§ 13.69 Limitation of beneficiaries to individual fiduciary.

For purposes of payment of Department of Veterans Affairs benefits, the number of beneficiaries for whom an individual fiduciary may act will be limited to the number the fiduciary may be reasonably expected to properly serve. When, in the judgment of the Veterans Service Center Manager, a fiduciary has been appointed or is seeking appointment in a case in excess of that number, the Veterans Service Center Manager will initiate action to obtain a suitable substitute fiduciary.

§ 13.70 Apportionment of benefits to dependents.

(a) Incompetent veterans being furnished hospital treatment, institutional or domiciliary care by United States or political subdivision thereof. When compensation, pension or emergency officers’ retirement pay is payable in behalf of an incompetent veteran who is incompetent or under other legal disability by court action, the Veterans Service Center Manager may recommend such apportionment to or in behalf of the veteran’s spouse, child or dependent parent as may be necessary to provide for their needs.

(b) Dependent parents. When the compensation of a veteran paid to his or her fiduciary includes an additional amount for a dependent parent or parents and the fiduciary neglects or refuses to make an equivalent contribution for their support, the Veterans Service Center Manager may recommend the apportionment to the parent or parents of the additional amount.

(c) Persons who may be excluded. Commissions may not be authorized to dependents of the beneficiary or other close relatives acting in a fiduciary capacity on behalf of the beneficiary, except under extraordinary circumstances.
