

§ 89.5

33 CFR Ch. I (7–1–10 Edition)

of Management and Budget under OMB control No. 1625–0019.

[CGD 80–157, 47 FR 13801, Apr. 1, 1982, as amended by USCG–2006–25150, 71 FR 39208, July 12, 2006]

§ 89.5 Application for a Certificate of Alternative Compliance.

(a) The owner, builder, operator, or agent of a vessel of special construction or purpose who believes the vessel cannot fully comply with the Inland Rules light, shape, or sound signal provisions without interference with its special function may apply for a determination that alternative compliance is justified. The application must be in writing, submitted to the Chief of the Marine Safety Division of the Coast Guard District in which the vessel is being built or operated, and include the following information:

- (1) The name, address, and telephone number of the applicant.
- (2) The identification of the vessel by its:
 - (i) Official number;
 - (ii) Shipyard hull number;
 - (iii) Hull identification number; or
 - (iv) State number, if the vessel does not have an official number or hull identification number.
- (3) Vessel name and home port, if known.
- (4) A description of the vessel's area of operation.
- (5) A description of the provision for which the Certificate of Alternative Compliance is sought, including:
 - (i) The Inland Rules Rule or Annex section number for which the Certificate of Alternative Compliance is sought;
 - (ii) A description of the special function of the vessel that would be interfered with by full compliance with the provision of that Rule or Annex section; and
 - (iii) A statement of how full compliance would interfere with the special function of the vessel.
- (6) A description of the alternative installation that is in closest possible compliance with the applicable Inland Navigation Rules Rule or Annex section.
- (7) A copy of the vessel's plans or an accurate scale drawing that clearly shows:

(i) The required installation of the equipment under the Inland Rules,

(ii) The proposed installation of the equipment for which certification is being sought, and

(iii) Any obstructions that may interfere with the equipment when installed in:

- (A) The required location; and
- (B) The proposed location.

(b) The Coast Guard may request from the applicant additional information concerning the application.

§ 89.9 Certificate of Alternative Compliance: Contents.

The Chief of the Marine Safety Division issues the Certificate of Alternative Compliance to the vessel based on a determination that it cannot comply fully with Inland Rules light, shape, and sound signal provisions without interference with its special function. This Certificate includes:

- (a) Identification of the vessel as supplied in the application under § 89.5(a)(2);
- (b) The provision of the Inland Rules for which the Certificate authorizes alternative compliance;
- (c) A certification that the vessel is unable to comply fully with the Inland Rules light, shape, and sound signal requirements without interference with its special function;
- (d) A statement of why full compliance would interfere with the special function of the vessel;
- (e) The required alternative installation;
- (f) A statement that the required alternative installation is in the closest possible compliance with the Inland Rules without interfering with the special function of the vessel;
- (g) The date of issuance;
- (h) A statement that the Certificate of Alternative Compliance terminates when the vessel ceases to be usually engaged in the operation for which the certificate is issued.

§ 89.17 Certificate of Alternative Compliance: Termination.

The Certificate of Alternative Compliance terminates if the information
