financial institution or approved payment agent in order to meet the statutory requirements to make all Federal payments via EFT unless your agency receives a waiver from the Department of the Treasury. To obtain a waiver, your agency must contact:

The Commissioner

§ 102-118.80 Who is responsible for keeping my agency's electronic commerce transportation billing records?

Your agency's internal financial regulations will identify responsibility for recordkeeping. In addition, the GSA Audit Division keeps a central repository of electronic transportation billing records for legal and auditing purposes. Therefore, your agency must forward all relevant electronic transportation billing documents to:

General Services Administration
Transportation Audit Division (QMCA)
Crystal Plaza 4, Room 300

Arlington, VA 22202

[65 FR 24569, Apr. 26, 2000, as amended at 69 FR 57620, Sept. 24, 2004; 74 FR 30475, June 26, 2009]

§ 102-118.85 Can my agency use a Government contractor issued charge card to pay for transportation services?

Yes, your agency may use a Government contractor issued charge card to purchase transportation services if permitted under the charge card contract or task order. In these circumstances your agency will receive a bill for these services from the charge card company.

§ 102-118.90 If my agency orders transportation and/or transportation services with a Government contractor issued charge card or charge account citation, is this subject to prepayment audit?

Generally, no transportation or transportation services ordered with a Government contractor issued charge card or charge account citation can be prepayment audited because the bank

or charge card contractor pays the TSP directly, before your agency receives a bill that can be audited from the charge card company. However, if your agency contracts with the charge card or charge account provider to provide for a prepayment audit, then, as long as your agency is not liable for paying the bank for improper charges (as determined by the prepayment audit verification process), a prepayment audit can be used. As with all prepayment audit programs, the charge card prepayment audit must be approved by the GSA Audit Division prior to implementation. If the charge card contract does not provide for a prepayment audit, your agency must submit the transportation line items on the charge card to the GSA Audit Division for a postpayment audit.

§ 102-118.91 May my agency authorize the use of cash?

Yes, in limited circumstances, a Government employee can use cash where government payment mechanisms are not available or acceptable.

[69 FR 57618, Sept. 24, 2004]

§ 102-118.92 How does my agency handle receipts, tickets or other records of cash payments?

Your agency must ensure that its employees keep the original receipts for transportation purchases over \$75.00 made with cash. If it is impractical to furnish receipts in any instance as required by this subtitle, the failure to do so must be fully explained on the travel voucher. Mere inconvenience in the matter of taking receipts will not be considered. These receipts must be saved for a possible postpayment audit by the GSA Audit Division. If your agency requires the filing of paper receipts, then you must do so. For transportation purchases over \$75.00, your agency must ensure that copies of all original papers are retained at your agency. Copies of tickets from a TSP must be sent to—General Services Administration, Transportation Audit Division (QMCA), Crystal Plaza 4, Room 300, 2200 Crystal Drive, Arlington, VA 22202, www.gsa.gov/transaudits.
