

§ 395.4

§ 395.4 State rules and regulations.

(a) The State licensing agency shall promulgate rules and regulations which have been approved by the Secretary and which shall be adequate to assure the effective conduct of the State's vending facility program (including State licensing agency procedures covering the conduct of full evidentiary hearings) and the operation of each vending facility in accordance with this part and with the requirements and conditions of each department, agency, and instrumentality in control of the maintenance, operation, and protection of Federal property, including the conditions contained in permits, as well as in all applicable Federal and State laws, local ordinances and regulations.

(b) Such rules and regulations and amendments thereto shall be filed or published in accordance with State law.

(c) Such rules and regulations shall include provisions adequate to insure that the right, title to, and interest in each vending facility used in the program and the stock will be vested in accordance with the laws of the State in only the following:

- (1) The State licensing agency; or
- (2) Its nominee, subject to the conditions specified in § 395.15(b); or
- (3) The vendor, in accordance with State determination.

(d) Notwithstanding the provisions of paragraph (c) of this section, any right, title to, or interest which existed on June 30, 1955, in stock may continue so long as:

(1) The interest is in the stock of a facility established under the program prior to July 1, 1955, and

(2) The vendor was licensed in the program (whether or not for the operation of the vending facility in question) prior to July 1, 1955.

§ 395.5 Approval of application for designation as State licensing agency.

When the Secretary determines that an application submitted by a State vocational rehabilitation agency under § 395.2, and the accompanying rules and regulations indicate a plan of program operations which will stimulate and enlarge the economic opportunities for the blind, and which will meet all other

requirements of this part, he shall approve the application and shall designate the applying State vocational rehabilitation agency as the State licensing agency.

§ 395.6 Vendor ownership of vending facilities.

(a) If a State licensing agency determines under § 395.4(c) that the right, title to, and interest in a vending facility may be vested in the blind vendor, the State licensing agency shall enter into a written agreement with each vendor who is to have such ownership. Such agreement shall contain in full the terms and conditions governing such ownership in accordance with criteria in the State licensing agency's regulations, this part, and the terms and conditions of the permit. The criteria established to govern the determination that the title may be so vested shall contain reasonable provisions to enable a vendor to purchase vending facility equipment and to ensure that no individual will be denied the opportunity to become a vendor because of his inability to purchase the vending facility equipment or the initial stock;

(b) The State licensing agency shall establish in writing and maintain policies determining whether the vendor-owner or the State licensing agency shall be required to maintain the vending facility in good repair and in an attractive condition and replace worn-out or obsolete equipment; and if the former, such policies shall provide that upon such vendor-owner's failure to do so, the State licensing agency may make the necessary maintenance, replacement, or repairs and make equitable arrangements for reimbursement;

(c) Where the vendor owns such equipment and is required to maintain the vending facility in good repair and in an attractive condition and replace worn-out or obsolete equipment, or agrees to purchase additional new equipment, service charges for such purposes shall be equitably reduced and the method for determining such amount shall be established by the State licensing agency in writing;

(d) Where the vendor owns such equipment, the State licensing agency shall retain a first option to repurchase such equipment, and in the event the

vendor-owner dies, or for any other reason ceases to be a licensee, or transfers to another vending facility, ownership of such equipment shall become vested in the State licensing agency for transfer to a successor licensee subject to an obligation on its part to pay to such vendor-owner or his estate, the fair value therein; and

(e) The vendor-owner, his personal representative or next of kin shall be entitled to an opportunity for a full evidentiary hearing with respect to the determination of the amount to be paid by the State licensing agency for a vendor's ownership in the equipment. When the vendor-owner is dissatisfied with any decision rendered as a result of such hearing, he may file a complaint with the Secretary under § 395.13 to request the convening of an ad hoc arbitration panel.

§ 395.7 The issuance and conditions of licenses.

(a) The State licensing agency shall establish in writing and maintain objective criteria for licensing qualified applicants, including a provision for giving preference to blind persons who are in need of employment. Such criteria shall also include provisions to assure that licenses will be issued only to persons who are determined by the State licensing agency to be:

- (1) Blind;
- (2) Citizens of the United States; and
- (3) Certified by the State vocational rehabilitation agency as qualified to operate a vending facility.

(b) The State licensing agency shall provide for the issuance of licenses for an indefinite period but subject to suspension or termination if, after affording the vendor an opportunity for a full evidentiary hearing, the State licensing agency finds that the vending facility is not being operated in accordance with its rules and regulations, the terms and conditions of the permit, and the terms and conditions of the agreement with the vendor.

(c) The State licensing agency shall further establish in writing and maintain policies which have been developed with the active participation of the State Committee of Blind Vendors and which govern the duties, supervision, transfer, promotion, and finan-

cial participation of the vendors. The State licensing agency shall also establish procedures to assure that such policies have been explained to each blind vendor.

§ 395.8 Distribution and use of income from vending machines on Federal property.

(a) Vending machine income from vending machines on Federal property which has been disbursed to the State licensing agency by a property managing department, agency, or instrumentality of the United States under § 395.32 shall accrue to each blind vendor operating a vending facility on such Federal property in each State in an amount not to exceed the average net income of the total number of blind vendors within such State, as determined each fiscal year on the basis of each prior year's operation, except that vending machine income shall not accrue to any blind vendor in any amount exceeding the average net income of the total number of blind vendors in the United States. No blind vendor shall receive less vending machine income than he was receiving during the calendar year prior to January 1, 1974, as a direct result of any limitation imposed on such income under this paragraph. No limitation shall be imposed on income from vending machines, combined to create a vending facility, when such facility is maintained, serviced, or operated by a blind vendor. Vending machine income disbursed by a property managing department, agency or instrumentality of the United States to a State licensing agency in excess of the amounts eligible to accrue to blind vendors in accordance with this paragraph shall be retained by the appropriate State licensing agency.

(b) The State licensing agency shall disburse vending machine income to blind vendors within the State on at least a quarterly basis.

(c) Vending machine income which is retained under paragraph (a) of this section by a State licensing agency shall be used by such agency for the establishment and maintenance of retirement or pension plans, for health insurance contributions, and for the provision of paid sick leave and vacation
