with these regulations. This certification will include the amount and basis of the debt, the due date of the payment, or the beginning date of installment payments, if any.

(b) *When another agency is the creditor agency.* (1) GSA may use salary offset against one of its employees or cross-serviced agency employees who is indebted to another agency if requested to do so by that agency. Any such request must be accompanied by a certification from the requesting agency that the person owes the debt, the amount of the debt and that the employee has been given the procedural rights required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

(2) The creditor agency must advise GSA of the number of installments to be collected, the amount of each installment, and the beginning date of the first installment if it is not the next established pay period.

(3) If GSA receives an improperly completed request, the creditor agency will be requested to supply the required information before any salary offset begins.

(4) If the claim procedures in paragraph (b)(1) of this section have been properly completed, deductions will begin on the next established pay period unless a different period is requested by the creditor agency.

(5) GSA will not review the merits of the creditor agency's determinations with respect to the amount and/or validity of the debt as stated in the debt claim certification.

(6) If the employee begins separation action before GSA collects the total debt due the creditor agency, the following actions will be taken:

(i) When possible, the balance owed the creditor agency will be liquidated from subsequent payments of any nature due the employee from GSA in accordance with 41 CFR part 105-55.011;

(ii) If the total amount of the debt cannot be recovered, GSA will certify the total amount collected to the creditor agency and the employee;

(iii) If GSA is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, or other similar payments, such information will be provided to the creditor agency so a cer-

tified claim can be made against the payments.

(7) If the employee transfers to another Federal agency before GSA collects the total amount due the creditor agency, GSA will certify the total amount collected to the creditor agency and the employee. It is the responsibility of the creditor agency to ensure that collection action is resumed by the new employing agency.

### Subpart B—Centralized Salary Offset (CSO) Procedures—GSA as Creditor Agency

#### § 105-56.014 Purpose and scope.

(a) This subpart establishes procedures for the offset of Federal salary payments, through the Financial Management Service's (FMS) administrative offset program, to collect delinquent debts owed to the Federal Government. This process is known as centralized salary offset. Rules issued by the Office of Personnel Management contain the requirements Federal agencies must follow prior to conducting salary offset and the procedures for requesting offsets directly from a paying agency. See 5 CFR parts 550.1101 through 550.1108.

(b) This subpart implements the requirement under 5 U.S.C. 5514 (a)(1) that all Federal agencies, using a process known as centralized salary offset computer matching, identify Federal employees who owe delinquent non-tax debt to the United States. Centralized salary offset computer matching is the computerized comparison of delinquent debt records with records of Federal employees. The purpose of centralized salary offset computer matching is to identify those debtors whose Federal salaries should be offset to collect delinquent debts owed to the Federal Government.

(c) This subpart specifies the delinquent debt records and Federal employee records that must be included in the salary offset matching process. For purposes of this subpart, delinquent debt records consist of the debt information submitted to FMS for purposes of administrative offset as required under 31 U.S.C. 3716(c)(6). Since GSA submits debts to FMS for purposes of administrative offset, the Agency is

not required to submit duplicate information for purposes of centralized salary offset computer matching under 5 U.S.C. 5514(a)(1) and this subpart.

(d) An interagency consortium was established to implement centralized salary offset computer matching on a Governmentwide basis as required under 5 U.S.C. 5514(a)(1). Federal employee records consist of records of Federal salary payments disbursed by members of the consortium.

(e) The receipt of collections from salary offsets does not preclude GSA from pursuing other debt collection remedies, including the offset of other Federal payments to satisfy delinquent non-tax debt owed to the United States. GSA will pursue, when appropriate, such debt collection remedies separately or in conjunction with salary offset.
