholder, it shall also return any Federal Terrorism Policy Surcharge collected that is attributable to the refunded premium. Notwithstanding this paragraph, if the written premium for a policy is revised
