and associated road construction or reconstruction to access these mineral materials, in Idaho Roadless Areas designated as Backcountry/Restoration only if the use of these mineral materials is incidental to an activity otherwise permissible in backcountry/restoration under this subpart.

(e) *General Forest, Rangeland, and Grassland.* (1) For mineral leases, contracts, permits, and other associated activities authorized after October 16, 2008, the Forest Service will not recommend, authorize, or consent to road construction or reconstruction associated with mineral leases in Idaho Roadless Areas designated as General Forest, Rangeland, and Grassland theme; except such road construction or reconstruction may be authorized by the responsible official in association with phosphate deposits as described in Figure 3–20 in section 3.15 Minerals and Energy in the Roadless Area Conservation; National Forest System Lands in Idaho Final Environmental Impact Statement. Surface use or occupancy without road construction or reconstruction is permissible for all mineral leasing unless prohibited in the land management plan components.

(2) After October 16, 2008, the Forest Service may authorize the use or sale of common variety mineral materials, and associated road construction or reconstruction to access these mineral materials, in Idaho Roadless Areas designated as General Forest, Rangeland, and Grassland only if the use of these mineral materials is incidental to an activity otherwise permissible in General Forest, Rangeland, and Grassland under this subpart.

(3) Road construction or reconstruction associated with mining activities permissible under this subsection may only be approved after evaluating other access options.

(4) Road construction or reconstruction associated with mining activities permissible under this subsection must be conducted in a manner that minimizes effects on surface resources and must be consistent with land management plan components as provided for in § 294.28(d). Roads constructed or reconstructed must be decommissioned upon completion of the project, or expiration of the lease, or permit, or other authorization, whichever is sooner.

§ 294.26 Other activities in Idaho Roadless Areas.

(a) *Motorized travel.* Nothing in this subpart shall be construed as affecting existing roads or trails in Idaho Roadless Areas. Decisions concerning the future management of existing roads or trails in Idaho Roadless Areas shall be made during the applicable travel management process.

(b) *Grazing.* Nothing in this subpart shall be construed as affecting existing grazing permits in Idaho Roadless Areas. Future road construction associated with livestock operations shall conform to this subpart.

(c) *Motorized equipment and mechanical transport.* Nothing in this subpart shall be construed as affecting the use of motorized equipment and mechanical transport in Idaho Roadless Areas.

§ 294.27 Corrections and modifications.

Correction or modification of designations made pursuant to this subpart may occur under the following circumstances:

(a) *Administrative corrections.* Administrative corrections to the maps of lands identified in § 294.22(c) include, but are not limited to, adjustments that remedy clerical errors, typographical errors, mapping errors, or improvements in mapping technology. The Chief may issue administrative corrections after a 30-day public notice and opportunity to comment.

(b) *Modifications.* The Chief may add to, remove from, or modify the designations and management classifications listed in § 294.29 based on changed circumstances or public need. The Chief shall provide at least a 45-day public notice and opportunity to comment for all modifications.

§ 294.28 Scope and applicability.

(a) After October 16, 2008 subpart B of this part shall have no effect within the State of Idaho.

(b) This subpart does not revoke, suspend, or modify any permit, contract, or other legal instrument authorizing the occupancy and use of National Forest System land issued prior to October 16, 2008.
