

National Park Service, Interior

§ 13.45

use during 1979 (taking into consideration the relative levels of use in the general vicinity, as well as the applicant's levels of use); or

(B) A direct threat to, or significant impairment of, the values and purposes for which the park area was established.

(d) *Hunting and trapping.* (1) Hunting and trapping are allowed in national preserves in accordance with applicable Federal and non-conflicting State law and regulations.

(2) Violating a provision of either Federal or non-conflicting State law or regulation is prohibited.

(3) Engaging in trapping activities as the employee of another person is prohibited.

(4) It shall be unlawful for a person having been airborne to use a firearm or any other weapon to take or assist in taking any species of bear, caribou, Sitka black-tailed deer, elk, coyote, arctic and red fox, mountain goat, moose, Dall sheep, lynx, bison, musk ox, wolf and wolverine until after 3 a.m. on the day following the day in which the flying occurred. This prohibition does not apply to flights on regularly scheduled commercial airlines between regularly maintained public airports.

(5) Persons transporting wildlife through park areas must identify themselves and the location where the wildlife was taken when requested by an NPS employee or other authorized person.

(e) *Closures and restrictions.* The Superintendent may prohibit or restrict the non-subsistence taking of fish or wildlife in accordance with the provisions of §13.50 of this chapter. Except in emergency conditions, such restrictions shall take effect only after the Superintendent has consulted with the appropriate State agency having responsibility over fishing, hunting, or trapping and representatives of affected users.

§ 13.45 Unattended or abandoned property.

(a) This section applies to all park areas in Alaska except Klondike Gold Rush National Historical Park and Sitka National Historical Park, or as further restricted for specific park

areas in subparts H through V of this part.

(b) *Personal property.* (1) Leaving personal property longer than 4 months is prohibited. The Superintendent may authorize property to be left in place for more than 4 months.

(2) Identification information is required for all personal property left in park areas. Identification information consists of the owner's name, home address, telephone number, date that the property was left, and the type of fuel if the property contains fuel. This information must be—

(i) Labeled on the property; or

(ii) Provided to the Superintendent.

(3) All property must be stored in such a manner that wildlife is unable to access the contents. Storing property in a manner that wildlife can access contents is prohibited.

(4) Leaving fuel in more than one location in a park area or leaving more than 30 gallons of fuel is prohibited unless authorized by the Superintendent.

(5) Storing fuel within 100 feet of a water source, high water mark of a body of water, or mean high tide is prohibited unless stored in a spill proof overpack container or authorized by the Superintendent. Fuel must be contained in an undamaged and closed fuel container designed for fuel storage. Fueling from containers must occur in such a manner that any spillage would be prevented from coming into contact with water, soil, or vegetation. Failure to properly contain or prevent spillage is prohibited.

(6) Leaving property unattended for longer than 24 hours on facilities is prohibited unless authorized by the Superintendent.

(7) Property left in violation of this section is prohibited and subject to impoundment and, if abandoned, disposal or forfeiture.

(c) The Superintendent may designate areas where personal property may not be left unattended for any time period, establish limits on the amount and type of personal property that may be left unattended, prescribe the manner in which personal property may be left unattended, or establish limits on the length of time personal property may be left unattended. Such designations and restrictions shall be

published in at least one newspaper of general circulation within the State, posted at community post offices within the vicinity affected, made available for broadcast on local radio stations in a manner reasonably calculated to inform residents in the affected community, and designated on a map which shall be available for public inspection at the office of the Superintendent, or designated by the posting of appropriate signs, or both.

(d) In the event unattended property interferes with the safe and orderly management of a park area or is causing damage to the resources of the area, it may be impounded by the Superintendent at any time.

§ 13.50 Closure procedures.

(a) *Authority.* The Superintendent may close an area or restrict an activity on an emergency, temporary, or permanent basis.

(b) *Criteria.* In determining whether to close an area or restrict an activity on an emergency basis, the Superintendent shall be guided by factors such as public health and safety, resource protection, protection of cultural or scientific values, subsistence uses, endangered or threatened species conservation, and other management considerations necessary to ensure that the activity or area is being managed in a manner compatible with the purposes for which the park area was established.

(c) *Emergency Closures.* (1) Emergency closures or restrictions relating to the taking of fish and wildlife shall be accomplished by notice and hearing.

(2) Other emergency closures shall become effective upon notice as prescribed in paragraph (f) of this section; and

(3) No emergency closure or restriction shall extend for a period exceeding 30 days, nor may it be extended.

(d) *Temporary closures or restrictions.* (1) Temporary closures or restrictions relating to the taking of fish and wildlife, shall not be effective prior to notice and hearing in the vicinity of the area(s) directly affected by such closures or restrictions, and other locations as appropriate;

(2) Temporary closures shall be effective upon notice as prescribed in paragraph (f) of this section; and

(3) Temporary closures or restrictions shall not extend for a period exceeding 12 months and may not be extended.

(e) *Permanent closures or restrictions.* Permanent closures or restrictions shall be published as rulemaking in the FEDERAL REGISTER with a minimum public comment period of 60 days and shall be accompanied by public hearings in the area affected and other locations as appropriate.

(f) *Notice.* Emergency, temporary, and permanent closures or restrictions shall be:

(1) Published in at least one newspaper of general circulation in the State and in at least one local newspaper if available, posted at community post offices within the vicinity affected, made available for broadcast on local radio stations in a manner reasonably calculated to inform residents in the affected vicinity, and designated on a map which shall be available for public inspection at the office of the Superintendent and other places convenient to the public;

(2) Designated by the posting of appropriate signs; or

(3) Both.

(g) *Openings.* In determining whether to open an area to public use or activity otherwise prohibited, the Superintendent shall provide notice in the FEDERAL REGISTER and shall, upon request, hold a hearing in the affected vicinity and other locations as appropriate prior to making a final determination.

(h) *Facility closures and restrictions.* The Superintendent may close or restrict specific facilities for reasons of public health, safety, and protection of public property for the duration of the circumstance requiring the closure or restriction. Notice of facility closures and restrictions will be available for inspection at the park visitor center. Notice will also be posted near or within the facility, published in a newspaper of general circulation in the affected vicinity, or made available to the public by such other means as
