and other pets are prohibited in the backcountry and on established trails.

(e)(1) On what route may I operate a snowmobile? Snowmobiles may be operated on the North Supply Access Trail solely for the purpose of gaining access between national forest lands on the west side of the park and the town of Grand Lake. Use of this trail for other purposes is not permitted. This trail will be marked by signs, snow poles or other appropriate means.

(2) When may I operate a snowmobile on the North Supply Access Trail? The Superintendent will determine the opening and closing dates for use of the North Supply Access Trail each year, taking into consideration the location of wintering wildlife, appropriate snow cover, and other factors that may relate to public safety. The Superintendent will notify the public of such dates through one or more of the methods listed in §1.7(a) of this chapter. Temporary closure of this route will be initiated through the posting of appropriate signs and/or barriers.

§ 7.8 Sequoia and Kings Canyon National Parks.

(a) Dogs and cats. Dogs and cats are prohibited on any park land or trail except within one-fourth mile of developed areas which are accessible by a designated public automobile road.

(b) Fishing. (1) Fishing restrictions, based on management objectives described in the parks’ Resources Management Plan, are established annually by the Superintendent.

(2) The Superintendent may impose closures and establish conditions or restrictions, in accordance with the criteria and procedures of §§1.5 and 1.7 of this chapter, on any activity pertaining to fishing including, but not limited to, species of fish that may be taken, seasons and hours during which fishing may take place, methods of taking, size, location and elevation, and possession limits.

(3) Soda Springs Creek drainage is closed to fishing.

(4) Fishing in closed waters or in violation of a condition or restriction established by the Superintendent is prohibited.

(c) Privately owned lands—(1) Water supply, sewage or disposal systems, and building construction or alterations. The provisions of this paragraph apply to the privately owned lands within Sequoia and Kings Canyon National Parks.

(i) Facilities. (a) Subject to the provisions of paragraph (c)(1)(iii) of this section, no person shall occupy any building or structure, intended for human habitation or use, unless such building complies with standards, prescribed by State and county laws and regulations applicable in the county within whose exterior boundaries such building is located, as to construction, water supply and sewage disposal systems.

(b) No person shall construct, rebuild, or alter any building, water supply or sewage disposal system without the permission of the Superintendent. The Superintendent will give such permission only after receipt of written notification from the appropriate Federal, State, or county officer that the plans for such building or system comply with State or county standards. Any person aggrieved by an action of the Superintendent with respect to any such permit or permit application may appeal in writing to the Director, National Park Service, U.S. Department of the Interior, Washington, D.C. 20240.

(ii) Inspections. (a) The appropriate State or county officer, the Superintendent, or their authorized representatives or an officer of the U.S. Public Health Service, may inspect any building, water supply, or sewage disposal system, from time to time, in order to determine whether the building, water supply, or sewage disposal system comply with the State and county standards: Provided, however, That inspection shall be made only upon consent of the occupant of the premises or a warrant.

(b) Any building, water supply, or sewage disposal system may be inspected without the consent of the occupant of the premises or a warrant if there is probable cause to believe that
§ 7.9 St. Croix National Scenic Rivers.

(a) Snowmobiles. After consideration of existing special situations, i.e., depth of snow or thickness of ice, and depending on local weather conditions, the superintendent may allow the use of snowmobiles on the frozen surface of the Saint Croix River on those sections normally used by motor boats during other seasons, between the Boomsite and Highway 243 near Osceola, Wisconsin, and Saint Croix Falls to Riverside, Wisconsin, and in those areas where county or other established snowmobile trails need to cross the riverway or riverway lands to connect with other established snowmobile trails.

(b) Fishing. Unless otherwise designated, fishing in a manner authorized under applicable State law is allowed.

(c) Vessels. (1) Entering by vessel, launching a vessel, operating a vessel, or knowingly allowing another person to enter, launch or operate a vessel, or attempting to do any of these activities in park area waters when that vessel or the trailer or the carrier of that vessel has been in water infested or contaminated with aquatic nuisance species, except as provided in paragraph (c)(2) of this section is prohibited.

(2) Vessels, trailers or other carriers of vessels wishing to enter park area waters from aquatic nuisance species contaminated or infested waters may enter after being inspected and cleaned using the technique or process appropriate to the nuisance species.

(d) Placing or dumping, or attempting to place or dump, bait containers, live wells, or other water-holding devices that are or were filled with waters holding or contaminated by aquatic nuisance species is prohibited.

(e) Using a wet suit or associated water use and diving equipment previously used in waters infested with aquatic nuisance species prior to being inspected and cleaned using a process appropriate to the nuisance species is prohibited.
