§ 385.9 Implementation principles.

The Corps of Engineers and the South Florida Water Management District and other non-Federal sponsors shall, in consultation with the Department of the Interior, the Environmental Protection Agency, the Department of Commerce, the Miccosukee Tribe of Indians of Florida, the Seminole Tribe of Florida, the Florida Department of Environmental Protection, and other Federal, State, and local agencies, conduct activities, including program-level activities, necessary to implement the Plan. Such activities shall be conducted as part of an integrated implementation program, in accordance with this part, and based on the following principles:

(a) Individual projects shall be formulated, evaluated, and justified based on their ability to contribute to the goals and purposes of the Plan and on their ability to provide benefits that justify costs on a next-added increment basis.

(b) Interim goals shall be established in accordance with §385.38 to provide a means for evaluating restoration success of the Plan at specific time intervals during implementation. Interim
§ 385.10 Implementation responsibilities, consultation, and coordination.

(a) Implementing agencies. Implementation of the Plan shall be the responsibility of the Corps of Engineers and the non-Federal sponsors.

(b) Consultation—(1) Consultation with tribes. (i) In addition to any other applicable provision for consultation with Native American Tribes, including but not limited to, laws, regulations, executive orders, and policies the Corps of Engineers and non-Federal sponsors shall consult with and seek advice from the Miccosukee Tribe of Indians of Florida and the Seminole Tribe of Florida throughout the implementation process to ensure meaningful and timely input by tribal officials regarding programs and activities covered by this part. Consultation with the tribes shall be conducted on a government-to-government basis.

(ii) In carrying out their responsibilities under section 601 of WRDA 2000 with respect to the restoration of the South Florida ecosystem, the Secretary of the Army and the Secretary of the Interior shall fulfill any obligations to the Indian tribes in South Florida under the Indian trust doctrine as well as other applicable legal obligations.

(2) Consultation with agencies. The Corps of Engineers and non-Federal sponsors shall consult with and seek advice from the Department of the Interior, the Environmental Protection Agency, the Department of Commerce, the Florida Department of Environmental Protection, and other Federal, State, and local agencies throughout the implementation process to ensure meaningful and timely input by those agencies regarding programs and activities covered under this part. The time for, and extent of, consultation shall be appropriate for, and limited by, the activity involved.

(c) Coordination. The Corps of Engineers and the non-Federal sponsor shall coordinate implementation activities and the preparation of documents with other Federal, State, and local agencies and the tribes to fulfill the requirements of all applicable Federal and State laws, including but not limited to, the Fish and Wildlife Coordination Act, the National Environmental Policy Act, the Clean Air Act, the Clean Water Act, the National Historic Preservation Act, the Coastal Zone Management Act, the Marine Mammal Protection Act, and the Endangered Species Act.

(d) Timeliness obligations of consultation. Consultation involves reciprocal obligations: on the part of the Corps of Engineers and the non-Federal sponsor to involve agencies, tribes, and the public at an early stage and in such a way to ensure meaningful consultation, and on the part of the parties consulted to respond in a timely and meaningful fashion so that the implementation of the Plan is not jeopardized and so that delays do not result in other adverse consequences to restoration of the natural system, to the other goals and purposes of the Plan, or to
