- (2) If a student objects to the institution's overpayment determination on the grounds that it is erroneous, the institution must consider any information provided by the student and determine whether the objection is warranted.
- (c) Except as provided in paragraph (a)(3) of this section, if the student fails to repay an overpayment under this part or make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, after the institution has taken the action required by paragraph (b) of this section, the institution must refer the overpayment to the Secretary for collection purposes in accordance with procedures required by the Secretary. §691.80 Redetermination of eligibility for a grant award.

(a) Change in receipt of Federal Pell Grant. If, after the beginning of an award year, a student otherwise eligible for an ACG or a National SMART Grant begins or ceases to receive a Federal Pell Grant in that award year, the institution must redetermine the student's eligibility for an ACG or a National SMART Grant in that award year.

(b) Change in enrollment status. (1) If the student's enrollment status changes from one payment period to another within the same award year, the institution must recalculate the student's award for the new payment period taking into account any changes in the cost of attendance.

(2)(i) If the student's projected enrollment status changes during a payment period after the student has begun attendance in all of his or her classes for that payment period, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. If such a policy is established, it must apply to all students and be the same as the policy established for the Federal Pell Grant Program.

(ii)(A) If a student's projected enrollment status changes during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution must recalculate the student's enrollment status to reflect only those classes for which the student actually began attendance.

(B) If a student's projected enrollment status changes to less-than-half-time during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution must determine that the student is ineligible for a grant for that payment period.
