

registration of the bonds and the title of the account must contain at least one name that is common to both. The deposit account to which the interest payments are directed should preferably be established in a form identical to the registration of the bonds to ensure that rights of ownership and survivorship can be more easily identified and preserved. Neither the United States nor any Federal Reserve Bank shall be liable for any loss sustained because the interest of the holder(s) of a deposit account to which payments are made are not the same as the owner(s) of the bonds.

(3) *Deposit account held by organization.* Where the deposit account to which interest payments are to be directed is held in the name of the financial institution itself acting as sole trustee, or as co-trustee, or is the name of a commercially-managed investment fund, the owner or coowner should inquire whether the financial institution is able to receive ACH payments; if not, the owner or coowner should make alternative arrangements.

(4) *Financial institution cannot accept ACH payments.* If after submission of deposit account information, it is determined that ACH payments cannot be accepted by the designated financial institution, pending receipt of new deposit account information, payment will be made by check drawn to the registered owner or both coowners and mailed to the address of record.

(5) *Cancellation of ACH arrangement.*
 (i) Bonds issued on or after October 1, 1989. As set forth in paragraph (b) of this section and in the Series HH offering contained in Circular No. 2-80, interest on Series HH bonds issued on or after October 1, 1989, will be paid by the ACH method. In the absence of extraordinary circumstances, a request to discontinue payment by the ACH method in favor of payment by check will not be accepted.

(ii) Bonds issued prior to October 1, 1989. An ACH arrangement established for Series HH bonds issued prior to October 1, 1989, shall remain in effect until it is terminated by a request from the owner or coowner submitted to the Bureau of the Public Debt, Parkersburg, WV 26102-1328.

(6) *Rules.* Series HH interest payments made by the ACH method are governed by the regulations at 31 CFR part 370.

(7) *Nonreceipt or loss of interest payment.* The Bureau of the Public Debt, Parkersburg, WV 26102 should be notified if:

(i) An interest check is not received or is lost after receipt or

(ii) An ACH payment is not credited to the designated account and the financial institution has no record of receiving it. The notice should include the owner or coowner's name and taxpayer identifying number and the interest payment date.

§ 353.39 Surrender for payment.

(a) *Procedure for bonds of Series EE, in the names of individual owners or co-owners only.* An individual who is the owner or coowner of a Series EE bond may present the bond to an authorized paying agent for redemption. The presenter must be prepared to establish his or her identity in accordance with Treasury instructions and identification guidelines. The owner or coowner must sign the request for payment on the bond or, if authorized, on a separate detached request, and add his or her address. If the request for payment has been signed, or signed and certified, before presentation of the bond, the paying agent must be satisfied that the person presenting the bond for payment is the owner or coowner and may require the person to sign the request for payment again. If the bond is in order for payment, the paying agent will make immediate payment at the current redemption value without charge to the presenter. Paying agents are not authorized to process any case involving partial redemption or any case in which supporting evidence is required.

(b) *Procedure for all other cases.* In the case of bonds to which the procedure in paragraph (a) of this section, does not apply, or if otherwise preferred, the owner or coowner, or other person entitled to payment, should appear before an officer authorized to certify requests for payment, establish his or her identity, sign the request for payment, and provide information as to the address to which the check in payment is to be mailed. The bond must be forwarded to a designated Federal Reserve Bank or Branch or the Bureau of the Public Debt. Usually, payment will be expedited by submission to a designated Federal Reserve Bank or Branch. In all cases, the cost and risk of presentation of a bond will be borne by the owner. Payment will be made by check drawn to the order of the registered owner or other person entitled and will be mailed to the address requested.

(c) *Date of request.* Requests executed more than six months before the date of receipt of a bond for payment will not be accepted. Neither will a bond be accepted if payment is requested as of
