§ 806.6 Prompt action on requests.

(a) Examples of letters to FOIA requesters (e.g., response determinations and interim responses) are included in §806.27.

(b) Multitrack processing. (1) Examples of letters to FOIA requesters (e.g.,
letters to individuals who have had their FOIA request placed in the complex track are included in § 806.27.

(2) Simple requests can be processed quickly, with limited impact on the responding units. The request clearly identifies the records with no (or few) complicating factors involved. There are few or no responsive records, only one installation is involved, there are no outside OPRs, no classified or non-government records, no deliberative process/privileged materials are involved, personal privacy information did not come from Privacy Act systems of records concerning other individuals, or time extensions not anticipated.

(c) Complex requests will take substantial time, will cause significant impact on responding units. Complications and delays are likely. Records sought are massive in volume, multiple organizations must review/coordinate on records, records are classified, records originated with a non-government source, records were part of the Air Force’s decision-making process or are privileged.

(d) Expedited processing. Examples of letters to individuals whose FOIA requests and/or appeals were not expedited are included in § 806.27.

§ 806.7 Use of exemptions.

(a) A listing of some AFIs that provide guidance on special disclosure procedures for certain types of records is provided in § 806.28. Refer to those instructions for specific disclosure procedures. Remember, the only reason to deny a request is a FOIA exemption.

(b) Refer requests from foreign government officials that do not cite the FOIA to your foreign disclosure office and notify the requester.

(c) If you have a non-U.S. Government record, determine if you need to consult with the record’s originator before releasing it (see § 806.9 and § 806.15(c)). This includes records created by foreign governments and organizations such as North Atlantic Treaty Organization (NATO) and North American Aerospace Defense (NORAD). You may need to coordinate release of foreign government records with either the U.S. Department of State or with the specific foreign embassy, directly through the MAJCOM FOIA office. Coordinate release or denial of letters of offer and acceptance (LOA) with SAF/IA through 11 CS/SCSR (FOIA), 1000 Air Force Pentagon, Washington DC 20330-1000.

§ 806.8 Description of requested record.

Air Force elements must make reasonable efforts to find the records described in FOIA requests. Reasonable efforts mean searching all activities and locations most likely to have the records, and includes staged or retired records, as well as complete and thorough searches of relevant electronic records, such as databases, word processing, and electronic mail files.

§ 806.9 Referrals.

(a) Send all referrals through the FOIA office. The receiving FOIA office must agree to accept the referral before transfer. The FOIA office will provide the name, phone number, mailing address, and e-mail address of both the FOIA office point of contact and the record OPR point of contact in their referral letter. Include the requested record. If the requested records are massive, then provide a description of them. Referrals to, or consultations with, DFOISR are accomplished from the MAJCOM level. Section 806.27 has an example of a referral memo.

(b) In some cases, requested records are available from the GPO and NTIS, 5285 Port Royal Road, Springfield VA 22161. These organizations offer certain records for sale to the public. Current standard releasable Air Force publications are available electronically on the WWW at http://afpubs.hq.af.mil/. For requesters without electronic access, NTIS has paper copies for sale. Give requesters the web address or NTIS address when appropriate. However, if the requester prefers to pursue the FOIA process, consult with HQ AFCIC/ITC through the MAJCOM. Refer FOIA requests for Air Force publications that are classified, FOUO, rescinded, or superseded to the OPR through the appropriate FOIA office.

§ 806.10 Records management.

Keep records that were fully released for 2 years and denied records for 6
