- (d) Prior to recommending an offlimits restriction, the AFDCB will send a written notice (certified mail-return receipt requested) to the individual or firm responsible for the alleged condition or situation. The AFDCB will specify in the notice a reasonable time for the condition or situation to be corrected, along with the opportunity to present any relevant information to the board. If subsequent investigation reveals that the responsible person has failed to take corrective action, the board will recommend the imposition of the off-limits restriction.

The petition will be in writing and will include a detailed report of action taken to eliminate the condition or situation that caused imposition of the restriction. The president of the AFDCB may direct an investigation to determine the status of corrective actions noted in the petition. The board will either recommend removal or continuation of the off-limits restriction to the local sponsoring commander based on the results of the investigation.
- (g) Off-limits procedures to be followed by the boards are in appendix A of this part. In the United States, off-limits signs will not be posted on civilian establishments by U.S. military authorities.
