§ 39.6

Vermont Avenue, NW., Washington, DC 20420.

(Authority: 38 U.S.C. 501, 2408)

Subpart B—Grant Requirements and Procedures

§ 39.5 General requirements for a grant.

(a) In order to qualify for a grant, a State veterans' cemetery must be operated solely for the interment of veterans, their spouses, surviving spouses, minor children, and unmarried adult children who were physically or mentally disabled and incapable of self-support.

(b) For a State to obtain a grant under this part for the establishment, expansion, or improvement of a State veterans' cemetery:

(1) Its preapplication for the grant must be approved under § 39.6;

(2) Its project must be ranked sufficiently high on the priority list in § 39.7 for the current fiscal year so that funds are available for the project;

(3) Its plans and specifications for the project must be approved under § 39.8;

(4) The State must meet the application requirements in § 39.10; and

(5) Other requirements specified in §§ 39.9 and 39.13 must be satisfied.

(c) VA may approve under § 39.11 any application up to the amount of the grant requested once the requirements under paragraph (b) of this section have been satisfied, provided that sufficient funds are available. In determining whether sufficient funds are available, VA shall consider the project's priority ranking, the total amount of funds available for cemetery grant awards during the applicable fiscal year, and the prospects of higher ranking projects being ready for the award of a grant before the end of the applicable fiscal year.

(Authority: 38 U.S.C. 501, 2408)

(d) Any grant under this part made on or after November 21, 1997, is made on the condition that after the date of receipt of the grant the State receiving the grant, subject to requirements for receipt of notice in 38 U.S.C. 2408 and 2411, will prohibit in the cemetery for which the grant is furnished the inter-

ment of the remains of or the memorialization of any person:

(e) Upon receipt of a preapplication for a grant, including all necessary assurances and all required supporting documentation, VA shall determine whether the preapplication conforms to all requirements listed in paragraphs (a) through (d) of this section, including whether it contains sufficient information necessary to establish the project's priority. VA will notify the State of any nonconformity. If the preapplication does conform, VA shall notify the State that the preapplication has been found to meet the preapplication requirements, and the proposed project will be included in the next scheduled ranking of projects, as indicated in § 39.7(d).
