§ 81.4 Requests for identifiable records.

(a) A request to inspect or obtain a copy of an identifiable record of GAO must be submitted in writing to the Chief Quality Officer, U.S. Government Accountability Office, 441 G Street, NW., Washington, DC 20548. Requests may also be made via a link from GAO’s Internet Home page at http://www.gao.gov. Requests also may be emailed to recordsrequest@gao.gov. The Chief Quality Officer will either acknowledge or honor the request within 20 days of receipt.

(b) The Chief Quality Officer will honor requests for expedited processing before all other requests in cases in which the person requesting the records demonstrates a compelling need. A demonstration of compelling need shall be made by a statement certified by the requester to be true and correct to the best of the requester’s knowledge and belief.

(c) In the event of an objection or doubt as to the propriety of providing the requester with a copy of the record sought, every effort will be made to resolve such problems as quickly as possible, including consultation with appropriate GAO elements. If it is determined that the record should be withheld, the Chief Quality Officer shall inform the requester in writing that the request has been denied, shall identify the material withheld, and shall explain the basis for the denial.

(d) A person whose request is denied in whole or part may administratively appeal the denial within 60 days after the date of the denial by submitting a letter to the Comptroller General of the United States at the address listed in paragraph (a) of this section, explaining why the denial of the request was unwarranted.

§ 81.5 Records originating outside GAO, records of interviews, or records involving work in progress.

(a) It is the policy of GAO not to provide records from its files that originate in another agency or nonfederal organization to persons who may not be entitled to obtain the records from the originating. In such instances, requesters will be referred to the person or organization that originated the records.

(b) It is the policy of GAO that prior to the release of a record of interview created by GAO in connection with an audit, evaluation, or investigation of a program, activity, or funding of a government entity, GAO will notify the agency from which an interview was obtained of the request. GAO will provide that agency with a reasonable opportunity to indicate whether the record of interview or portions thereof should be exempt from disclosure and the reason(s) for the exemption. The public disclosure of a record of interview remains within the discretion of GAO’s Chief Quality Officer, but GAO will consider the views of the agency and the exemptions provided for under § 81.6 or any other law or regulation in deciding whether to release all or portions of a record of interview.

(c) In order to avoid disruption of work in progress, and in the interests of fairness to those who might be adversely affected by the release of information which has not been fully reviewed to assure its accuracy and completeness, it is the policy of GAO not to provide records which are part of ongoing reviews or other current projects. In response to such requests, GAO will inform the requester of the estimated completion date of the review or project so that the requester may then ask for the records. At that time, the records may be released unless exempt from disclosure under § 81.6.
