

the first 5 years of the repayment period. This prohibition against the discharge of a HEAL loan applies to bankruptcy under *any* chapter of the Bankruptcy Act, including Chapter 13. A borrower may have a HEAL loan discharged in bankruptcy after the first 5 years of the repayment period only upon a finding by the Bankruptcy Court that the non-discharge of such debt would be unconscionable and upon the condition that the Secretary shall not have waived his or her rights to reduce any Federal reimbursements or Federal payments for health services under any Federal law in amounts up to the balance of the loan.

(6) If the borrower fails to make payments on the loan on time, the total amount to be repaid by the borrower may be increased by additional interest, late charges, attorney's fees, court costs, and other collection charges. In addition, the Secretary may offset amounts attributable to an unpaid loan from reimbursements or payment for health services provided under any Federal law to a defaulted borrower practicing his or her profession.

Subpart C—The Loan

§ 60.10 How much can be borrowed?

(a) *Student borrower.* An eligible student may borrow an amount to be used solely for expenses, as described in § 60.5(g), incurred or to be incurred over a period of up to an academic year and disbursed in accordance with § 60.33(f). The maximum amount he or she may receive for that period shall be determined by the school in accordance with § 60.51(f) within the following limitations:

(1) A student enrolled in a school of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry or podiatric medicine may borrow up to \$80,000 under this part. The amount received may not exceed \$20,000 in any academic year.

(2) A student enrolled in a school of public health, pharmacy, chiropractic, or a graduate program in health ad-

ministration, clinical psychology, or allied health may borrow up to \$50,000 under this part. The amount received may not exceed \$12,500 per academic year.

(3) For purposes of this paragraph, an academic year means the traditional approximately 9-month September-to-June annual session. For the purpose of computing academic year equivalents for students who, during a 12-month period, attend for a longer period than the traditional academic year, the academic year will be considered to be 9 months in length.

(4) The student's estimated cost of attendance shall not exceed the estimated cost of attendance of all students in like circumstances pursuing a similar curriculum at that school.

(b) *Non-student borrower.* An eligible nonstudent may borrow amounts under this authority with the following restrictions:

(1) In no case may an eligible nonstudent borrower receive a loan that is greater than the sum of the HEAL insurance premium plus the interest that is expected to accrue and must be paid on the borrower's HEAL loans during the period for which the new loan is intended.

(2) An eligible nonstudent in the field of medicine, osteopathic medicine, dentistry, veterinary medicine, optometry, or podiatric medicine may borrow up to \$80,000 under this part including loans obtained while the borrower was a student. The loan amount may not exceed \$20,000 in any 12-month period.

(3) An eligible nonstudent in the field of pharmacy, public health, chiropractic, health administration, or clinical psychology may borrow up to \$50,000 under this part including loans obtained while the borrower was a student. The loan amount received under this part may not exceed \$12,500 in any 12-month period.

[48 FR 38988, Aug. 26, 1983, as amended at 51 FR 30644, Aug. 28, 1986; 52 FR 746, Jan. 8, 1987; 57 FR 28794, June 29, 1992]

§ 60.11 Terms of repayment.

(a) *Commencement of repayment.* (1) The borrower's repayment period must begin the first day of the 10th month after the month he or she ceases to be a full-time student at a HEAL school.

The 9-month period before the repayment period begins is popularly called the "grace period."

(i) *Postponement for internship or residency program.* However, if the borrower becomes an intern or resident in an accredited program within 9 full months after leaving school, then the borrower's repayment period must begin the first day of the 10th month after the month he or she ceases to be an intern or resident. For a borrower who receives his or her first HEAL loan on or after October 22, 1985, this postponement of the beginning of the repayment period for participation in an internship or residency program is limited to 4 years.

(ii) *Postponement for fellowship training or educational activity.* For any HEAL loan received on or after October 22, 1985, if the borrower becomes an intern or resident in an accredited program within 9 full months after leaving school, and subsequently enters into a fellowship training program or an educational activity, as described in § 60.12(b)(1) and (2), within 9 months after the completion of the accredited internship or residency program or prior to the completion of such program, the borrower's repayment period begins on the first day of the 10th month after the month he or she ceases to be a participant in the fellowship training program or educational activity. Postponement of the commencement of the repayment period for either activity is limited to 2 years.

(iii) *Non-student borrower.* If a nonstudent borrower obtains another HEAL loan during the grace period or period of internship, residency, or deferment (as defined in § 60.12), the borrower must begin to repay this loan when repayment on the borrower's other HEAL loans begins or resumes.

(2) An accredited internship or residency program must be approved by one of the following accrediting agencies:

(i) Accreditation Council for Graduate Medical Education.

(ii) Council on Optometric Education.

(iii) Commission on Accreditation of Dental and Dental Auxiliary Programs.

(iv) American Osteopathic Association.

(v) Council on Podiatry Education.

(vi) American Council on Pharmaceutical Education.

(vii) Council on Education for Public Health.

(viii) American College of Veterinary Surgeons.

(ix) Council on Chiropractic Education.

(b) *Length of repayment period.* In general, a lender or holder must allow a borrower at least 10 years, but not more than 25 years, to repay a loan calculated from the beginning of the repayment period. A borrower must fully repay a loan within 33 years from the date that the loan is made.

(1) For a HEAL borrower who received any HEAL loan prior to October 22, 1985, periods of deferment (as described in § 60.12) are not included when calculating the 10 to 25 or 33 year limitations.

(2) For a borrower who receives his or her first HEAL loan on or after October 22, 1985, periods of deferment (as described in § 60.12) are included when calculating the 33 year limitation, but are not included when calculating the 10 to 25 year limitation.

(c) *Prepayment.* The borrower may prepay the whole or any part of the loan at any time without penalty.

(d) *Minimum annual payment.* During each year of repayment, a borrower's payments to all holders of his or her HEAL loans must total the interest that accrues during the year on all of the loans, unless the borrower, in the promissory note or other written agreement, agrees to make payments during any year or any repayment period in a lesser amount.

(e) *Repayment schedule agreement.* At least 30 and not more than 60 days before the commencement of the repayment period, a borrower must contact the holder of the loan to establish the precise terms of repayment. The borrower may select a monthly repayment schedule with substantially equal installment payments or a monthly repayment schedule with graduated installment payments that increase in amount over the repayment period. If the borrower does not contact the lender or holder and does not respond to contacts from the lender or holder, the lender or holder may establish a

monthly repayment schedule with substantially equal installment payments, subject to the terms of the borrower's HEAL note.

(f) *Supplemental repayment agreement.*

(1) A lender or holder and a borrower may enter into an agreement supplementing the regular repayment schedule agreement. Under a supplemental repayment agreement, the lender or holder agrees to consider that the borrower has met the terms of the regular repayment schedule as long as the borrower makes payments in accordance with the supplemental schedule.

(2) The purpose of a supplemental repayment agreement is to permit a lender or holder, at its option, to offer a borrower a repayment schedule based on other than equal or graduated payments. (For example, a supplemental repayment agreement may base the amount of the borrower's payments on his or her income.)

(3) The supplemental schedule must contain terms which, according to the Secretary, do not unduly burden the borrower and do not extend the Secretary's insurance liability beyond the number of years specified in paragraph (b) of this section. The supplemental schedule must be approved by the Secretary prior to the start of repayment.

(4) The lender or holder may establish a supplemental repayment agreement over the borrower's objection only if the borrower's written consent to enter into a supplemental agreement was obtained by the lender at the time the loan was made.

(5) A lender or holder may assign a loan subject to a supplemental repayment agreement only if it specifically notifies the buyer of the terms of the supplemental agreement. In such cases, the loan and the supplemental agreement must be assigned together.

[48 FR 38988, Aug. 26, 1983, as amended at 51 FR 30644, Aug. 28, 1986; 53 FR 6097, Feb. 29, 1988; 57 FR 28794, June 29, 1992]

§ 60.12 Deferment.

(a) After the repayment period has commenced, installments of principal

and interest need not be paid during any period:

(1) During which the borrower is pursuing a full-time course of study at a HEAL school or at an institution of higher education that is a "participating school" in the Guaranteed Student Loan Program;

(2) Up to 4 years during which the borrower is a participant in an accredited internship or residency program, as described in § 60.11(a)(2). For a borrower who receives his or her first HEAL loan on or after October 22, 1985, this total of 4 years for an internship or residency program includes any period of postponement of the repayment period, as described in § 60.11(a)(1);

(3) Up to 3 years during which the borrower is a member of the Armed Forces of the United States;

(4) Up to 3 years during which the borrower is in service as a volunteer under the Peace Corps Act;

(5) Up to 3 years during which the borrower is a member of the National Health Service Corps; or

(6) Up to 3 years during which the borrower is a full-time volunteer under title I of the Domestic Volunteer Service Act of 1973.

(b) For any HEAL loan received on or after October 22, 1985, after the repayment period has commenced, installments of principal and interest need not be paid during any period for up to 2 years during which the borrower is a participant in:

(1) A fellowship training program, which:

(i) Is directly related to the discipline for which the borrower received the HEAL loan;

(ii) Begins within 12 months after the borrower ceases to be a participant in an accredited internship or residency program, as described in § 60.11(a)(2), or prior to the completion of the borrower's participation in such program;

(iii) Is a full-time activity in research or research training or health care policy;

(iv) Is not a part of, an extension of, or associated with an internship or residency program, as described in § 60.11(a)(2);

(v) Pays no stipend or one which is not more than the annual stipend level
