(3) Return a signed copy of the manifest to the generator; and
(4) Give a copy of the manifest to a U.S. Customs official at the point of departure from the United States.

(h) A transporter transporting hazardous waste from a generator who generates greater than 100 kilograms but less than 1000 kilograms of hazardous waste in a calendar month need not comply with the requirements of this section or those of §263.22 provided that:

(1) The waste is being transported pursuant to a reclamation agreement as provided for in §262.20(e);
(2) The transporter records, on a log or shipping paper, the following information for each shipment:
   (i) The name, address, and U.S. EPA Identification Number of the generator of the waste;
   (ii) The quantity of waste accepted;
   (iii) All DOT-required shipping information;
   (iv) The date the waste is accepted; and
(3) The transporter carries this record when transporting waste to the reclamation facility; and
(4) The transporter retains these records for a period of at least three years after termination or expiration of the agreement.

§ 263.21 Compliance with the manifest.

(a) The transporter must deliver the entire quantity of hazardous waste which he has accepted from a generator or a transporter to:
   (1) The designated facility listed on the manifest; or
   (2) The alternate designated facility, if the hazardous waste cannot be delivered to the designated facility because an emergency prevents delivery; or
   (3) The next designated transporter; or
   (4) The place outside the United States designated by the generator.

(b)(1) If the hazardous waste cannot be delivered in accordance with paragraph (a) of this section because of an emergency condition other than rejection of the waste by the designated facility, then the transporter must contact the generator for further directions and must revise the manifest according to the generator’s instructions.
(2) If hazardous waste is rejected by the designated facility while the transporter is on the facility’s premises, then the transporter must obtain the following:
   (i) For a partial load rejection or for regulated quantities of container residues, a copy of the original manifest that includes the facility’s date and signature, and the Manifest Tracking Number of the new manifest that will accompany the shipment, and a description of the partial rejection or container residue in the discrepancy block of the original manifest. The transporter must retain a copy of this manifest in accordance with §263.22, and give the remaining copies of the original manifest to the rejecting designated facility. If the transporter is forwarding the rejected part of the shipment or a regulated container residue to an alternate facility or returning it to the generator, the transporter must obtain a new manifest to accompany the shipment, and the new manifest must include all of the information required in 40 CFR 264.72(e)(1) through (6) or (f)(1) through (6) or 40 CFR 265.72(e)(1) through (6) or (f)(1) through (6).
   (ii) For a full load rejection that will be taken back by the transporter, a copy of the original manifest that includes the rejecting facility’s signature and date attesting to the rejection, the description of the rejection in the discrepancy block of the manifest, and the name, address, phone number, and Identification Number for the alternate facility or generator to whom the shipment must be delivered. The transporter must retain a copy of the manifest in accordance with §263.22, and give a copy of the manifest containing this information to the rejecting designated facility. If the original manifest is not used, then the transporter must obtain a new manifest for the shipment and comply with 40 CFR 264.72(e)(1) through (6) or 40 CFR 265.72(e)(1) through (6).
