car rentals, etc.) with travel authorizations and claims to assure that only authorized charges are paid.

§ 301–72.101 What information should we provide an employee before authorizing the use of common carrier transportation?

You should provide the employee:
(a) Notice that he/she is accountable for all tickets, GTRs and other transportation documents;
(b) Your procedures for the control and accounting of common carrier transportation documents, including the procedures for submitting unused, partially used, downgraded/exchanged tickets, refund receipts or ticket refund applications, and denied boarding compensation; and
(c) A credit/refund address so the carrier can credit/refund the agency for unused tickets (when the tickets have been issued using an agency centrally billed account or by GTR).

Subpart C—Cash Payments for Procuring Common Carrier Transportation Services

§ 301–72.200 Under what conditions may we authorize cash payments for procuring common carrier transportation services?

In accordance with §301–51.100.

§ 301–72.201 What must we do if an employee uses cash in excess of the $100 limit to purchase common carrier transportation?

To justify the use of cash in excess of $100, both the agency and traveler must certify on the travel claim the necessity for such use. See 41 CFR 101–41.203–2.

§ 301–72.202 Who may approve cash payments in excess of the $100 limit?

You must ensure the delegation of authority for the authorization or approval of cash payments over the $100 limit is in accordance with 41 CFR 101–41.203–2.

§ 301–72.203 When may we limit traveler reimbursement for a cash payment?

If you determine that the cash payment was made under a non-emergency circumstance, reimbursement to the traveler must not exceed the cost which would have been properly chargeable to the Government had the traveler used a government provided payment resource, (e.g., individual Government contractor-issued travel charge card, centrally billed account, or GTR). However, an agency can determine to make full payment when circumstances warrant (e.g., invitational travel, infrequent travelers and interviewees).

§ 301–72.204 What must we do to minimize the need for a traveler to use cash to procure common carrier transportation services?

You must establish procedures to encourage travelers to use the GSA individual Government contractor-issued travel charge card(s), or your agency’s centrally billed or other established account, or a GTR (when no other option is available or feasible).
