(b) *Public availability of Board decisions*—(1) *Decisions issued on or after January 1, 1992.* Decisions rendered by the Board of Veterans' Appeals on or after January 1, 1992, are electronically available for public inspection and copying on the Internet at <http://www.index.va.gov/search/va/bva.html>. All personal identifiers are redacted from the decisions prior to publication. Specific decisions may be identified by a word and/or topic search, or by the Board docket number. Board decisions will continue to be provided in a widely-used format as future advances in technology occur.

(2) *Decisions issued prior to January 1, 1992.* Decisions rendered by the Board of Veterans' Appeals prior to January 1, 1992, have been indexed to facilitate access to the contents of the decisions (BVA Index I-01-1). The index, which was published quarterly in microfiche form with an annual cumulation, is available for review at Department of Veterans Affairs regional offices and at the Research Center at the Board of Veterans' Appeals in Washington, DC. Information on obtaining a microfiche copy of the index is also available from the Board's Research Center. The index can be used to locate citations to decisions with issues similar to those of concern to an appellant. Each indexed decision has a locator number assigned to it. The manner in which the locator number is written depends upon the age of the decision. Decisions archived prior to late 1989 have a number such as 82-07-0001. Decisions archived at a later date have a number such as BVA-90-12345. This number must be used when requesting a paper copy of that decision. These requests must be directed to the Research Center (01C1), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

§ 20.1303 Rule 1303. Nonprecedential nature of Board decisions.

Although the Board strives for consistency in issuing its decisions, previously issued Board decisions will be considered binding only with regard to the specific case decided. Prior decisions in other appeals may be considered in a case to the extent that they reasonably relate to the case, but each case presented to the Board will be decided on the basis of the individual facts of the case in light of applicable procedure and substantive law.

§ 20.1304 Rule 1304. Request for change in representation, request for personal hearing, or submission of additional evidence following certification of an appeal to the Board of Veterans' Appeals.

(a) *Request for a change in representation, request for a personal hearing, or submission of additional evidence within 90 days following notification of certification and transfer of records.* An appellant and his or her representative, if any, will be granted a period of 90 days following the mailing of notice to them that an appeal has been certified to the Board for appellate review and that the appellate record has been transferred to the Board, or until the date the appellate decision is promulgated by the Board of Veterans' Appeals, whichever comes first, during which they may submit a request for a personal hearing, additional evidence, or a request for a change in representation. Any such request or additional evidence must be submitted directly to the Board and not to the agency of original jurisdiction. The date of mailing of the letter of notification will be presumed to be the same as the date of that letter for purposes of determining whether the request was timely made or the evidence was timely submitted. Any

evidence which is submitted at a hearing on appeal which was requested during such period will be considered to have been received during such period, even though the hearing may be held following the expiration of the period. Any pertinent evidence submitted by the appellant or representative is subject to the requirements of paragraph (d) of this section if a simultaneously contested claim is involved.

(b) *Subsequent request for a change in representation, request for a personal hearing, or submission of additional evidence*—(1) *General rule.* Subject to the exception in paragraph (b)(2) of this section, following the expiration of the period described in paragraph (a) of this section, the Board of Veterans' Appeals will not accept a request for a change in representation, a request for a personal hearing, or additional evidence except when the appellant demonstrates on motion that there was good cause for the delay. Examples of good cause include, but are not limited to, illness of the appellant or the representative which precluded action during the period; death of an individual representative; illness or incapacity of an individual representative which renders it impractical for an appellant to continue with him or her as representative; withdrawal of an individual representative; the discovery of evidence that was not available prior to the expiration of the period; and delay in transfer of the appellate record to the Board which precluded timely action with respect to these matters. Such motions must be in writing and must include the name of the veteran; the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; and an explanation of why the request for a change in representation, the request for a personal hearing, or the submission of additional evidence could not be accomplished in a timely manner. Such motions must be filed at the following address: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Depending upon

the ruling on the motion, action will be taken as follows:

(i) *Good cause not shown.* If good cause is not shown, the request for a change in representation, the request for a personal hearing, or the additional evidence submitted will be referred to the agency of original jurisdiction upon completion of the Board's action on the pending appeal without action by the Board concerning the request or additional evidence. Any personal hearing granted as a result of a request so referred or any additional evidence so referred may be treated by that agency as the basis for a reopened claim, if appropriate. If the Board denied a benefit sought in the pending appeal and any evidence so referred which was received prior to the date of the Board's decision, or testimony presented at a hearing resulting from a request for a hearing so referred, together with the evidence already of record, is subsequently found to be the basis of an allowance of that benefit, the effective date of the award will be the same as if the benefit had been granted by the Board as a result of the appeal which was pending at the time that the hearing request or additional evidence was received.

(ii) *Good cause shown.* If good cause is shown, the request for a change in representation or for a personal hearing will be honored. Any pertinent evidence submitted by the appellant or representative will be accepted, subject to the requirements of paragraph (d) of this section if a simultaneously contested claim is involved.

(2) *If the Board obtains evidence or considers law not considered by the agency of original jurisdiction.* The motion described in paragraph (b)(1) of this section is not required to submit evidence in response to the notice described in paragraph (a) or (b) of Rule 903 (paragraph (a) or (b) of § 20.903 of this part).

(c) *Consideration of additional evidence by the Board or by the agency of original jurisdiction.* Any pertinent evidence submitted by the appellant or representative which is accepted by the Board under the provisions of this section, or is submitted by the appellant or representative in response to a § 20.903 of this part, notification, as well as any such evidence referred to

Department of Veterans Affairs

§ 20.1401

the Board by the agency of original jurisdiction under § 19.37(b) of this chapter, must be referred to the agency of original jurisdiction for review, unless this procedural right is waived by the appellant or representative, or unless the Board determines that the benefit or benefits to which the evidence relates may be fully allowed on appeal without such referral. Such a waiver must be in writing or, if a hearing on appeal is conducted, the waiver must be formally and clearly entered on the record orally at the time of the hearing. Evidence is not pertinent if it does not relate to or have a bearing on the appellate issue or issues.

(d) *Simultaneously contested claims.* In simultaneously contested claims, if pertinent evidence which directly affects payment, or potential payment, of the benefit sought is submitted by any claimant and is accepted by the Board under the provisions of this section, the substance of such evidence will be mailed to each of the other claimants who will then have 60 days from the date of mailing of notice of the new evidence within which to comment upon it and/or submit additional evidence in rebuttal. For matters over which the Board does not have original jurisdiction, a waiver of initial agency of original jurisdiction consideration of pertinent additional evidence received by the Board must be obtained from each claimant in accordance with paragraph (c) of this section. The date of mailing of the letter of notification of the new evidence will be presumed to be the same as the date of that letter for purposes of determining whether such comment or evidence in rebuttal was timely submitted. No further period will be provided for response to such comment or rebuttal evidence.

(e) *Relationship to proceedings before the General Counsel to cancel accreditation or to review the reasonableness of fees and expenses.* The provisions of paragraphs (a), (b), and (d) of this section allowing appellants to submit additional evidence do not apply in proceedings before the General Counsel conducted under part 14 of this chapter to cancel accreditation or to review fee

agreements and expenses for reasonableness.

§ 20.1401 Rule 1401. Definitions.

(a) *Issue.* Unless otherwise specified, the term “issue” in this subpart means a matter upon which the Board made a final decision (other than a decision under this subpart). As used in the preceding sentence, a “final decision” is one which was appealable under Chapter 72 of title 38, United States Code, or which would have been so appealable if such provision had been in effect at the time of the decision.

(b) *Party.* As used in this subpart, the term “party” means any party to the proceeding before the Board that resulted in the final Board decision which is the subject of a motion under
