OJP or FEMA must notify the disposal agency within 30 calendar days after the date of the surplus notice, if there is an eligible applicant interested in acquiring the property. The deed of conveyance may contain additional terms, reservations, restrictions, and conditions the Administrator of General Services determines to be necessary to safeguard the United States' interests.

OJP or FEMA must, prior to the repossession, provide the appropriate GSA regional property disposal office with an accurate description of the real and related personal property involved. OJP or FEMA must use the Report of Excess Real Property (Standard Form 118), and the appropriate schedules for this purpose. After receiving a statement from OJP or FEMA that the title to the property is proposed for re-vesting, GSA will review the statement and determine if title should be re-vested. If GSA, in consultation with OJP or FEMA, determines that the property should be re-vested, OJP or FEMA must submit a Standard Form 118 to GSA. GSA will review and act upon the Standard Form 118, if acceptable. However, the grantee must provide protection and maintenance for the property until the title reverts to the Federal Government, including the period following any notice of intent to revert.
