§ 1001.5 Closures and public use limits.

(a) Consistent with applicable legislation and Federal administrative policies, and based upon a determination that such action is necessary for the maintenance of public health and safety, protection of environmental or scenic values, protection of natural or cultural resources, aid to scientific research, implementation of management responsibilities, equitable allocation and use of facilities, or the avoidance of conflict among visitor use activities, the Board may:

(1) Establish, for all or a portion of the area administered by the Presidio Trust, a reasonable schedule of visiting hours, impose public use limits, or close all or a portion of the area administered by the Presidio Trust to all public use or to a specific use or activity.

(2) Designate areas for a specific use or activity, or impose conditions or restrictions on a use or activity.

(3) Terminate a restriction, limit, closure, designation, condition, or visiting hour restriction imposed under paragraph (a)(1) or (2) of this section.

(b) Except in emergency situations, a closure, designation, use or activity restriction or condition, or the termination or relaxation of such, which is of a nature, magnitude and duration that will result in a significant alteration in the public use pattern of the area administered by the Presidio Trust, adversely affect the natural, aesthetic, scenic or cultural values of the area administered by the Presidio Trust, require a long-term or significant modification in the resource management objectives of the area administered by the Presidio Trust, or is of a highly controversial nature, shall be published as rulemaking in the FEDERAL REGISTER.

(c) Except in emergency situations, prior to implementing or terminating a restriction, condition, public use limit or closure, the Board shall prepare a written determination justifying the action. That determination shall set forth the reason(s) the restriction, condition, public use limit or closure authorized by paragraph (a) of this section has been established, and an explanation of why less restrictive measures will not suffice, or in the case of a termination of a restriction, condition, public use limit or closure previously established under paragraph (a) of this section, a determination as to why the restriction is no longer necessary and a finding that the termination will not adversely impact resources of the area administered by the Presidio Trust. This determination shall be available to the public upon request.

(d) To implement a public use limit, the Board may establish a permit, registration, or reservation system. Permits shall be issued in accordance with the criteria and procedures of § 1001.6.

§ 1001.6 Permits.

(a) When authorized by regulations set forth in this chapter, the Executive Director may issue a permit to authorize an otherwise prohibited or restricted activity or impose a public use limit. The activity authorized by a permit shall be consistent with applicable legislation, Federal regulations and administrative policies, and based upon a determination that public health and safety, environmental or scenic values, natural or cultural resources, scientific research, implementation of management responsibilities, proper allocation and use of facilities, or the avoidance of conflict among visitor use activities will not be adversely impacted.

(b) Except as otherwise provided, application for a permit shall be submitted to the Executive Director during normal business hours.

(c) The public will be informed of the existence of a permit requirement in accordance with § 1001.7.

(d) Unless otherwise provided for by the regulations in this chapter, the Executive Director shall deny a permit that has been properly applied for only upon a determination that the designated capacity for an area or facility would be exceeded; or that one or more of the factors set forth in paragraph (a) of this section would be adversely impacted. The basis for denial shall be provided to the applicant upon request.

(e) The Executive Director shall include in a permit the terms and conditions that the Executive Director deems necessary to protect resources of the area administered by the Presidio Trust or public safety and may also include terms or conditions established pursuant to the authority of any other section of this chapter.

(f) A compilation of those activities requiring a permit shall be maintained by the Executive Director and available to the public upon request.

(g) The following are prohibited:

(1) Engaging in an activity subject to a permit requirement imposed pursuant to this section without obtaining a permit; or

(2) Violating a term or condition of a permit issued pursuant to this section.

§ 1001.8

(h) Violating a term or condition of a permit issued pursuant to this section may also result in the suspension or revocation of the permit by the Executive Director.

§ 1001.7 Public notice.

(a) Whenever the authority of § 1001.5(a) is invoked to restrict or control a public use or activity, to relax or revoke an existing restriction or control, to designate all or a portion of the area administered by the Presidio Trust as open or closed, or to require a permit to implement a public use limit, the public shall be notified by one or more of the following methods:
